

2020-21 Board Goals

Goal 1: Continue to work through the process of designing the new Grade School, while staying focused on the timeline and budget of the project

Action Items:

- Work with a facility committee to gather feedback on the design of the new building
- Present information and gather feedback from key stakeholders as needed throughout the design phase
- Communicate with staff and our community about the progress of the project
- Work with deputy clerk and project team to monitor the budget of building project
- Work with consultants to comply with Bond requirements and the OSCIM grant
- Prioritize ongoing facility projects that tie in with the GS project
- Leverage County Grant Funds and investigate additional resources to support the budget of the project

Goal 2: Support staff and students by providing resources needed for On-Site and Comprehensive Distance Learning through the COVID pandemic (Implement Ready Schools, Safe Learners Guidance)

Action Items:

- Provide additional professional development days and training for staff
- Submit COVID relief grants, and maintain reporting requirements
- Implement new attendance requirements
- Support staff with online Curriculum platforms (e.g. Acellus and Google Classroom) for the students that are in distance learning
- Work with community partners on the metrics, transitions from on-site to distance learning, and on-site procedures.
- Provide a safe environment for all students and staff
