AMERIGAS SCHOOL DAYS PROGRAM

Through the School Days Program, AmeriGas will give your school up to \$2,000 per year to purchase items for any school-related need.

If you received **\$2,000** to spend on whatever this school really needed in order to improve the educational experience it offers you and students like you – including areas like sports, band, drama club, etc., – what would it be? Thanks to **AmeriGas Propane and the School Days program** it is offering our school, you can have it!

WHAT DO WE HAVE TO DO TO RECEIVE THAT MONEY?

Our school is forming a School Days effort to take advantage of this opportunity. Talk to your family about who uses propane in your area. Ask those people if they can fill out the School Days Participation form found here: ameri.gs/ParticipationForm. Ask businesses in your area if they use propane (that's easy—AmeriGas Propane tanks are usually white with "AmeriGas" written on them in red and blue). Larger businesses frequently use propane as well.

AmeriGas customers simply submit the School Days Participation form at ameri.gs/ParticipationForm and AmeriGas will do the rest.

In the meantime, think about what we'd do with the money we can earn with the School Days program! It's like money in the "tank." Help us help your school.
