## New Principal Makes Changes For Future

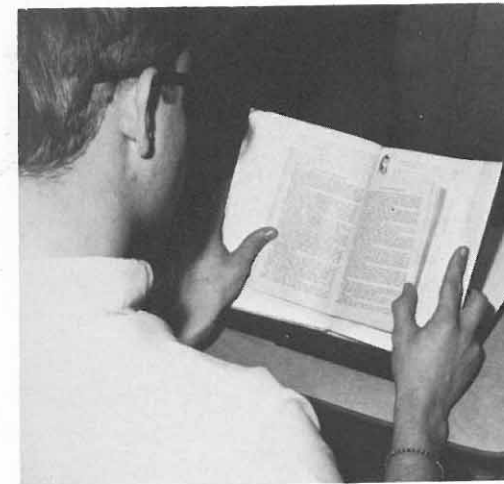

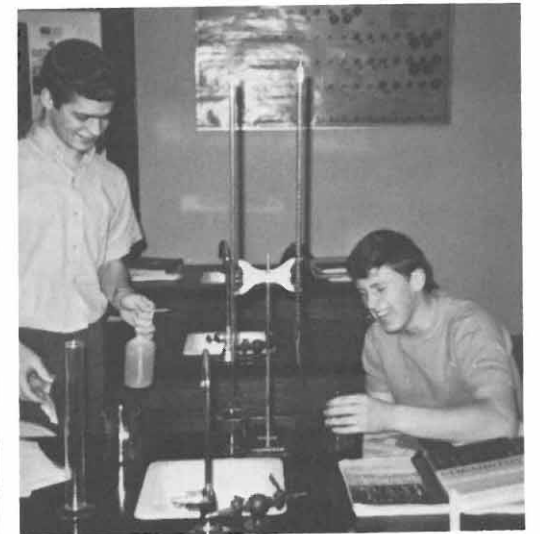

Mr. John S. Crum came to Hillsboro High School this year as the new principal, a spot which Mr. Nick Klaassen had vacated after thirteen years of service. Mr. Crum was born and grew up near Detroit, Kansas, and was graduated from the Council Grove High School. He received his college education at KSTC of Emporia.

Mr. Crum's previous career includes social science and biology instructor at Dwight High School, Superintendent of Schools at Roxbury, and High School Principal at Williamsburg, Kansas.

Mr. Crum has many plans in the making for changes and improvements in the curriculum for the coming years. He would like to do away with formal study halls so that more courses can be offered, offer independent study courses, provide more vocational offerings for non-college bound students, broaden the curriculum for college bound students, and begin girls' interscholastic sports on a limited scale. Mr. Crum also feels the philosophy of the high school should be changed from strictly academic training to experiential training so that students may have a better chance to experience their chosen vocational field. Both the community and students of Hillsboro High School can look forward to some progressive years in the school system in the future.

## Board Of Education Takes A Closer Look At The Educational Program

The Board of Education has been looking closely at the educational program and has been working hard to improve it. Following are four outstanding aspects of the educational program that the board has promoted.

### SCHOOL DISTRICT REORGANIZATION

Considerable time and effort were devoted to enhance school district reorganization with the hope of more fully achieving the purpose of unification.

### NORTH CENTRAL EVALUATION

This year Hillsboro High School was

again due to have another North Central Evaluation made, which had for its purpose the improvement of instruction.

### EXPANDED CURRICULAR PROGRAM

Several new or extended courses were introduced to enrich the offerings and to provide a broader educational program.

### COMPREHENSIVE EDUCATIONAL SURVEY

A comprehensive educational survey conducted jointly by the board and the P. T. A. under the directives of consultants from K. S. T. C. Emporia, set forth desirable educational goals.

## Kliewer Terminates Services As Superintendent

Mr. H.B. Kliewer, after serving in the Hillsboro schools in various positions for twenty-one years, has terminated his services as superintendent. He came to Hillsboro as the High School Principal in 1948. In 1955 he became the Superintendent of District 82, and of U.S.D. 410 ten years later.

During the time Mr. Kliewer has served here, many accomplishments and improvements have been made. The High School Annex was built and the local Teachers Association was formed in 1953. School bus transportation was set up in 1960, the Elementary School building was erected in 1961, and the Board of Education Central Office was set up in 1966.

Mr. Kliewer has been an asset to Hillsboro in helping to achieve unification and the many other improvements that have been made in the school system. His time and efforts have been greatly appreciated.

One would see a group of about twenty people in Room 11 of HHS on a Tuesday morning. These are the people who make learning a reality at Hillsboro High School. By listening to one of these Tuesday morning discussions, one would find that these men and women are concerned about HHS and the problems that confront it. As the 8:30 bell sounds, these teachers begin another school day. Each presents the lessons he has prepared in an effort to increase the wisdom of U. S. D 410's youth. His day does not end, however, at 3:30. There are papers to grade and more lessons to prepare. For some teachers there are club activities to be directed, teams to be coached, and students to be helped. This is the day of the HHS teacher.

Mrs. Steinle sells lunch tickets, keeps school records, and makes herself willingly available for anyone who needs help. Mr. Reimer, better known as "Carl", empties the wastebaskets, mops the halls, and keeps Hillsboro High free from dirt. Mr. Unruh performs maintenance tasks such as fixing chemistry

lab faucets, and helps set up chairs for school activities. The cooks arrive at school before the students to prepare lunch. The office monitors spend their study halls in the office helping Mrs. Steinle by collection attendance slips and doing other jobs.

# Seniors Look To The Future

High school days pass quickly, and the life which we lived here soon becomes a memory. The senior year has long been anticipated and marks the end of twelve years of growth and learning. It is a time for pride in one's achievements and accomplishments. It is a time of recalling the high points of, and taking a closer look at, the twelve years spent in gaining wisdom and knowledge. It is a time of

remember - the past.  
Yet graduation is not an end in itself but a beginning. It is a time not only for remembering the past, but for looking eagerly to the future. And so, confident that our learning will serve us well, we look with anticipation to what the future will bring.

## Finished — Yet Beginning

May 27, 1969, marked the end of four years of high school education for sixty-six Hillsboro seniors. Rev. Sig Polle presented the Baccalaureate sermon "Look Above The Sun." The Mixed Chorus sang "Choose Something Like A Star" and "Eternal Life."

