## General Information

### 2023-2024 School Theme

### ***“Walk in the Light”***

*"But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin."*

*1 John 1:7*

### **Mission Statement**

*"Lincoln Lutheran exists to equip young people to be faithful disciples of Jesus Christ by providing an excellent, Christ-centered education."*

*(Adopted April, 2008)*

### **Philosophy of Education**

It is the philosophy of Lincoln Lutheran Middle/High School that the education provided to its students will be, above all else, Christ-centered and Christian-based. Christian education is an outgrowth of the "Great Commission", which Christ has given to His church (Matthew 28:19). Each child is a gift from God, and should be educated in a loving but disciplined Christian environment.

The Christian school serves as a partner with parents, assisting them in the Christian education of their children, a task recognized as the parent's primary responsibility. The standard of measurement in defining our school will be the Word of God and the doctrines, teachings and practices of the Lutheran Church - Missouri Synod as drawn from that Word.

Our goal is to prepare students for both eternal life and life in this world. Recognizing that 98% of our students matriculate at either two-year or four-year colleges, Lincoln Lutheran will provide an excellent, Christ-centered college preparatory education, ensuring our students are ready for their post-high school vocation.

### **The Purpose of Belief Statements**

Lincoln Lutheran Middle/High School is a Christian school. It was established by Lincoln-area Lutheran Church-Missouri Synod churches in an effort to provide a loving environment where the Gospel will be taught and lived in all curricular and extracurricular situations, enabling students to live the Christian life now and through eternity.

Our standards are not those of this world. They are in harmony with Scripture, and designed as a reflection of our Lord, Jesus Christ. These guidelines were designed through the direction of the Holy Spirit knowing that human reasoning and intellect will only mislead us.

### **The Faculty and Staff of Lincoln Lutheran**

Every person who works at Lincoln Lutheran is a Christian dedicated to his or her Lord and Savior, Jesus Christ. The faculty and staff have a sincere desire to assist in the academic, social,

## **Lincoln Lutheran High School Parent/Student Handbook**

emotional, and spiritual growth of each and every young person led by God to be a part of the Lincoln Lutheran ministry. Each teacher is certified by the State of Nebraska and is competent in his/her teaching area.

### **Accreditation**

Lincoln Lutheran Middle/High School is accredited by the State of Nebraska through the Nebraska Department of Education (NDE). Credits earned at Lincoln Lutheran are transferable to any other school. Lincoln Lutheran is also accredited nationally through National Lutheran School Accreditation (NLSA).

### **Funding the Lincoln Lutheran Ministry**

The majority of financial support for Lincoln Lutheran Middle/High School comes from tuition charged to students. The Lincoln Lutheran School Association, an Association of eight local LCMS churches, is the governing body for the school and supplements the remaining ministry costs through annual assessments based on church membership. Association churches also provide a tuition subsidy for their member families with students at Lincoln Lutheran. Lincoln Lutheran makes every attempt to be a good steward of the resources entrusted to us and to function in a financially responsible manner. It is imperative that our families also regard this stewardship as a high priority and remain in good financial standing.

### **Racial Non-discrimination Policy**

Lincoln Lutheran Middle/High School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Lincoln Lutheran does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs. Lincoln Lutheran may give preference in admissions to members of LCMS Lutheran congregations.

### **Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age certain rights with respect to the student's education records. They are:

- The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.
- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school may disclose Directory Information without parent or student consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failure by the school to comply with the requirements of FERPA.

The school's policy is for education records to be kept confidential except as permitted by FERPA, and the school does not approve any practice which involves an unauthorized disclosure of educational records.

## Extracurricular Activities and Eligibility for Students

All activities are designed to enhance the mission of Lincoln Lutheran. Participation in extracurricular activities by students is encouraged, as research indicates that students who participate in extracurricular activities are more likely to demonstrate success in high school and post-secondary education.

Lincoln Lutheran is a part of the Nebraska School Activities Association (NSAA) and a member of the Centennial Conference for athletics, music, speech, and other activities.

### **Eligibility for High School**

Students must meet all requirements of the NSAA to participate in extracurricular activities. To participate in varsity interscholastic competition during their first semester of attendance, students must meet the NSAA domicile requirements. The Activities Director will determine the status of each new student. Students must have successfully completed 20 credits (4 academic classes) during the previous semester to be eligible for participation under NSAA guidelines. Students must also have completed and documented their Lincoln Lutheran service hour requirement from the previous school year to be eligible to practice or participate in activities.

Eligibility Grade Checks will take place six times per semester. The dates of the eligibility checks can be found below and on the Lincoln Lutheran online calendar. On each Grade Check Day, any student failing more than one class will be placed on the Eligibility Watch List for 1 week. During this week, the student will have the opportunity to improve his/her grades to a passing level. At the end of the one week period, grades will be re-checked by administration. If the student meets eligibility requirements at that time, the student will be removed from the Eligibility Watch List. A student who continues to have more than one failing grade will be deemed ineligible to participate in any extracurricular competition/activity for a minimum of one week. An ineligible student will not become eligible until they meet eligibility requirements on a regularly scheduled Eligibility Grade Check Day. All Grade Checks will take place on Tuesdays at 8:00 am.

