

Sherman County School District **Staff, Student, Community Recognition** **January 12, 2015**

We are extremely fortunate to have gracious staff and community members who support our school and students. This school year we are continuing the tradition of recognizing various supporters at the beginning portion of each School Board Meeting. While it is possible that we may periodically miss an opportunity to thank someone, we sincerely appreciate the commitment of all of our supporters. We would like to recognize the following people for their devotion to our schools, students, staff and community.

We truly appreciate the amazing support we receive from so many thoughtful people. Thank you to everyone in our great community and school district for your continued support! When you have time please visit our Sherman County School District Web Page for the monthly appreciation comments.
