

Marysville School District
Virtual Senior Financial Aid Night

Senior students and their parent/guardian(s) can attend one of the following info sessions to learn more about the financial aid process, FAFSA, WASFA, the FSA ID, and receive assistance with completing their student's financial aid application.

Two financial aid application options: FAFSA or WASFA

The Free Application for Federal Student Aid (FAFSA), is one of the most important things you can do to get money to help pay for college. It's the only way you can apply for federal or state financial aid. The FAFSA will determine your eligibility for grants, scholarships, work-study programs, and federal student loans.

The Washington Application for State Financial Aid (WASFA) is available to low-income, non-citizen students who meet state residency and program requirements and is completed in place of the FAFSA.

Please join us with your senior student at one of two virtual events:
