

FFK – Suspension and Expulsion

Definitions

For the purposes of this policy:

- *School property* is defined as all land within the perimeter of the school site and all school buildings, structures, facilities, and school vehicles, whether owned or leased by the District, and the site of any school-sponsored activity.
- *Suspension* includes in-school suspension from classes as well as out-of-school exclusion from school classes, buildings, grounds, and activities.

Suspension/Expulsion Authority

The Board hereby delegates to the Superintendent and each principal the authority to deal with disciplinary problems in his/her school, including suspension and recommendation for expulsion of a student. Suspension shall not be imposed beyond the maximum duration permitted by law.

The Board designates the Superintendent to serve as the hearing officer for expulsion hearings except as delineated below unless not qualified to serve as defined in board regulations. In such cases, the Board shall appoint an alternative hearing officer. The hearing officer may expel a student for conduct that violates this policy after providing notice and a hearing as set forth in board regulations. When the hearing officer is someone other than the New Town School Board, the student may seek a review of the hearing officer's expulsion decision by the Board based on the record of the hearing.

Hearings conducted to expel a student for possessing a firearm on school property or at school functions must be conducted by the school board itself. Expulsion hearings for possessing other weapons may be conducted by a hearing officer.

Expulsion shall not be imposed beyond the maximum duration permitted by law.

Conduct, including but not limited to the following, exhibited while on school grounds, during a school-sponsored activity, or during a school-related activity is subject to suspension or expulsion:

7. Behavior that is detrimental to the welfare, safety, or morals of other students;
8. Truancy;
9. Offensive and vulgar language, whether or not it is obscene, defamatory, or inciteful to violence, where it is disruptive of the educational process;

Suspension or Expulsion of Students with Disabilities

Suspension or expulsion of students with disabilities must comply with the provisions of the Individuals with Disabilities Education Act. Because the District does not provide services to regular education students who are suspended, it shall not provide services to special education students who are suspended ten school days or less during the school year. Special education students who are suspended for additional periods up to ten consecutive school days for separate acts of misconduct shall be provided services in accordance with law as determined by the building principal in consultation with the student's special education teacher.

The District is not required to refer a regular education student who has been suspended for violation of school rules and/or district policy for special education assessment and evaluation to determine if such a student might have a disability. A suspended regular education student is not entitled to reinstatement to classroom and campus privileges pending any assessment and evaluation that is to be made during the term of the student's suspension.
