Hello Parents,

We have planned some exciting on-campus activities for students Oct. 26 - Nov. 5! There are designated days for each grade level to report on-campus for benchmark testing in ELA, math, science, and social studies. Students will remain at school all day on their designated days and receive breakfast, lunch, and snacks. Transportation will also be available to and from school. In addition to testing, students will participate in STEM activities, P.E. Challenges, and celebrate Red Ribbon Week! Hybrid students **will not** follow their regular A/B schedule during this time. They will report on-campus according to their grade level. The grading period ends on Nov. 4 and during this time teachers will be providing 100% virtual assignments for students to improve their grades. Make-up testing will be on Friday, Oct. 30 and Friday, Nov. 6. Monday Oct. 26 all students will be 100% virtual, including students who normally report to school.