The seniors marched in to the traditional "Pomp and Circumstance" on commencement night. Dr. James Edward Doty,

President of Baker University presented the address, "The Time Of Your Life." Mr. John Crum presented the class and Mr. Kenneth Bruce awarded the diplomas.

Carey Johnson was the valedictorian and Krista Suderman was the salutatorian. Honor students included Christie Ediger, Grace Goertz, Barbara Guhr, and Kathy Penner.

Seniors are measured for hat sizes.

## In Memory Of Daryl Hanneman

Daryl passed away on October 30, 1968, after a brief illness. His absence has been keenly felt by his classmates. The following was one of Daryl's favorite songs.

"Goodbye, World Goodbye"

I told my troubles goodbye  
Goodbye to each tear and each sigh.  
This world where I roam cannot be my home,  
I'm bound for that land in the sky.

I walk and I talk with my Lord!  
I feast every day on his word.  
Heaven is near and I can't stay here  
So, goodbye, world, goodbye.

Now don't you weep for me when I'm gone  
For I won't have to stay there alone.  
When I hear that last trumpet sound  
My feet won't stay on the ground.

I'm gonna rise with a shout, gonna fly!  
Gonna meet with my Lord in the sky.  
Heaven is near and I can't stay here  
So goodbye world, goodbye.

## Juniors Earn Proceeds From Play

The junior class, now members of the upper-classmen, became more involved in school activities and organizations. They took on more responsibilities as they served as officers of clubs and as they planned more definitely for their future.

"Heaven Can Wait" was the title of the play sponsored by the junior class to raise money for the Junior-Senior Banquet. Their responsibilities included advertising, ticket sales, and ushering.

No longer the youngest and most inexperienced members, the sophomores were glad to enter their second year of high school. They had more freedom to choose their subjects than they had had in the past, but with this freedom came more responsibilities and obligations. The sophomores also took a greater part in the activities and organizations.

# Freshmen Look Forward To Coming Years

Most freshmen were excited and a little apprehensive about entering high school. They were initiated into high school life at the annual fall mixer following the intra-squad football scrimmage.

One of the highlights of the year for the freshmen was learning to drive. They looked forward to completing the six-hour course in driving and receiving their restricted licenses.

## Mixed Chorus Takes Concert Tour

In addition to fall and spring concerts, the Mixed Chorus presented a Christmas cantata and a religious concert. The Chorus also provided music for Baccalaureate and Commencement. A I rating was received at contest.

A pancake feed was sponsored by the group to help finance a concert tour. The Chorus took chartered buses to present a concert at Bushton. They then continued on to Fort Hays State where they presented another concert, toured the campus, and listened to a mixed chorus practice session.

The chorus presented a religious concert at Easter time.

The highlight of the year for the band members came in January. The band marched in Governor Docking's Inaugural Parade and attended the Inaugural Ceremony.

The twirlers attended a Twirling Clinic at WSU during the summer. They learned new twirls and techniques which aided them in doing a good job throughout the school year.

STUDENT DIRECTORS: C. Reimer, Mr. Irick, band director, K. Groening, K. Suderman,

## Pep Band Entertains At Home Games

The pep band helped to liven up pep assemblies and provided half-time and between game entertainment at home basketball games. The student directors took turns leading the band at assemblies and home games. "Boosting the Old High" and other college and popular songs were among the band's repertoire.

Late in the season the new uniforms arrived. They consisted of white turtlenecks, white letter sweaters, and maroon skirts for the girls. The arrival of the uniforms had been long awaited and improved the appearance of the group.

## Student Council Sponsors Student Exchange

The Student Council again sponsored the annual Homecoming Events as it has in past years. The crowning ceremony, a reception following the crowning, dress-up day, and the parade were planned by the Student Council.

For this year's money-making project, Stuco members sold ball point pens with

the "Hillsboro Trojans" on them. The Student Council also put a double hanging clock in the upstairs hall in memory of Daryl Hanneman. In behalf of the student body, the Student Council contributed to CARE. Stuco sponsored a student exchange program between the Hillsboro and Peabody Student Councils.

## New Pep Club Is Organized

The Pep Club was newly organized this year and members were called the Trojan Boosters. The objectives of the club were to promote a constructive school and team spirit, and to further develop good relations among faculty, students,

teams, and spectators.

During basketball season, the club had a Bunco party with the team as guests. "Grodey Day" was sponsored in March as a money-making project.

Mike enjoys the game in comfort.

"Grodey Day" proves to be a successful money-making project.

A-TEAM. Vickie Ebel, Debbie Ebel, Becky Gustafson, Kris Dalke, Shirley Delk.

## Cheerleaders Attend Clinic

Both the A and B Team cheerleaders have worked hard to lead the student body in support of the Trojan teams. They have worked with the Pep Club in putting up posters and presenting skits at pep assemblies to generate more school spirit and enthusiasm. During the school year, the girls attended a Cheerleading Day at Kansas State University. There they learned new cheers and, with several hundred other girls, participated in cheering during the half time of the Oklahoma-K-State game. They have done a good job throughout the year of giving their enthusiasm and energy to support the Trojans in their athletic battles.

## Hi-Y Solicits For Cerebral Palsy

The Hi-Y emphasized their purpose of helping others by soliciting for the Cerebral Palsy Fund. The club also kept with its ideals at a fall meeting in which John Bower spoke to the club on government and elections. Steve Kimery presented another program, his topic being the values of physical education. At a third meeting Herbert Wiebe showed slides of his recent trip to Europe. These and other interesting meetings were held throughout the year.

Four Hillsboro Hi-Y members represented the Hi-Y club at pre-model legislature in Wichita. Mr. Penner accompanied Bob Pankratz and Don Peters to model legislature in Topeka. Much time was spent preparing for these mock legislatures.

In spring the Hi-Y sponsored a roller-skating party to which they invited the Y-Teens.

## Y-Teens Practice Thoughtfulness Through Secret Pals

One of the highlights of the year for Y-Teen members was the slumber party held in the gym early in the fall. Several of the members attended the Fall Conference where Billie Utting was elected the ICC Representative for the district.

