Dear Parents/Guardians of Juniors & Seniors:

I hope this letter finds you well. I would like to thank you all for your understanding and flexibility during these extraordinary times. Due to the school closure last year, many students were unable to take the ACT test.

Now, what does this mean for students this year? Students are required to take either the ASVAB, ACT, or both to graduate. The ASVAB will be offered to students on **Thursday, November 12, 2020**, in the morning. In terms of the ACT, there are few options for students. First, the ACT will be offered during the school day on **\*Tuesday, March 2, 2021**, to students. Second, students can register to take the ACT on one of the upcoming national test dates: **\*December 12, 2020, and \*February 6, 2021**.

Registration for both dates can be done online at [act.org/register](http://act.org/register). See the attached page for information on the registration timeline, fees, and test centers. Due to COVID-19, a large number of colleges and universities have moved to a test-optional application process. This change allows students to meet early application deadlines in the fall without requiring the submission of ACT or SAT scores.

If you or your student(s) have questions, concerns, or need assistance registering for a national test date, please do not hesitate to contact me at [estupke@isd698.org](mailto:estupke@isd698.org) or 218-476-2285 ext. 70211.

Take care,

Emma Stupke  
Floodwood School  
School Counselor

**\*Testing dates and locations are subject to change**

**National Test Date Timeline:**

**Exam: December 12, 2020**

Registration Deadline: November 20, 2020
