Dear Cozad Youth and Parents,

I am excited to start up the Maker Youth Basketball Program (MYBP). The first step of the MYBP is for the 1st -3rd graders or the Mini Makers. I am excited to start to work with the Cozad youth to improve and grow our program into a competitive group at the high school level year in and year out. This program will start with the focus on the basic fundamentals of dribbling, passing, defense, and shooting. Most importantly we want to instill a passion for the game, so your kids will WANT to get out and play basketball on a daily basis. Along the way, we will be teaching important life skills. This camp will take place at the elementary school gym.