## Academic Information

### Curriculum Requirements

Increasing college admissions requirements makes it imperative that students give very close attention to their high school course selections. Meeting just the basic high school graduation requirements does not necessarily ensure that a student will be accepted into every college. The Guidance Director will work closely with each student to develop his/her curriculum. Students and parents should also check with admissions offices for admission requirements to specific colleges and universities.

Transfer credits from other schools will be placed on the Lincoln Lutheran transcript using the current Lincoln Lutheran grading scale to calculate GPA and class rank. If there are questions about how a course will be recorded, the student should speak with the Guidance Director.

The responsibility for meeting all credit requirements belongs to the student.. The Guidance Director will help wherever possible, but students are responsible for knowing where they stand at all times.

### Graduation Requirements

### Additional Graduation Requirements

### Graduation Honors

Students who rank in the top 10% of the senior class are honored at graduation with gold cords

## **Lincoln Lutheran High School Parent/Student Handbook**

worn around the neck. Students must have been in attendance for at least three semesters at Lincoln Lutheran to be eligible for graduation honors. Graduation honors are determined using student GPA data at the end of the first semester of the senior year. Honor cords will also be given to students who have earned an Academic Letter, a Fine Arts Letter, and/or an Athletic Letter.

### **Course Drop/Add/Withdrawal Procedures**

When a student registers for and enrolls in a class, they are making a commitment to be a productive member of that class. All drop/add decisions for semester-long classes must take place before the beginning of the semester. Any schedule changes after the beginning of a semester will be made only for valid educational reasons at the discretion of the Lincoln Lutheran Administration.

If a student wishes to withdraw from a class after the beginning of the semester, the grade given will be a WF (Withdrawal-Failing). This grade would carry the same impact as the student receiving an “F” grade for a class. The only exceptions to this rule are: a) the withdrawal is recommended by the classroom teacher because the student is unable to successfully complete the assigned work due to lack of ability in the subject matter; or b) the parent provides a documented medical reason why the student is unable to complete the class. The Lincoln Lutheran administration will make the final determination for any WF/W grading questions.

Students can only withdraw from year-long classes at the end of the first semester/beginning of the second semester for the two reasons stated above.

### **Monitoring of Academic Progress**

Lincoln Lutheran will work in partnership with parents in monitoring student academic progress and addressing academic concerns. Parents are encouraged to use PowerSchool and Canvas to regularly and frequently monitor their student’s academic achievement, and to work with their student as soon as academic issues might surface. Lincoln Lutheran Administration will periodically monitor student progress and address issues with students as they surface. Students not working up to their potential may be required to spend time working with teachers after school.

### **Grading System**

Lincoln Lutheran operates on a semester grading system for grades 7-12. If no semester exam is given in a class the semester grade is derived from the cumulative semester grade. If a semester exam is given the semester grade is determined using the cumulative semester grade and the semester exam. The semester exam will not count more than 20% of the semester grade.

Lincoln Lutheran operates on a quarter grading system for grade 6. The semester grade is determined by averaging the two quarter grades, with each quarter grade counting one-half (50%) of the semester grade.

## **Grading Guidelines**

Lincoln Lutheran has adopted Grading Guidelines that will be applied uniformly by all teachers. Please see the Grading Guidelines document for more information.

## **Incomplete Grades**

Incomplete grades will only be given when extraordinary circumstances exist that make it impossible for a student to complete his or her work by the end of a grading period. If a student receives an incomplete ("I"), the grade will change to an "F" if the incomplete is not made up by the end of the second week after the end of the grading period in which the "I" was received. Making up the work is the student's responsibility, but teachers will assist the students in any way possible.

## **Pass/No Record**

Junior and Senior students may choose to take a class on a Pass/No Record (P/NR) basis. See the Pass/No Record Policy for restrictions on which classes can be taken on a Pass/No Record basis and what requirements must be met to earn the Pass/No Record grade. Students can take a maximum of 2 pass/no record classes while attending Lincoln Lutheran.

## **Semester Grade Reports**

Parents are encouraged to check PowerSchool on a regular, frequent basis to monitor their student's progress and identify any areas that need improvement. Parents will receive a grade report via email at the end of each semester. Semester grades are permanent to a student's record. If a student repeats a class the higher of the two grades will count toward the student's grade point average.

## **Performance Expectations and Academic Probation**

Any student who has failed two or more classes in any one semester will be notified in writing they are being placed on Academic Probation. The academic progress of students placed on

## **Lincoln Lutheran High School Parent/Student Handbook**

Academic Probation will be closely monitored during the next semester.