Y-Teens practiced thoughtfulness during the year through a secret pal exchange. Names were revealed at the Valentine Party.

Several Y-Teens presented melodramas for an entertaining meeting.

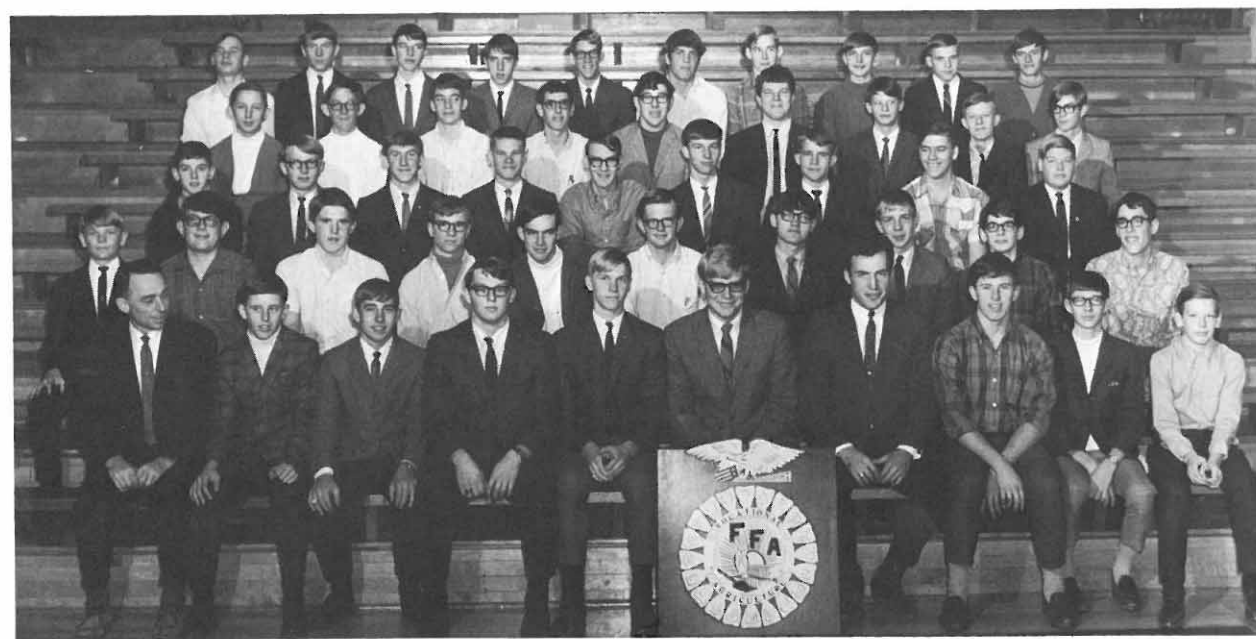

Several FFA members represented Hillsboro at the District and State Poultry, Dairy, and Farm Mechanics judging contests, and the State Livestock Judging contest. Hillsboro participants rated well in all of these events. The last week in April, several FFA boys attended the State FFA Contest and Convention in Manhattan.

As a club, the FFA took an airplane trip, flying over parts of Marion County to observe various forms of conservation. An all-school assembly was given to inform the student body of proper parliamentary procedure and safety practices. The annual Parent-Son Banquet was held in May. In addition to displaying their projects, Randol Duerksen was named the Chapter Star Farmer.

## Future Homemakers Of America Present Style Show

Throughout the year, the FHA has been busy learning new things. Demonstrations on hair styles and make-up application, modeling, and making Christmas poinsettias were just a few of the opportunities for learning. Several members from the chapter enjoyed the District G Fall Conference at Sterling. The FHA's cake sales helped them earn money.

The highlight of the year was the FHA-sponsored salad supper and style show. Using members as models for the fashions supplied by Edie's Fashions, and as workers to help the Hillsboro Floral Shop decorate for "Design America," it was considered a special attraction of the year.

Barbara Pankratz and Naomi Vogt model at the spring style show.

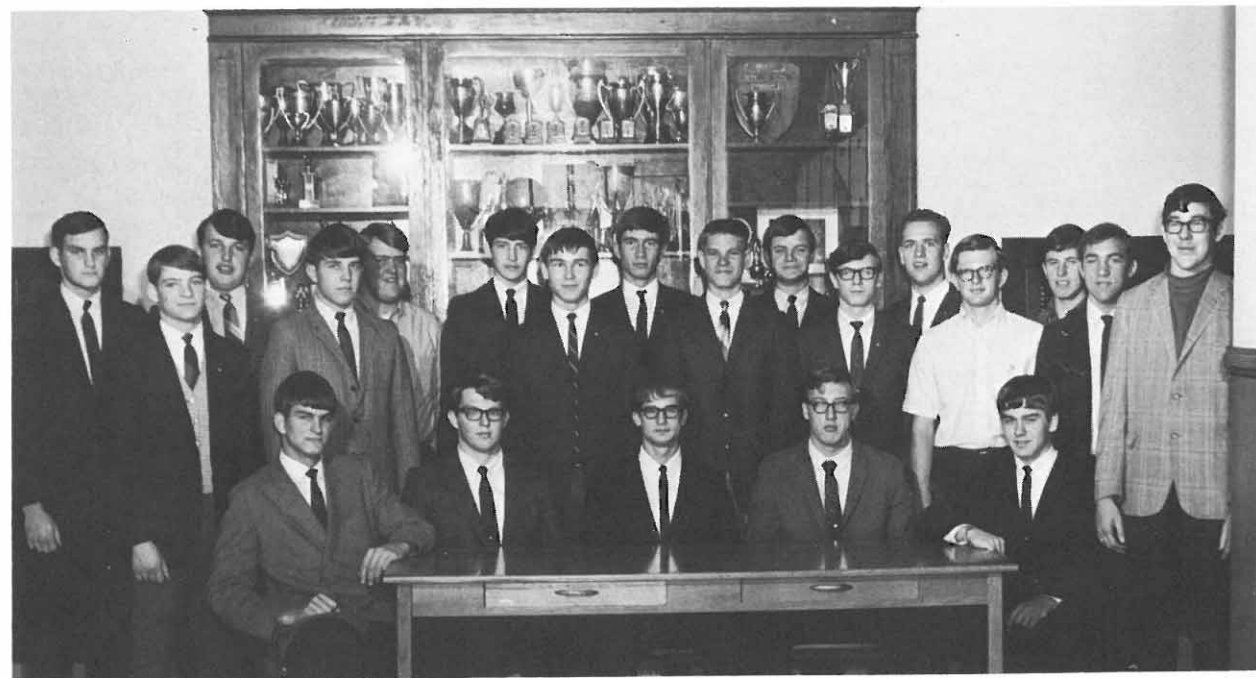

Intramural All-Stars couldn't match the faculty's speed and ability.

