

## School Progress Domain Survey Questions

- 1) ESC Region [Multiple Choice: 1–20]
- 2) Role: [Multiple Choice: ESC Administrator, District Administrator, Campus Administrator]
- 3) On a scale of 1 to 5 (five being the highest), how would you rate the new approach to growth (Part A of the School Progress domain)? [1,2,3,4,5]
- 4) What changes, if any, do you think are needed to Part A?
- 5) What reliable ways to measure growth in high school could be used in Part A?
- 6) What percentage of students need to demonstrate growth for a district or campus to show excellent performance in Part A?
- 7) What percentage of students need to demonstrate growth for a district or campus to show minimally acceptable performance in Part A?
- 8) How should Parts A and B be combined to determine the overall domain score? [Best of A or B, Weight each part equally, weighted on part more than the other.]
- 9) What should the weights of each part be?
- 10) What could be done to make the training more effective?
- 11) What aspects of the training were most helpful?