If a student on Academic Probation fails more than one class in the following semester, parents may be notified that the child is refused enrollment at Lincoln Lutheran for the next term. Students who are verified as learning disabled and are receiving resource assistance will be granted a “special review” if they are in danger of being placed on refused enrollment status.

Students who are placed on refused enrollment status for the next term may re-apply for enrollment at a later date and be subject to all new-student enrollment procedures, including successful academic progress at another educational institution.

### **ZAP - Zeros Aren't Permitted**

All students are expected to complete all of their work on time. Students that fail to meet these expectations will enter into the ZAP Program. Please refer to the Grading Guidelines for more information on this program.

### **Honor Roll**

Honor Rolls are determined at the end of each semester. Students whose semester grade point average is between 3.50 and 3.74 qualify for the Honor Roll. Students whose semester grade point average is equal to or above 3.75 qualify for High Honor Roll.

### **Academic Letter**

The Academic Letter has been established to recognize student academic achievement at Lincoln Lutheran High School. To earn an Academic Letter a student must maintain a grade point average of 3.6 or above for three consecutive semesters. Students can earn one academic letter every year of attendance beginning with their sophomore year. Students eligible for the Academic Letter after the first semester will receive the letter during Honors Night in the spring. Students eligible for the Academic Letter after the second semester will receive the letter after the end of the school year. Students lettering for the first time will receive the chenille "LL" if one has not previously been awarded, and an Academic Pin. Students earning a second or third Academic Letter will receive a bar to be worn under the pin.

### **Part-Time Student Classification**

Students at Lincoln Lutheran are encouraged to enroll as full-time students to avail themselves of the entire Lincoln Lutheran experience. However, with the approval of the Lincoln Lutheran administration, students may enroll in Lincoln Lutheran on a part-time basis. Note: Part-time enrollment status may affect a student's ability to participate in extracurricular activities, especially NSAA activities.

### **Enrollment in Off-Campus and Online Classes**

Students may enroll in classes provided online, through Lincoln Public Schools or area colleges, or through other non-traditional means, when Lincoln Lutheran does not provide the class or its equivalent and with the approval of the Lincoln Lutheran administration. How those classes work within the Lincoln Lutheran schedule is also a consideration. The student should meet with the Guidance Director to ensure the course will/can be accepted for credit. Courses for credit outside of Lincoln Lutheran classes must be approved prior to enrolling.

## **Lincoln Lutheran High School Parent/Student Handbook**

Any costs associated with classes taken online, through Lincoln Public Schools or area colleges, or through other non-traditional means are the responsibility of the student. If taking such classes causes the student's Lincoln Lutheran enrollment to drop below 0.75 Full Time Equivalency, tuition will be adjusted per policy of the Board of Directors.

### **Alternative Schedule Privilege (ASP)**

Alternative Schedule Privilege is based on grade point average determined by Lincoln Lutheran administration, progress toward graduation and behavioral maturity, and may be revoked at any time by the Lincoln Lutheran Administration. Eligible seniors may apply to participate in an alternative schedule period, allowing them to leave campus. Seniors who do not choose to leave campus during their ASP are required to remain in the Commons, Media Center, or other area designated by the Administration. Students may not loiter in the halls, parking lot, or other areas during their ASP time. Students remaining on campus during ASP are expected to follow the Electronic Devices policy.

A senior must be enrolled in a total of seven credit-earning classes per semester to qualify for ASP. Seniors with ASP must attend all Chapel services and ASP will be suspended during special school-wide mandatory assemblies (speakers, events, or special Chapels) and students are expected to be in attendance, even if the period before or after the event is "alternatively scheduled." Any student taking a class at another school during the time of the special assembly must make arrangements with the Administration regarding their obligations. ASP will not be considered when calculating a student's FTE for tuition adjustment when taking non-traditional classes (see Enrollment in Off-Campus and Online Classes above).

ASP is a privilege and may be suspended for reasons including, but not limited to:

1. Skipping or being tardy for a class or mandatory activity when returning from ASP.
2. Having any failing grade(s).
3. Referral to the office for disciplinary reasons.

### **Open Lunch**

All seniors and their parents must agree to "open lunch" rules before being allowed to leave the campus during their lunch period. Open lunch is a privilege and may be suspended for reasons including, but not limited to:

1. Being tardy to class when returning from open lunch.
2. Having any failing grade(s).
3. Referral to the office for disciplinary reasons.

## **Attendance Policies**

### **Absences**

Lincoln Lutheran places an emphasis on regular and consistent attendance. Research has shown that regular attendance at school promotes educational success and encourages habits that are

## **Lincoln Lutheran High School Parent/Student Handbook**

conducive to postsecondary and career success.

Parents (or legal guardians) are asked to notify the school between 7:30 a.m. and 9:00 a.m. each day their student is absent. Notification is done using the “Student Absence” link on the “Current Families” page of the Lincoln Lutheran website. If notification by using the “Student Absence” link is impossible, an email or phone call explaining the student’s absence should be made. The email or phone call should include the following information: the student’s name, the date(s) of the absence, the reason for the absence, and the identity of the parent notifying the school.