One of the most interesting events of the year for H-Club members was attending the Big Eight Tournament in Kansas City. Other activities of the club included initiation for the new lettermen and several fun nights throughout the year.

The H-Club hosted the teams at the 2A Regional Tournament held at the Tabor Gymnasium and sponsored Dad's Night at one football game in the fall. They also sponsored the Intramural All-Star Game against the faculty which the faculty won.

The Girls Athletic Association started out the year with a bake sale. Part of the money earned was used for a skating party at McPherson.

The girls basketball and volleyball intramural games were sponsored by the GAA. Four teams, including the faculty, competed in the basketball games.

Meetings throughout the year included a valentine party where valentines were made and sent to boys in service. Several girls presented exercise and mod-

eling tips. In May, the Club sponsored a fun night with games and homemade ice cream. The last meeting was a farewell for the senior GAA girls. A kangaroo court was held and seniors were convicted of and punished for misdemeanors they had committed.

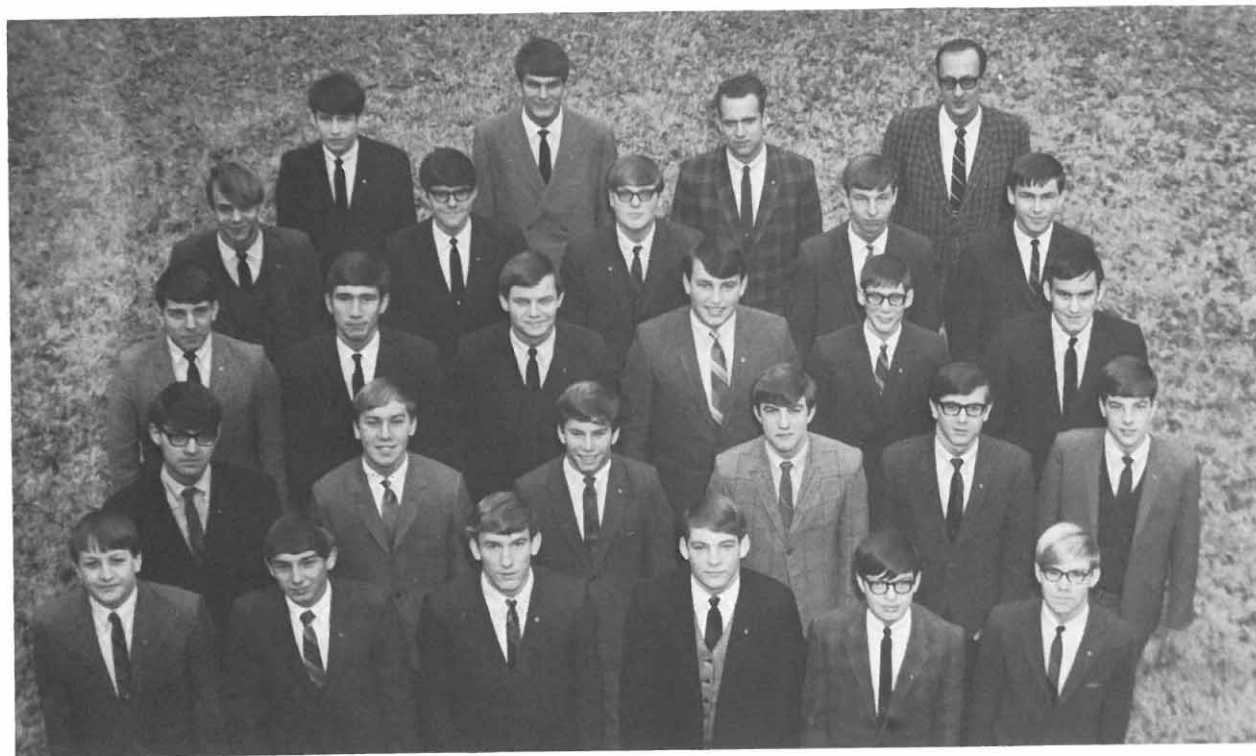

The biggest event for the GAA girls was the banquet held late in the year. The theme was "Swing With Spring," and a Tabor musical group provided entertainment.

## Key Club Receives Trophy For Scrapbook

As a service to the community, the Key Club constructed a sign that encourages visitors to Hillsboro to attend the church of their choice, set up a safety patrol to assist grade schoolers in crossing at intersections, and made a scoreboard for the new baseball diamond. The Key Club sponsored a Teachers Appreciation Day by honoring the faculty with flowers. The club will present a fifty-dollar scholarship to an outstanding senior who is not a Key Club member.

## Trojan Staff Improves Yearbook

Staff members work on the layout for the advertising section.

The TROJAN staff held a chili supper before and after a football game early in the fall to raise money for a bigger yearbook. The chili supper, the sale of ads, and the sale of yearbooks to students provided the necessary funds. Twenty-eight pages and many more pictures were added to the plans for the 1969 TROJAN. The staff worked hard to improve both the size and quality of the yearbook.

