More Waivers

USDA has extended our waivers to the end of the school year, allowing all children up to and including the age of 18 to have breakfast and lunch at no charge.

Remote Location Meals

Beginning on October 29th, we will begin providing meals at remote locations only on Thursdays. Each child will receive five breakfasts and five lunches for the week. The number of days we will provide for students will depend on the number of days they are not in school

In addition to our OTHS curbside location, we will also provide meals to remote locations around RSU #34. At this point, locations may include some, or all, of the locations listed below:

Alton Municipal Building

Bradley Town Office

Old Town: OTHS, Pine Haven Mobile Home Park, Whim Station, Pembroke Pines, Anderson Lane, Lincoln Green, Meadow Lane, Regency Mobile Home Park, French Island, Binette Park, OTOY, and French Island. These stops will be shorter than our summer stops because children are not required to be present or eat on site. A schedule will be posted and shared over the next week once it is determined which locations will best serve remote learners.

Participation

We served 12,065 meals in September. That is less than last year, but with only partial in-person attendance it is a decent number.

Contact Info

Please feel free to call or email if you have any questions. I will be out of the office from Wednesday through Friday of this week. I will be back in the office on Monday, 10/26.

Respectfully Submitted,

Stephanie Salley