Homework assignments for classes students miss because of an absence can be found on each class's Canvas site.

### **Excused Absence**

Excused absences will be issued for reasons such as personal illness, family and other types of emergencies, medical appointments, death in the family, and prearranged absences. Students are eligible to receive credit for work missed due to an excused absence. Excused absences do count toward a student’s overall absence total. The Lincoln Lutheran Administration reserves the right to make the final determination whether an absence is excused or unexcused.

### **Remote Learning**

Lincoln Lutheran has the technology to allow students with extenuating circumstances to attend classes remotely. Extenuating circumstances could include but is not limited to student immobility, extended weather closures, long-term illness (more than 3 days), or other campus closures. Students with short-term illnesses (1-3 days) should use their time at home to rest and recover so they may return to school. After 3 days of an illness, parents may request for their child to zoom. All remote learning requests are subject to approval by Lincoln Lutheran administration.

Remote learning can not replicate in-class learning. As a general rule, if a student can be in school, they should be in school.

### **Prearranged Absences**

Prearranged absences are excused absences that are scheduled prior to the day the student is not at school. Examples of prearranged absences include, but are not limited to: medical appointments, college visits, vacations, being absent for school activities, and mission trips.

Procedures to be followed for prearranged absences include:

1. Notification from parents as early as possible prior to the absence.
2. The student will receive a Prearranged Absence Form (blue sheet) from the office to take to teachers whose class the student will be missing.
3. Teachers will sign the blue sheet and inform students of the work they will miss during the periods they will be absent.

Class activities and assignments should be made up before the absence, or other arrangements to

## **Lincoln Lutheran High School Parent/Student Handbook**

make up missed work should be made with the teacher prior to the absence. Failure to do so on the part of the student will result in a loss of credit for the missed class activities, assignments, and assessments.

Absences from school for school-related activities are considered pre-arranged absences. Activity sponsors or coaches will have responsibility for notifying the school office of students who will be absent. Students are still responsible for making up any missed work prior to the absence, or making arrangements with the teacher prior to the absence to make up work missed. Prearranged absences are counted in the “twelve general absences policy” (see Course Credit) with the exception of absences for school-related activities, which do not count toward the twelve general absences. The Lincoln Lutheran Administration reserves the right to make the final determination whether a prearranged absence is excused or unexcused.

### **Completion of Work Missed Due to Excused Absence**

It is solely the responsibility of the student to make up any work missed during an excused absence. The student should schedule a time with his/her teacher to complete any work missed because of an excused absence, usually the day immediately following the absence or, in the case of prearranged absences, according to the arrangements specified on the blue sheet. The best time for a student to discuss arrangements for making up work with a teacher is before or after school or during the student’s Focus Class, not during class or during passing periods. Students are encouraged to use class schedules and work checklists on his/her teacher’s Canvas site to check on class activities during days missed.

### **School Closure**

Circumstances, such as inclement weather, may dictate that school will be closed for a day or a period of days. School closures are coordinated with Association elementary schools and are communicated with families as soon as possible. School closures of one day due to inclement weather will simply be a day of no school. For school closures of multiple days, the Lincoln Lutheran administration will make a decision regarding Remote Learning Days. School closures that are scheduled in advance, such as for scheduled facility repairs, will be Remote Learning Days.

### **Unexcused Absences**

Absences for reasons such as, but not limited to: oversleeping, missing a ride, conducting business that could be taken care of outside of school hours, staying home to study, working at a job, sleeping in because of a late school activity, and failure to provide a note/phone call are considered unexcused absences.

Lincoln Lutheran recognizes parents can request and/or give permission for their students to miss school for a variety of special reasons. Because absences affect both the individual student’s education and the classroom environment, the Lincoln Lutheran Administration reserves the right to make the final decision when classifying an absence as excused or unexcused.

A student may not receive credit for work missed due to an unexcused absence and may forfeit the opportunity to make up formative and summative assessments. Students may also face

## **Lincoln Lutheran High School Parent/Student Handbook**

consequences according to the behavior guidelines for unexcused absences. Repeated unexcused absences can lead to suspension, and if continued, to expulsion.

Students arriving to any class more than 15 minutes late will be considered as being absent-unexcused.

### **Suspension**

Absences due to in-school and out-of-school suspension may be considered excused or unexcused, depending on the nature of the specific case. The Lincoln Lutheran Administration reserves the right to determine whether an absence due to suspension is excused or unexcused. Students under suspension are ineligible to participate in extracurricular activities.