## ORACLE Goes To Press Six Times During Year

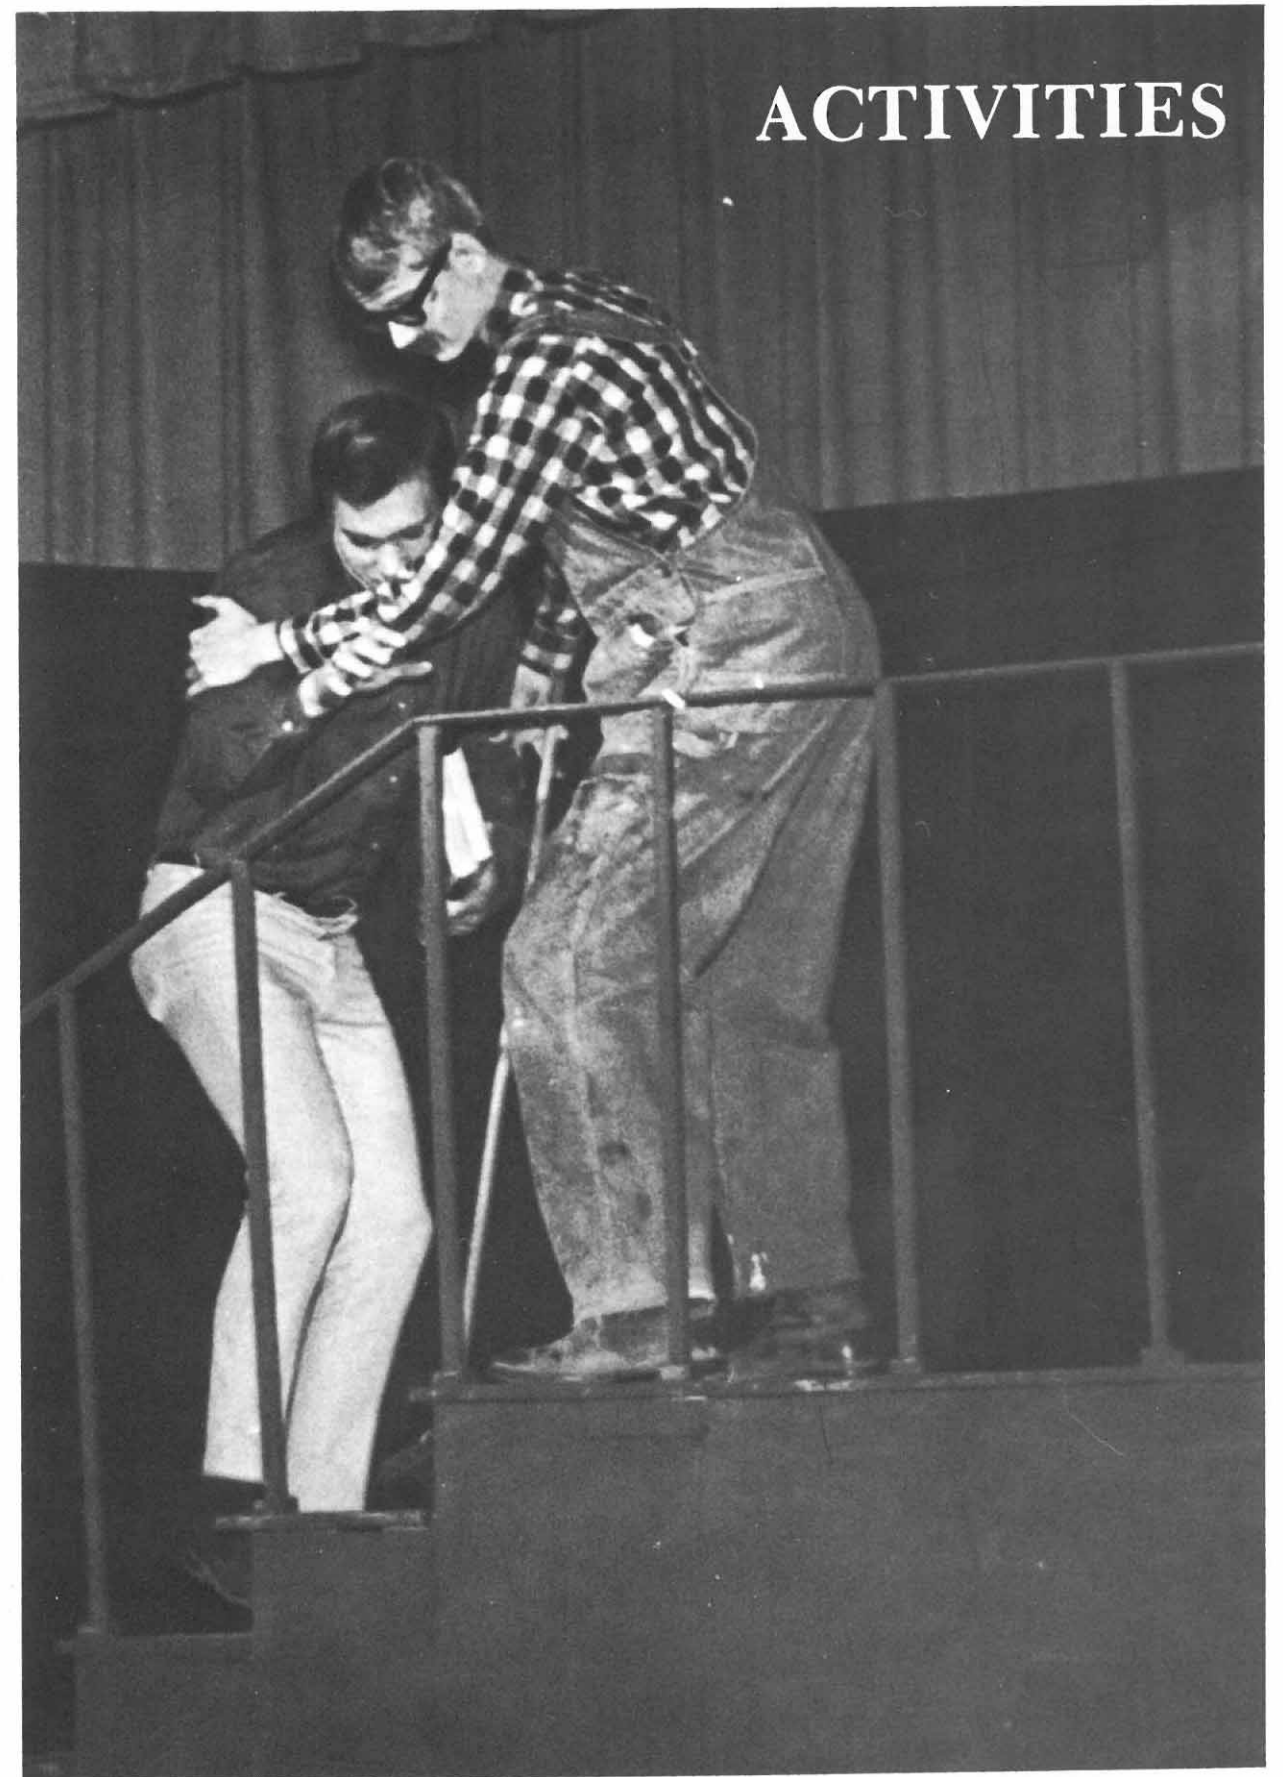

Six issues of the ORACLE came off the press and into the hands of students this year. Editor Susan Wiebe supervised the reporters and typists in getting copy in on time and the layout staff in getting the paper to the press before the deadline.

