Mrs. Mortimer's Class Learning About Letter Writing Through Emails

NEWS FROM THE NURSE:

This first quarter has gone better than I could have ever imagined in light of all the constant changes surrounding COVID. We appreciate everyone's openness and honesty regarding COVID testing and exposure, and keeping your kids home when necessary. We encourage you to continue to do so as we enter second quarter, and influenza season. Now is a great time to get your flu shots!

This week and next week I am doing refresher hand hygiene and mask wearing education to the elementary classrooms. I am so proud of all these kids and our community for making 1st Quarter such a success! Keep up the good work!

If you have any questions about your child's illness and need guidance on whether or not they should attend school, please don't hesitate to email me. I frequently check my email, when I'm not working at school as well.