### **Attendance Requirement for Participation in Practices or Activities**

Students who are unable to arrive at school by the beginning of 3<sup>rd</sup> Block (A Day) or 7<sup>th</sup> Block (B Day) due to illness may not participate or practice in a school activity that day. Students who leave school because of illness may not participate or practice in a school activity that day. Students who arrive at school after the beginning of 3<sup>rd</sup> or 7<sup>th</sup> blocks, or leave school and miss the equivalent of two blocks of classes may be allowed to participate in a school activity depending on the reason for the absence, as determined by the Lincoln Lutheran administration.

### **Closed Campus**

The Lincoln Lutheran campus is closed. This means students may not leave campus once they arrive in the morning without permission from the Lincoln Lutheran Office. Seniors may leave campus if they have an Alternative Schedule Period or during their lunch period, once Open Lunch rules have been established in the fall. Any senior student leaving campus for any other reason, and any non-senior student leaving campus for any reason must provide parent notification to the office before leaving school.

### **College Visits**

College visits are considered pre-arranged absences. Students going on college visits should follow the guidelines for pre-arranged absences.

### **Course Credit**

Regular attendance is expected of all Lincoln Lutheran students. Any student who misses more than 6 blocks of a class or 12 days of school total in one semester may forfeit credit in that class or classes. Absences because of school-related activities do not count toward the absence total. All other absences, excused or unexcused, will count toward the absence total. Parents will receive a credit loss warning notification by email and standard mail when a student has missed 4 blocks of a class or has reached 8 total missed school days in a semester. A conference will be held with the student and parent(s) when a student approaches the absence total. A student who experiences a loss of class credit due to excessive absences may petition the Lincoln Lutheran Administration to have credit restored.

### **Service Requirement**

All Lincoln Lutheran High School students are required to fulfill 5 hours of Community Service each year of attendance for a total of 20 hours by graduation. The required 5 hours will be

## **Lincoln Lutheran High School Parent/Student Handbook**

completed during the school year through school sponsored activities.

There will be a special service award presented at graduation to each student that completes 100 + hours of community service during their high school career. All hours beyond the 20 required hours will be individually arranged by the student. Students can submit proof of their service using [THIS FORM](#). Volunteer hours will be recorded by the school office. All completed service hour forms should be turned in upon completion.

### **Tardies**

The tardy policy at Lincoln Lutheran is designed to promote better student achievement by encouraging students to be on time to class and reducing the amount of instructional time lost to interruptions caused by students who arrive late to class. This policy reinforces the proposition that regular attendance and punctuality to class are important factors that will improve student achievement. We believe that being on time to class is an act of courtesy toward your teachers and fellow students.

A student is considered tardy to class if he/she is not in the classroom with required materials and ready to begin working when the class bell rings. Tardies may be excused or unexcused. Unexcused tardies are a disciplinary matter and will incur the following disciplinary consequences. Unexcused tardies will be accumulated on a semester basis.

1. Parental notification after the 4<sup>th</sup> cumulative tardy or the 2<sup>rd</sup> tardy in any one class.
2. Detention for the 5<sup>th</sup> to the 7<sup>th</sup> cumulative tardy or the 3<sup>rd</sup> tardy in any one class.
3. Double detention for the 8<sup>th</sup> or 9<sup>th</sup> cumulative tardy or the 4<sup>th</sup> tardy to any one class.
4. Saturday detention for the 10<sup>th</sup> cumulative tardy or the 5<sup>th</sup> tardy to any one class and any succeeding tardy.

Lincoln Lutheran Administration reserves the right to decide whether a first or fifth block tardy is excused or unexcused. Students tardy for the first or fifth block must sign in at the office before going to class. A student more than 15 minutes late to class is considered absent (unexcused) for that period (see Unexcused Absences).

## **Student Behavior Expectations**

Students at Lincoln Lutheran are expected to behave in a way that is both Christ-centered and Christ-pleasing. Our prayer is that our students will be self-disciplined young Christians and that these guidelines will seldom be referred to.

### **Explanation of the Discipline System**

Discipline at Lincoln Lutheran is based on a Biblical model of repentance, forgiveness, and reinstatement. Discipline is used to create faithful disciples of young Christian men and women who are learning how to live their faith in the world and to maintain an atmosphere conducive to learning. Individual teachers will have procedures and rules specific to his/her classroom and teaching methods that can be found in the teacher's Course Expectations and on the class Canvas site. Students are expected to follow these procedures and rules to facilitate learning in the

classroom and as a way of representing Christ to the world.

If a student, by his/her actions, shows he/she is not able to function within specified procedures and rules he/she will be reminded of proper behavior. If the student is not able or is unwilling to correct their behavior, showing an unwillingness to repent, they will be removed from the classroom. The student will later have the opportunity to repent for their behavior, and will then be reinstated in the classroom, with the understanding that the student will not engage in further inappropriate behavior. Certain behaviors, and repeated misbehaviors, may result in consequences assigned by school Administration based on the information available and the judgment of the school Administration.