The ORACLE staff showed two films, "Ten Little Indians" and "A Friendly Persuasion," to the students as a money-making project. Several members of the staff attended a workshop at Kansas State early in fall.

Susan and Clyde finish the layout for the final issue of the ORACLE.

## ACTIVITIES

## Queen Crowned In Traditional Ceremony

The 1968-69 Homecoming festivities began the week of October 7. Both classes and organizations began work on their floats Monday evening. Wednesday the student body voted for their choice for the 1968-69 Homecoming Queen from among the four Senior contestants.

The Homecoming ceremony was held Thursday evening. The master of ceremonies was Mr. Don Wipf and the guest speaker was Mr. Larry Lady, past basketball coach of HHS. The highlight of the evening came when Naomi was crowned the 1968-69 Homecoming Queen by Honorary Football Captain Jeryl Mohn. A reception was held after the ceremony honoring Queen Naomi and her court.

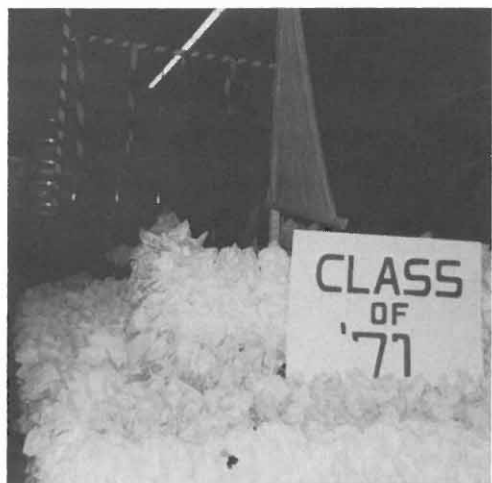

The annual Homecoming Parade was held Friday afternoon. A short pep assembly was held following the parade to boost the Trojans to a victory over Centre in the game that evening. The High School Band presented the show "Music to Watch Girls By" at half-time of the game. The Trojans fought hard, but were defeated by the Centre Cougars.

## Heaven Can Wait Presented In Fall

The comedy "Heaven Can Wait" was presented in November. The play centered around Joe Pendleton, a prize fighter who died sixty years before his time. Mr. Jordon discovers the mistake while checking passengers on the plane for the Hereafter. Joe's body has been cremated, so Mr. Jordon must search for another body for Joe to live the rest of his life in.

## Students Present Serious Drama

"The Remarkable Incident at Carson Corners," a serious, hardhitting play, was presented in the spring. The students did an excellent job of portraying the involvement of the entire community in the death of a student. When the people of the community are invited to a surprise "entertainment", they find that the young people have staged a mock trial. They are shocked into silence when they realize the students are deadly serious. The trial, meant to fix the responsibility for the death on one man, reveals that the entire community is involved and shares the responsibility.

The cast included Stuart Penner, Janet Walter, Vickie Ebel, Allen Regehr, Billie Utting, Donnie Schmidt, James Kroeker, Dana Peters, Galen Eitzen, Alvin Epp, Carolyn Klassen, Aleen Ratzlaff, Kim Washmon, Naomi Vogt, Sandy Walter, David Froese, Susan Loewen, Clyde Seibel, Don Penner, Susan Wiebe, Scott Bartel, Charles Unruh, Teresa Enns, Kathy Olson, Shirley Klassen, and Jim Nickel.

Play cast members from both plays presented during the year elected Scott Bartel as Best Actor and Aleen Ratzlaff as Best Actress.

"Finished with those erasers now?"

"He fell all the way down."

"You touch him and I'll break your head open."

ONE-ACT PLAY CAST: L. Vogt, S. Bartel, G. Eitzen, C. Kelley, B. Utting, A. Epp.

"All three were engulfed in a treacherous bog."

## Seventeen Participate In Forensics

The one-act play, which received I ratings at the district and state contests, was "The Open Window". In the play, Framton Nuttel, a nervous relative, is frightened away by Vera's fantastic story about the expected return from

hunting of her aunt's supposedly dead husband and son.

At district contest four of Hillsboro's presentations received I ratings. Eight forensic participants were given II ratings. One III rating was received.

Those who got I ratings at district contest were allowed to perform at state contest. Shirley Klassen received a I for her presentation at state contest. Alvin Epp and Susan Loewen's duet acting was given a II, and Kathy Olson and Janet Walter's, a III.

The Best All Around Speech Student, chosen by the speech and drama students and participants, was Alvin Epp.

FORENSIC PARTICIPANTS, FIRST ROW: K. Olson, C. Seibel, S. Bartel. SECOND ROW: P. Stegeman, S. Klassen, B. Dahl, A. Ratzlaff, J. Walter, C. Bartel. THIRD ROW: T. Enns, S. Wiebe, B. Utting, A. Epp, L. Vogt, S. Loewen.

