

2020 Virtual Fall Parent-Student-Teacher Conferences

★ Thursday, November 5th from 3:30 - 7:30 PM

★ Monday, November 9th from 3:30 - 7:30 PM

Find your Teachers:

- Parents & Guardians ~ Simply click on the link(s) for the teachers you would like to conference with and select a time that works for you. Once you select an available time slot, you will click submit and sign up at the bottom of the page and then you will be directed to add your child's name. The sign-up genius app will then automatically lock you into that time and allow teachers to see in real time who has signed up for each 15 minute time slot. In addition, the sign-up genius app will send you a confirmation email of your scheduled conference(s).

Due Date:

- Parents & Guardians ~ Please sign up for your conference time slots by Friday, October 23rd. This is the only step needed at this time. As our conference dates get closer, we will send out another email similar to this one that will have a zoom meeting link for each teacher. You will then use that link to access your conference times on Thursday, November 5th or Monday, November 9th.

Questions:

- As always, please let us know if you have any questions. If you are having any difficulties signing up for conferences, just contact our offices. Thanks!
