

New Town Public School Student Acceptable Use Policy

As the parent or guardian of this student, I have read the New Town Public School District #1 Acceptable Use Policy for technology. I understand this access is designed for educational purposes; however, I also recognize it is impossible for PROVIDER or NTPS to restrict access to all controversial materials. I will not hold NTPS responsible for materials acquired by my child on the internet or network. I hereby give permission for my child to have access to technology and the Internet.