## Students And Faculty Involved In Educational And Informative Activities

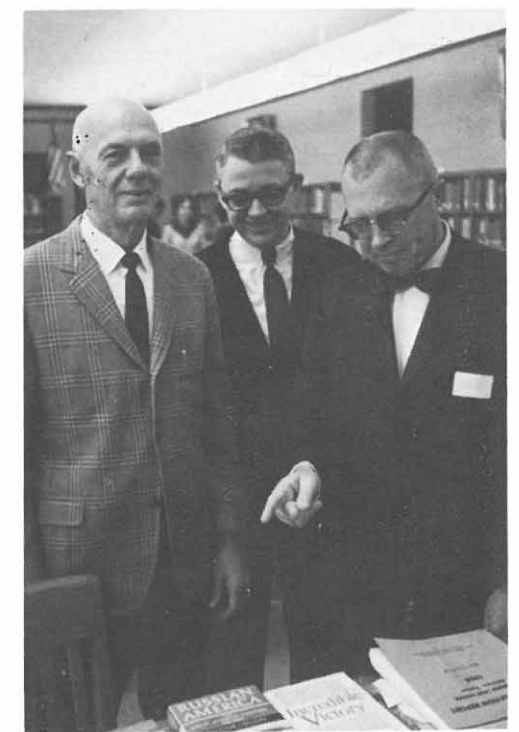

Mr. Whelchel presented "This Atomic World" at an all-school assembly.

Representatives from various colleges and vocational schools helped seniors make plans for their future on Career Day.

The H-Club hosted the 2A Regional Tournaments and cheerleaders presented trophies.

Dr. Milo Stucky discusses library facilities with Mr. Pankratz and Mr. Crum as part of the North Central Evaluation.

