# SUMMER

## Work, Fun and Sun Make Summer Enjoyable

Summer. Freedom from books, tests, and reports. But there are other rules and regulations to follow. Football players must condition themselves, and the same goes for the cheerleaders and band members. Long, hard hours are spent practicing and perfecting their skills.

Other kids work also. Some carried our groceries for "crabby old

ladies", while others plowed fields, and some just maybe mowed the lawn.

Summer is never all work. That swimming pool or the reservoir sure feels good on a 97 degree day. And at night, well, baseball can't be beat.

Being free, learning to know yourself, and being with others all make summer one of the nicest times of the year.

The freshman began their four years of high school on the receiving end of a StuCo-planned initiation. Friday, December 14 saw the freshmen taking a test over the school song, whistling the Star Spangled Banner, proposing to upperclassmen, composing poems, and tying shoelaces, just to name a few. At the mixer after the game, the freshmen wore diapers and those with senior brothers or sisters were fed baby food.

# Sophomores Enjoy More Freedom

No longer freshmen, the sophomores found themselves actively involved in HHS life. Positions on the sports teams, singing in vocal groups, and participating in drama events were all part of their busy schedule.

Being free to pick the courses taken is another aspect of the sophomore year. Biology (and P.J.), geometry, and typing were common choices.

# Magazines Help Juniors Attain Goal

The Junior class began their year by selling over \$3,000 worth of magazine subscriptions, more than any previous class. As a result, the class won a waterbed. One waterbed to 69 juniors proved a little impractical,

so the class sponsored the movie, "Bless the Beasts and the Children", after which the waterbed was auctioned off for \$35.

To end the year, the juniors planned and put on the Jr.-Sr. Ban-

quet.

## Foreign Students Get Taste of HHS

For the first time in HHS history, the Student Council sponsored three foreign students.

Astrid Arevalo (below left), Guatemala City, Guatemala, gained secretarial experience by working at the Chamber of Commerce office. She returned to Guatemala in December to attend classes at a university. Astrid stayed with the Art Suderman family.

Daniveo Salvucci (below right), Campinas, Brazil, took an active part in school athletics by participating in intramurals. Dan stayed with the Norman Abrahams'.

Martha Pineda (right) was a senior from Barrancabermeja, Columbia. While at HHS, Martha studied three languages—French, German, and English. She stayed with the Henry Born family.

## Problems Debated by Board

The school board discussed many items such as a walkway between the East and West building, carpeting the front hall, and building additional tennis courts, but no further action was taken. The board held regular monthly meetings to discuss problems and the affairs of the school district.

BELOW RIGHT: Art Balzer, counselor, goes over one of the many test scores given throughout the year. BELOW LEFT: John Crum, principal, enjoys reading the *Oracle* in one of his few spare moments. RIGHT: Keith Bray has completed five years as superintendent of the district's schools. He served as moderator between the board and the students, teachers, and principals on many occasions.

## HHS Employees Brighten School Life

Without the staff of HHS, nothing would get accomplished. Vernon Sohm, maintenance man, has spent a great deal of his time trying to keep the school in top shape. The cooks work hard to prepare good, healthy meals that the kids will like, which is almost impossible. The janitors were always around to clean up after classes, activities, and special events.

RIGHT: Janitors George Nelson, Harry Hein, and Dale Hadley found time to exchange ideas while the students were in class. Mrs. Angie Sohm, HHS' first lady janitor, is not pictured. BELOW: Mrs. Bena Stelling, head cook, Mrs. Wilma Schmidt, and Mrs. Lucilla Funk spent busy mornings preparing meals for students and teachers. It takes time to figure out a way to fix government commodities in a tasty way. Mrs. Tabea Herdt, another cook, is not pictured.

## Job Classes Stress Individual Work

Industrial arts students work at their own speed on projects including desks, dressers, bedheads, tape cases, and lamps. Students fill in study guides and read in textbooks.

A semester each of metals and electricity were offered by Truman Diener, Vo-Ag instructor. Vo-Ag I and II spent time on soil conservation; III and IV spent time on beef, swine, and crop production. The Vo-Ag IV students built a barn.

The title of auto mechanics was changed to Pre-vocational Power and Energy. This allows the students to study all kinds of power. "In reality, the whole program should be called archeology—trying to get out from under a lot of dirt," said Herb Zook, instructor.

