## **FISHER-MITCHELL EDUCATIONAL TECHNICIAN**

(For the remainder of the 2020-2021 School Year)

RSU1 has an opening for an experienced and skilled Educational Technician II for our elementary school (grades 3-5) behavioral support program.

- Must have experience working with wide range of student skills, academic and functional.
- Ability to promote academic, social, and behavioral skill development in a fast-paced environment essential.
- Must be flexible and collaborative.
- Must have or be eligible for Ed Tech II certification.
- Ability to work in a team environment and with a variety of adults and students necessary.

Interested applicants are asked to submit a letter of application and two letters of reference to Superintendent Manuel by November 4, 2020.
