

Crawford Independent School District

Dr. Kenneth Hall
Superintendent

Mr. Monte Pritchett
Secondary
Principal

Mrs. Linda Stout
Elementary
Principal

Parents/Guardians,

Following the Texas Education Agency guidelines, Crawford ISD plans to distribute district-wide notification in the event of confirmed COVID-19 cases at either of the school campuses. Notification will be distributed by hard copy to students, posted on the district website, and shared on the district's social media. In compliance with federal privacy laws, specific information regarding individuals will not be disclosed.

Please allow this document to serve as notice that we have a presumed case in our staff at the elementary school. This case is not confirmed yet, but in the abundance of caution we are quarantining Mrs. Hall's second grade class for 14 days. If the case is confirmed positive, the McLennan County Health Department will be notified.

Please use this notification as a reminder to:

Wear your mask;
Follow social distancing guidelines; and
Wash your hands frequently

Kenneth Hall, Ed.D