## Home Ec Presents A New Class

A number of changes were made in the Home Economics department. A change of cooking teachers was one. Mrs. Jesse Goertz quit at semester time, and Miss Ann Becker taught the remaining year. Miss Becker's classes went to Manhattan for an Open House Hospitality Day.

Mrs. Louise Balzer taught a class about child care along with her regular classes of sewing and wedding plans.

## Business Class Adds New Equipment

Clerical Records and Personal Finance were the new courses offered in the Business department. The Personal Finance class simulated the purchase of stocks and watched them rise or decline.

The department added several new machines for the classes to use such as an electronic calculator, ditto machine, and an adding machine.

The Business department increased with more classes offered.

## AHG Workshop Sponsored at HHS

Team teaching was eliminated this year so both Jim Stotts and Harvey Foyle taught separate classes in American history and government. This gave the students a wider range of courses they could select. A new class, Teenage Rules and Rights, was added to AHG.

Thirteen students went to Emporia State Teachers College one Saturday to attend a social studies seminar.

The psychology class had Albert Johnson, a retired local resident, talk to them on water witching.

Both teachers sponsored a workshop in which social studies teachers exchanged different ideas to improve classes.

## Science, Math Strive Towards Relevance

Science and math strived to become more relevant by adding courses and altering others.

The biology classes recorded a plant collection of over 140 species in Marion County. Paul Jantzen, science instructor, hopes a new section called Crisis on Planet Earth will help the students relate what they learn to today's problems.

Earth science was set up on the quarter system. Field trips included a visit to the Wichita Weather

Bureau, Kansas State Teachers College, and the University of Kansas.

A computer demonstration by Wichita State University was given for the students in senior math, physics, and chemistry. Algebra O, taught by Mrs. Janet Voth, was added to the curriculum.

## Phys Ed Schedule Changed

A change in the scheduling of P.E. classes left only one hour in which both boys and girls had P.E. at the same time. All other P.E. classes were either all boys or all girls.

Field hockey and speedball were introduced this year along with the regular activities of bowling, volleyball, wrestling, badminton, tag football, tumbling, and basketball.

## Music Survey Class Heightens HHS Interest

Music survey, a new class offered this year, studied a broad range of music history. The Music department also offered a class on guitar.

Students enrolled in art learned several new types of crafting such as quilting, needle weaving, and batik. The art budget was a little larger than last year's, allowing the addition of these projects.

tion of these projects.

The band performed at all home football games, sparking enthusiasm among players and spectators. A setback was suffered at the end of the first semester with the resignation of Warren Jernstad. Fred Garlett, band instructor at Tabor College, took over at HHS.

## Class Delights in Cuban Visitors

The Spanish classes had an advantage this year with two native speaking students, Astrid Arevalo and Marta Pineda, visiting our school as foreign exchange students from South America. The Spanish I Class enjoyed a fiesta with Mrs. Tomas Guerra and her two daughters from Cuba.

French was only offered as an advanced course this year.

## Increased Enrollment In Jew In Lit Class

The English department got into full swing this year. Radio station KHHS started operation after Lon Dormer, dramatics instructor, and some of the radio announcers rewired several of the rooms. The nurse's room served as both the radio room and storage room for props.

The Jew in Literature class, taught by Mrs. Carrol Ediger, became a popular course. The class took a field trip to Temple Emanu-El and the Hebrew Congregation. The trips were quite educational and enjoyable. A typical Jewish dinner was prepared.

About 200 students have completed the Jew in Literature course from 1972 to 1974.

## Delora Adds Charm to Homecoming

As the band played the theme from "Love Story", Delora Reimer was crowned homecoming queen by her escort Kim Kaufman, Oct. 19. Senior attendants and their escorts were Viola Funk and Barry Suderman, Karen Mohn and Russ Dalke,

Brenda Simonson and Marv Schellenberg. The Little King and Queen were LeRoy Just, son of the Harold Just's and Cheryl Funk, daughter of the Lloyd Funk's.

Following the game with Herington, StuCo sponsored a rock concert.

Homecoming activities included 50's week, sponsored by StuCo and Pep Club. Tuesday was Pop and Sock It To'Em Day. Wednesday was Greaser Day. Dress-up Day in honor of the candidates was Thursday. Kids went wild on Friday, trying to put together the best 50's look.

