March 17, 2023

Dear Parent/Guardian,

In preparation for the May Keystone Exam window, we have made plans to offer review opportunities for those learners who did not receive a proficient score as of March 17, 2023 and therefore need to retest. Proficient scores on all three Keystones - Algebra I, Biology, Literature - is the "cleanest" pathway towards meeting Pennsylvania's [Act 158 Graduation requirements](#). Learners will take each Keystone at least two times before we move on to other pathway options. After school review sessions will be from 2:30-3:30 pm on the dates listed below.

<b>Algebra I</b>	<b>Biology</b>	<b>Literature</b>
Monday, March 27	Tuesday, March 28	Monday, March 27
Tuesday, March 28	Thursday, March 30	Tuesday, March 28
Wednesday, March 29	Monday, April 17	Wednesday, March 29
Thursday, March 30	Tuesday, April 18	Monday, April 17
Monday, April 17	Thursday, April 20	Tuesday, April 18
Monday, April 24	Tuesday, April 25	Thursday, April 20
Tuesday, April 25	Thursday, April 27	Wednesday, April 26
Thursday, April 27		

Transportation home at 3:30 pm is the responsibility of the family. Please make sure your child is picked up on time. Learners should come to review sessions focused on the task at hand. Learners who are causing a distraction to the review session will be asked to leave.

After school sessions will focus on a check-in between the teacher and the learner regarding areas of improvement and then review/practice using a workbook with support of at least one teacher per review session. We will also make workbooks available to learners who are interested but cannot stay for after school sessions. Please complete the Google Form linked [HERE](#) to sign your child up for review. Please sign up by Friday, March 24 so we can order workbooks for the first week of review sessions.

We have not yet received official score reports from the January, 2023 Keystone administration. If you are unsure which Keystone(s) your child needs to retake, please email [Dr. Allison Kopco](#), WASHS Assistant Principal.

Respectfully,

Dr. Diane A. McCallum, principal