Consequences could include, but are not limited to:

1. Warning and advising of student (1st offense)
2. Parental Notification
3. Lunch Detention, Detention, or assignment of school-related tasks
4. Counselor Referral
5. Parent Conference
6. Behavioral Contract/Probation
7. Suspension
8. Expulsion

### **Disciplinary Actions**

#### **Lunch Detentions**

The administration may assign a lunch detention to students for violations of school rules. Lunch detentions will be used primarily for minor infractions. Lunch detention will be served in the school office or in a location designated by the assigning administrator. Lunch detention will be the length of the lunch period and the student will eat alone. The student may either get a school lunch or bring their lunch from home.

#### **Detentions**

The administration may assign detention to students for violation of school rules. Detentions are 40 minutes and are served when assigned. Detention, as much as possible, will be spent doing some type of service for the school. If a student must ask for a change of date for an assigned school detention, the request must be made no later than before school begins on the day of the assigned detention to the designated detention coordinator. Work schedules, extracurricular activities, and athletic practices are not valid reasons for requesting a change of date for detentions.

Students will be notified in advance of school-assigned detentions. Students who fail to serve an assigned detention will be given a double detention. A double detention is two separate 40-minute detentions. Failure to serve an assigned double detention or subsequent detention will result in a Saturday Detention (9 a.m. – 12 p.m.) being assigned (Fee--\$30 to pay for monitor, due upon arrival). Students will be notified when a detention is missed and given the dates of the

## **Lincoln Lutheran High School Parent/Student Handbook**

double detention and/or Saturday Detention.

Excessive detentions during the school year may result in further school disciplinary actions including suspension or expulsion.

### **Behavior Contract - Probation**

Students reported for consistent unacceptable behavior will have a behavioral contract created. The behavioral contract will be in effect for a specified period of time which is, in effect, a probationary period. The contract and probationary period are designed to bring about positive changes in student behavior. Periodic teacher assessment of student behavior will be requested. If a student fails to meet the expectations set forth in their behavioral contract they may face additional disciplinary action.

### **Suspension**

Only the administration may suspend a student. The student will be given notice of the suspension and the reasons why, and will have the opportunity to discuss the reasons for the suspension or otherwise explain their actions. Parents will be notified of the suspension verbally and in writing. Written notification will be either electronic or by letter. Students suspended from school will not be allowed to attend or participate in school-related activities or athletics while they are on suspension, whether it be in-school or out-of-school suspension.

### **In-School Suspension**

Students assigned to In-School suspension may or may not be allowed to make up work missed, depending on the nature of the act resulting in the suspension. If the student is allowed to make up work missed and completes the work by the deadline given, the student will NOT receive a zero for the work. It is the responsibility of the student to obtain classroom assignments from each teacher prior to the date(s) of the in-school suspension.

Students suspended in-school are required to remain in the school suspension area. Students under in-school suspension are not allowed to attend or participate in school-related extracurricular activities on the day(s) of the in-school suspension.

### **Out-of-School Suspension**

When a student is suspended at home, he/she is to remain at home and off the streets during school hours (8:00 a.m. to 3:15 p.m.) and is NOT to attend or participate in any activities related to school or be anywhere on or around the school grounds during the entire time of suspension. Students under out-of-school suspension may or may not be allowed to make up work missed, depending on the nature of the act resulting in the suspension.

### **Expulsion**

Expulsion may occur at any time. Only the Head of School may expel a student. The student will have the opportunity to discuss the reasons for the expulsion or otherwise explain their actions. The Head of School will send the parents written notice of the intended expulsion. This notice will also include reasons for the intended expulsion.

A student who has been expelled may be considered for re-enrollment after being away from

## **Lincoln Lutheran High School Parent/Student Handbook**

Lincoln Lutheran for the remainder of the semester of expulsion.

Before a student will be considered for re-enrollment, a satisfactory resolution to the problems that resulted in expulsion must be reached with all school personnel involved. Additional considerations for re-enrollment will include satisfactory academic work while away from Lincoln Lutheran (generally, a minimum 2.0 GPA), no involvement in major disciplinary situations, a good attendance record at the school attended, and completion of any required medical or chemical evaluations. An administrative team will review any request for re-enrollment and will make a recommendation based on the above criteria.

### **Right of Appeal**

Students or parents have the right to appeal any disciplinary action. (See Due Process)

### **Listing of Misbehaviors**

Examples of misbehaviors that may result in disciplinary action include, but are not limited to:

1. Classroom misbehavior
2. General misbehavior in other areas of the building, school grounds or at school-sponsored events
3. Consuming food or beverage anywhere in the building other than the Commons, between the hours of 7:45 a.m. and 3:15 p.m., unless specifically approved by the administration for special circumstances or occasions. At the discretion of individual teachers, water may be consumed in the classroom if the water is contained in a non-breakable and sealable, clear container.
4. Inappropriate display of affection
5. Misuse of student's/school's property
6. Violation of dress/appearance expectations

Because student actions outside of school can affect the school environment, such actions may be

## Lincoln Lutheran High School Parent/Student Handbook

subject to school disciplinary response.

