PROGRAM VISION STATEMENT

The Vision of the Pecatonica Lady Indian Basketball Program is to provide a program that not only provides a setting for girls to prepare for the “game of life” through the teaching of basketball and teamism, but also provides our players with the best possible basketball experience with the most opportunities to improve their game. We exist to create Servant Leaders who embody the core values of Trust, Toughness, and Teamism, AND to create a program that each player and parent will look back on with great memories and wish they could do it again.
