Hello Bulldog Families,

As you know, this weekend is Labor Day weekend which sometimes involves special occasions, gatherings and travel. We have been receiving questions about travel and subsequent testing and/or quarantine. I have attached our COVID 19 Return to School Guidelines here:

[COVID 19 Return to School](#)

This document, and other valuable information, is also found on our website under the "COVID 19 Information and Resources" section at: <https://www.ms.k12.il.us/>. Please take the time to read through the document so you are familiar with and aware of the procedures.

If you have any questions or concerns, please don't hesitate to contact our district nurse, Mrs. Nita Bachman at:

nbachman@ms.k12.il.us

or call her at: (217) 493-0699

We welcome your questions and inquiries so accurate information can be conveyed and/or explained.

We are nearing the completion of our third week of school, and everything is going very well--thanks so much for your cooperation, patience and flexibility. As we enter this three day weekend, please continue to follow safety guidelines and protocols that have allowed us to have a successful start to the school year.

Thank you!

Very sincerely,

Dr. Lindsey A. Hall

Superintendent of Schools
