Student Assistance Program (SAP) Waynesboro Middle School Parent Questionnaire

When we spoke on the phone recently, I explained that your son or daughter has been referred to the Student Assistance Team. The student assistance process is designed to assist parents in helping their son or daughter deal effectively with issues that present barriers to their learning. The information gained through this process and other school data will be used to help determine the best way to help your son or daughter.

First, it is important to identify the strengths and positive behaviors your son or daughter displays. These can be very important for helping him or her to overcome problems that may stand in the way of success at school. Please complete the following information regarding your son or daughter.