### NOTE:

- In cases of violations of numbers 11 through 18, the police may be summoned. Possession includes being found on the student's person, in a student's school locker, gym locker, car, gym bag, or bookbag. Possession of weapons, drugs, alcohol, or drug paraphernalia will be referred to the police and may result in suspension &/or expulsion.
- Lincoln Lutheran reserves the right to conduct random drug testing on students at any time during the school year.
- Lincoln Lutheran reserves the right to drug test any student that is suspected to be under the influence of illegal substances.
- Lincoln Lutheran reserves the right to have drug searching canines on campus at any time.

### **Cheating / Plagiarism**

#### **Cheating**

Cheating demonstrates a lack of integrity and character that is inconsistent with Christian values and the goals of our school. Cheating robs students of the opportunity to become competent learners and, in the end, is self-destructive.

Cheating includes, but is not limited to:

1. Copying, faxing, emailing or in any way duplicating assignments or assessments wholly or in part, that are turned in as original work.
2. Exchanging assignments or assessments with other students, either handwritten or computer generated, whether you believe they will or will not be copied.
3. Using a computer or other means to translate an assignment or assessment from one language to another and submitting it as an original translation.
4. Unauthorized giving or receiving answers on an assignment or assessment. It is the student's responsibility to secure their work to minimize the opportunity for others to copy work.
5. Taking credit for group work when you have not contributed an equal or appropriate share toward the final result.
6. Accessing an assignment or assessment or answers to the same in advance of its administration.
7. Text messaging or otherwise electronically sharing information, or having an electronic device out during an assignment or assessment without teacher approval.

**Students referred to administration for cheating will receive a zero on the work in question and the incident will be documented. Students may be given an alternate assignment to earn some or all of the credit for the plagiarized assignment or assessment at the discretion of the teacher. Students who violate this policy a second time may be withdrawn from the class for the balance of the semester and may lose credit for the class.**

# Lincoln Lutheran High School Parent/Student Handbook

## Plagiarism

Plagiarism is committing literary theft. It is a form of cheating that clearly violates the student code of conduct and Biblical admonition not to steal.

**If any part of an assignment is determined to have been plagiarized the student will receive a zero on the assignment and the incident will be documented. Students may be given an alternate assignment to earn some or all of the credit for the plagiarized assignment at the discretion of the teacher. Students who violate this policy a second time may be withdrawn from the class for the balance of the semester and may lose credit from that class. This policy applies to assignments and assessments given by all departments.**

Teachers will instruct and guide students in the parameters of cheating and plagiarism and how to avoid engaging in them.

## Harassment

Lincoln Lutheran seeks to maintain a Christ-Centered educational environment characterized by respect, compassion and love. Every student has the expectation of a positive educational experience and Lincoln Lutheran is committed to offering a culture free of discrimination and harassment. Harassment of any kind by administrators, teachers, school employees or students will not be tolerated. In addition, Lincoln Lutheran will protect students, to the extent possible, from reported harassment by non-employees and non-students occurring on school property or arising out of school functions and activities.

### Examples of Harassment

- Harassment because of a person's race, color, age, sex, national origin, religion, marital status, ancestry or disability can be a form of unlawful discrimination. At Lincoln Lutheran, slurs, jokes and other verbal or physical conduct relating to a person's race, color, age, sex, national origin, religion, marital status, ancestry or disability constitute harassment when they interfere with the student's educational performance or create an intimidating environment.
- Unlawful harassment may also exist when non-employees such as non-students, patrons, vendors or visitors engage in such conduct and when the conduct interferes with a student's performance or creates an intimidating, hostile, or offensive environment.
- Sexual harassment may consist of unwelcome sexual advances, requests for sexual favors, or other physical or verbal conduct of a sexual nature by a person of the same or opposite sex.
- "Bullying" is a form of harassment. Lincoln Lutheran's definition of bullying is any inappropriate and repeated behavior, used intentionally as power or control over an individual. Exclusion, control, dominance, intimidation, or threats may be forms of bullying. Bullying behaviors may be expressed verbally, physically, or electronically.
- Electronic harassment may include, but is not limited to, posting any content on the internet, including sites such as Facebook, Snapchat, Instagram, Twitter, and other social media sites, or communication via text messaging or email, that is un-Christian, reflects negatively on a student or employee of Lincoln Lutheran, reflects negatively on the

## **Lincoln Lutheran High School Parent/Student Handbook**

school, or constitutes any type of harassment as defined in this section.

If you believe you are being harassed by any Lincoln Lutheran administrator, teacher, school employee, student, patron, contractor, visitor or any other person in connection with your attendance at Lincoln Lutheran and you are unable to amend the situation in a Christian manner, you should bring the incident to the attention of the Head of School. If that would prove to be uncomfortable or you are not satisfied with the Head of School's handling of the complaint, bring the matter to the attention of the Executive Director. If you still are not satisfied or would feel more comfortable reporting your complaint to someone else, you should contact the President of the Board of Directors of the Lincoln Lutheran School Association.

