

FGCA – Search of Lockers

The District retains ownership and control of all lockers. Access to all lockers is a legal right of school officials whose responsibility it is to protect the health, safety, and welfare of all students enrolled. Students shall have no reasonable expectation of privacy when using lockers. Student shall be given advanced notice of this policy through student handbooks or another form to notification.

Lockers may be subject to suspicionless searches, inspections for purposes such as routine maintenance, or searches where there is suspicion that locker(s) contains objects/substances that are illegal, violate school policy, or may be detrimental to the health, safety, or welfare of district students and staff.

Search Procedure

When a locker is subject to a search, the principal should be accompanied by at least one other school staff member.

Students' personal items stored in lockers such as, but not limited to, book bags, purses, and coats shall not be searched unless there exists reasonable suspicion that they contain an object(s) or substance(s) in violation of school rules/policy, the law, or which may be detrimental to the health, safety, or welfare of enrolled students.

The Superintendent should be notified whenever a search has been conducted if the Superintendent was not involved in the search.

Use of Trained Dogs & Involvement of Law Enforcement

Trained dogs may be used to smell the outside of students' lockers. If the dog detects the possibility of objects/substances that are illegal or violate school policy, the principal/superintendent shall search the locker in accordance with the search procedure above.

In the event a police officer or other law enforcement officer is to conduct a search of a student's locker, probable cause is necessary unless the search is school-initiated and would pose a safety threat if conducted by school staff.

Illegal substances found in lockers will be turned over to proper authorities.