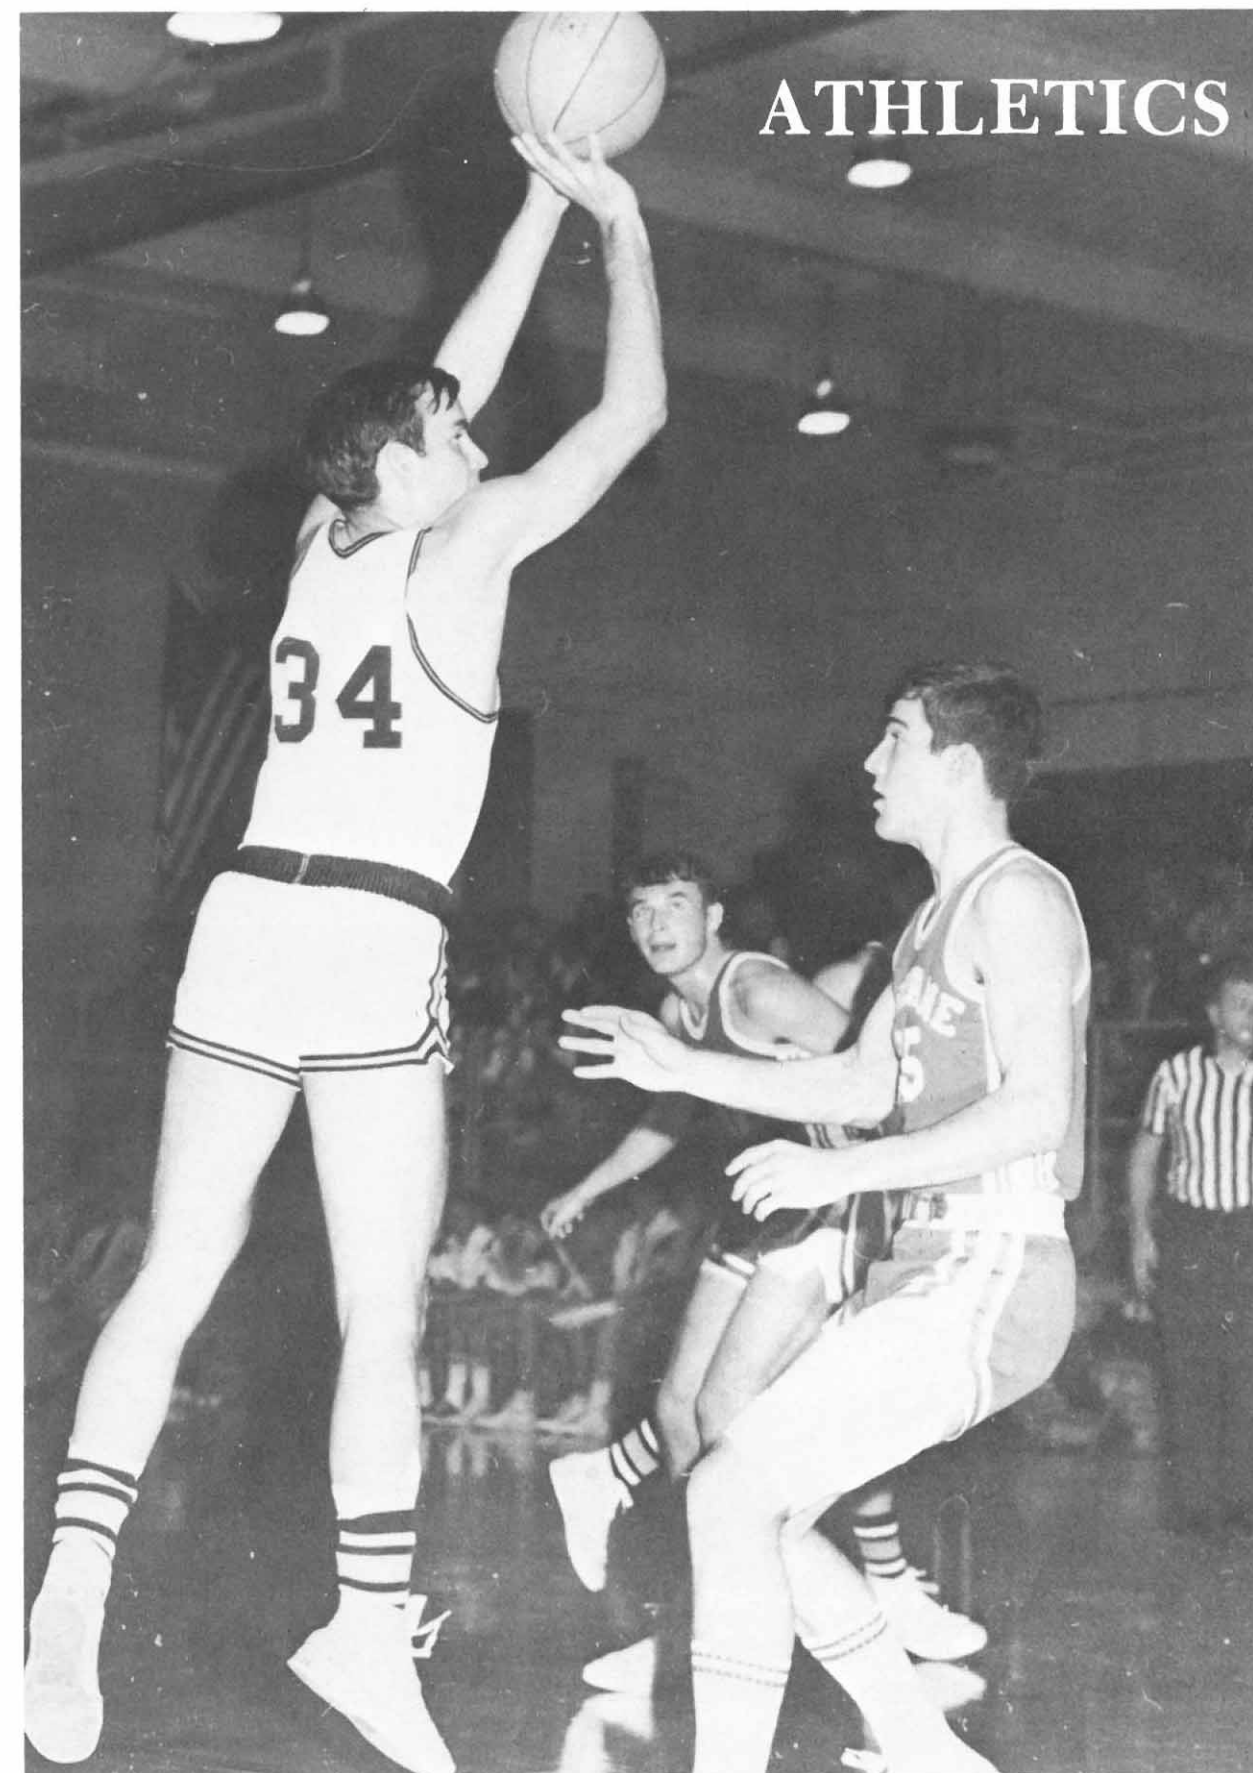

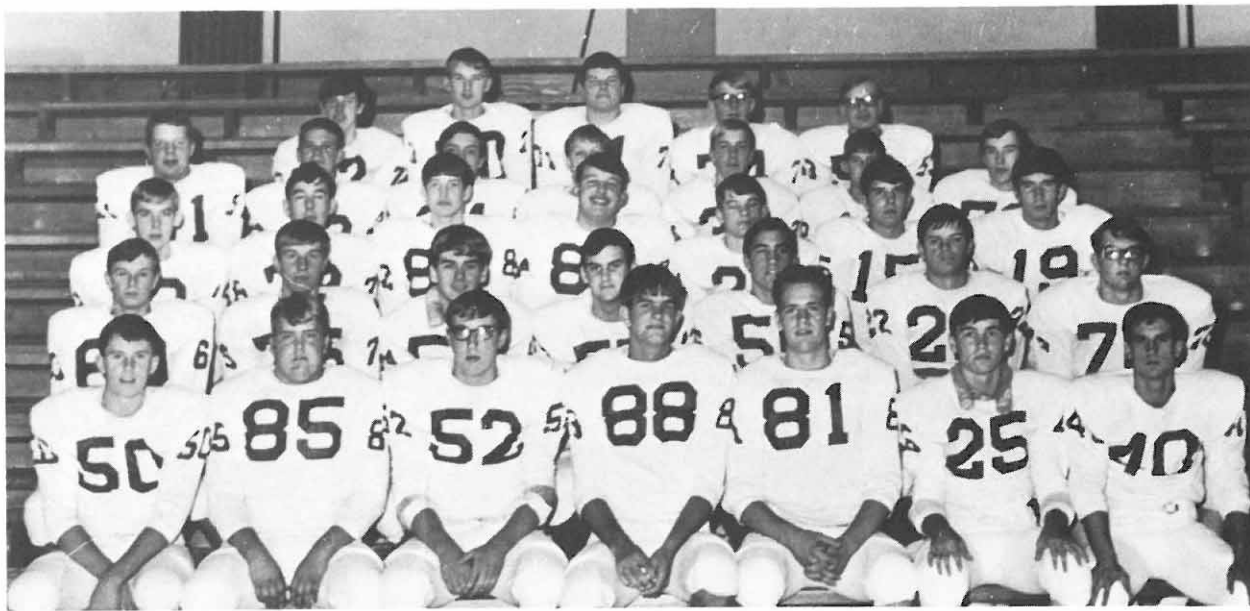

## Theme Of Junior-Senior Banquet Is "Gone With The Wind"

The annual Junior-Senior Banquet was held on May 3 in the Tabor College Cafeteria. Mr. Crum opened the evening with the invocation which was followed by a welcome to the seniors and faculty by Rick Schroeder, the junior class president. R. C. Coffelt, president of the senior class, responded with a thank-you on behalf of the seniors.

The banquet dinner followed. The virginia ham, yams, and hominy carried out the theme of "Gone With The Wind." The decorations, which included a fountain and a mural, were made by the junior class. Entertainment was provided by Randy St. Clair, a guitarist and singer from Salina. Rick closed the successful banquet with a farewell to the seniors.

## Two New School Records Set

Allan Ollek places second in the 100-yard dash.

Thirty-three boys went out for track this year, five of them seniors. Fourteen of the thirty-three lettered in one or more events. Mr. Balzer worked hard with the team and they showed much improvement over last year.

Two new school records were set by senior lettermen. Milford Klaassen broke the school record in shot put with a throw of 54' 10 1/4". Stan Utting set a new record in the high jump with a jump of 6' 3".

## Golf Team Does Well In Meets

Eight boys went out for golf which was offered for the first time this year. Mr. Kern coached the team which competed

in four meets. They did very well in competition, winning two first places, one second place, and one third place.

## Intramural Games Provide Competitive Fun

Intramural games were held throughout the winter for those boys interested. Elmer Funk's team won first place in the tournament while second place went to Bob Pankratz's team and third place to Don Peters' team.