Lincoln Lutheran will promptly investigate all allegations of harassment in as confidential a manner as possible and take appropriate corrective and disciplinary action if warranted. Under no circumstance will any Lincoln Lutheran employee or student be allowed to threaten or retaliate against another employee or student who in good faith alleges unlawful discrimination or harassment.

### **Sexual Conduct**

Lincoln Lutheran supports a biblical standard of sexual conduct as stated in the Sixth Commandment and LC-MS Doctrines and teachings. Students are expected to use restrooms, locker rooms, changing areas, etc., that conform to his/her biological sex. Any sexual activity outside of the marriage relationship contradicts God's design. The school's involvement and response to sexual misconduct will reflect the school's overall approach to discipline (see "Explanation of the Discipline System"). School Administration will balance care and concern for the student(s) involved with the need to maintain a positive educational environment and a suitable Christian climate. A determination about consequences and/or the student's continued enrollment at Lincoln Lutheran will be based on the circumstances of the situation and response of parents and student(s) involved. The full Sexual Conduct Policy is available on request.

### **Student Appearance - Dress Guidelines**

In keeping with the stated philosophy, we ask our parents and students to remember that our students represent Lincoln Lutheran and the Church. Dress and appearance can be a powerful witness. Cleanliness, neatness, safety, and Christian modesty and decency will always be taken into account. A dress code lends a degree of formality to the setting of formal education and supports the activity of schooling.

We dress for the occasion, and the occasion here is organized study and learning. We will not imitate the evil of this world, nor will we accept dress or appearance simply because it is considered popular or fashionable. "Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind." Romans 12:2

If there is any question about the appropriateness of student dress, we expect parents to guide the student according to this policy. Should there still be a question, discuss the issue with the administration. The administration will make the final decision regarding the suitability of any article of clothing or manner of dress. Students whose clothing and/or manner of dress fall outside acceptable limits will be handled according to the following procedure.

## **Lincoln Lutheran High School Parent/Student Handbook**

Students with questionable appearance/attire will be addressed first by an administrator. If the student can correct the violation, they should do so immediately and not repeat the violation. If the student cannot easily correct a violation of the dress/appearance guidelines, appropriate action will be taken. This may include the possibility of parental contact for a different set of clothes or the sending of the student home for correction of appearance/dress violation. If a parent cannot be contacted for correction arrangements, the student will remain in the office, and be recorded as absent (excused) from class until the violation is corrected, or until the end of the school day.

### **Specific Appearance Guidelines:**

#### **Cleanliness, Neatness, and Safety**

This includes, but is not limited to, field trips and school activities in which you are participating (on or off campus). ### Electronic Devices

Students will not be allowed to have their cell phones in their possession in the classroom at Lincoln Lutheran. When a student enters the classroom, all cell phones will be silenced and placed in the designated cell phone holder and will remain there until the end of the class period. Cell phones may be used during passing periods and in the commons area during lunch.

All electronic devices are brought to school at the risk of the student. The school is in no way liable for damage to or theft of electronic devices.

Students using electronic devices without teacher approval or for non-educational purposes will have the device confiscated and given to the administration. The exception to this is during the student's lunch period and passing periods. The student may retrieve their device from administration at the end of the school day. Repeated violations of the electronic device policy may result in further disciplinary action including extended electronic confiscations, fines, and parent meetings.

It is sometimes necessary for parents to leave messages for or to contact their student during the school day. Parents should be aware that students who check messages or take phone calls from parents without teacher permission are using their electronic device improperly and may have their device confiscated for the remainder of the day. Please help us educate your student on the proper use of electronic devices and urge them to only access messages or phone calls from parents during their lunch period or with teacher permission. Parents may leave messages for students with the school office. Please contact the school office with any emergency messages,

Physical restraint or seclusion should never be used as punishment or for consequences of actions by a student.

## **Due Process**

Due process at Lincoln Lutheran is modeled on the process given by Jesus in Matthew 18 and consists of the following steps:

1. If a student or parent has a question or needs clarification about a classroom matter or any disciplinary procedures, or if they feel that due process is not being followed, contact should be made with the staff member involved.
2. If, after a conference with the staff member involved, the student or parent seeks further discussion, the matter should be addressed to the administration.
3. If addressing the matter with the administration does not bring resolution to the issue, the student or parent may request the matter be brought to the Executive Director.
4. If addressing the matter with the Executive Director does not bring resolution to the issue, the student or parent may request the matter be brought before the Board of Directors by indicating so to the Executive Director. The Executive Director and the President of the Board of Directors will make arrangements for such action.
5. The Board of Directors will render a decision in the matter that will be considered final.
