

LSUU Spectator Guidelines for Fall Sports

(Updated 9/23/2020)

Limitations on Gatherings:

The number of spectators shall be limited as much as possible and measures must be put in place to ensure physical distancing between households. Interactions between spectators and participants must be minimized before, during and after events.

LSUU schools (PA, PAML, SHS, SMS) will allow each player and coach a maximum of **TWO** family members to attend each game. Visiting schools will be extended the same courtesy, allowing only two family members per athlete to attend each game.

Athletic events will not be open to the general public as spectators (this includes school faculty and students).

Note: *The above guidelines will be in place for at least the first week of the season as we gauge its feasibility and cooperation from spectators. Should there be any changes or updates from state guidance on the maximum number of spectators allowed at events, we reserve the right to adjust our spectator guidelines accordingly.*

General Rules and Considerations:

- At no time shall the total number of spectators exceed current limits on event size – currently 150 for outdoor events.
- Per VPA and State guidance: Masks must be worn at all times by all spectators upon exiting their vehicle.
- Appropriate social distancing should happen on the sidelines. There will be painted marks at each game location as a reminder of appropriate distancing. All spectators will sit on the opposite side of the team benches.
- Indoor facilities are closed to all visiting teams and spectators.
- Portable toilets will be available but will not be cleaned after every use.
- No high school/middle school student spectators, other than designated family members, will be allowed to attend events. Student-athletes attending practices are expected to leave campus at the conclusion of their practice.
- When the event is finished, if you are not driving your child home, please exit the facility within 10 minutes of the end of the contest.
- As a spectator, if you cannot follow any of the bullet points above, you may be asked to leave the event.