## 'Town' is fall play

The people of Grover's Corners, New Hampshire, became real for many HHS students as the Drama department presented Thornton Wilder's Pulitzer prize-winning play, *Our Town*, November 16 and 17. The play is about a small, religious town, the people that live there, and the problems they encounter.

As the Stage Manager in the drama says, "This is the way we were in our growing up--and in our worrying and in our doctoring and in our dying."

The girls' volleyball team battled all season, yet were unable to win more than four of the nine games played.

A disappointing loss to Maize in first round regional play abruptly

ended the season.

The B-team made up mostly of first year players, finished the season with a 2-4 record.

Experience gained this year will prove helpful for next season.

## Football Highlighted By Reimer's Record

The preseason pick to win the CVL, the Trojans settled for a disappointing sixth place with a 3-4 record. Handicapped by numerous injuries, the team battled to a 5-4 overall record.

The Trojans won three of their first four games. Following a controversial loss to Council Grove, the team lost two more games including the homecoming game against Herington, and then popped back to win the last two games.

Several honors were given to members of the team, and a new school record was set. Five boys, Russ Dalke, Roger Peters, Don

Ratzlaff, Mark Reimer, and Marv Schellenberg, were named to the all-CVL squad. Mark Reimer set a new school record by passing over 1,000 yards. He also had two 200-yard games. Don Ratzlaff was voted the most valuable player by his teammates.

Although the season wasn't the best, the team members, under Coach Bernie Conway's guidance, learned skills that will help them in future seasons.

The freshmen-sophomore team split their season, 2-2.

## StuCo's Achievements Marked Firsts

A year of firsts proved the case for the 1973-74 Student Council. Led by Cyndy Simonson, StuCo worked to achieve better school relations.

In an effort to communicate with the students better, a new system of representation was worked out. In addition to the officers, class and club representatives, a student from each study hall was elected to serve in StuCo.

For the first time in HHS history, StuCo sponsored three foreign students, all from South or Latin American countries.

Special events sponsored by StuCo included the football homecoming mixer with "Angel", freshmen initiation, Sadie Hawkins Day in connection with "Li'l Abner", and the six-hour film festival in March.

Several representatives attended the CVL StuCo Conference. Other members visited Chanute High School to study the curriculum. At the request of Mr. Crum, StuCo went over the handbook in an effort to revise and update some of the rules.

## Club Collects Toys For Needy Kids

JENELL MILLER, and Sheree Penner, both freshman enjoyed

roasting hotdogs at the party at Durham Cove.

To begin the year, The Club held a sign-up party.

The Club collected toys in the "Toys for Tots" program. The toys were sent to underprivileged children in Wichita as a Christmas present.

At the party after Christmas carolling in the school neighborhood, the secret pals exchanged gifts.

Caramel apples and stationary were The Club's two money-making projects.

At a meeting later in the year, a Laurel and Hardy film was shown.

## Future Farmers Place High In Contests

The Future Farmers of America proved they knew their stuff by placing high in almost all the contests entered throughout the year.

Their Marion County Collection Booth at the State Fair was named Grand Champion. Dave Weibert, Joel Suderman, Kevin Jost, and Kim Kaufman all received blue ribbons at the county fair for their various projects.

Steve Freach, Steve Rempel, and

Delton Klassen place third at the National Poultry Contest in Kansas City. At the District Poultry Contest, Clyde Jost, Wilmer Bartel, Glenn Bartel, and Allen Miller placed third.

At the District FFA contest, FFA ranked first in three of the five divisions and second in one of the five divisions in Farm Mechanics.

On the social side, FFA sponsored a Halloween party with FHA.

## Chapter Names Honorary Member

Moneymaking projects, conventions, the spring style show, and having an honorary member were all part of this year's Future Homemakers of America.

As the only moneymaking project, the FHA sold Christmas greens. Over \$100 was earned.

Sixteen members attended the District FHA Convention at Marymount College in Salina, while eight girls attended the State Convention in Topeka.

Martha Pineda, foreign exchange student from Columbia, South America, was invited by the chapter to become an honorary member. At the end of the year, an FHA pin was presented to her.

The biggest event of the year was the annual spring style show. The theme of this year's show was "Traveling in Sunshine". Every member of the club modeled at least one outfit. Four boys from Future Farmers of America served as escorts for the models. They were Kurt Funk, Dickie Hein, Kim Kaufman, and Gary Penner.

## Kayette Agenda Includes Fund Raising Projects

Community and school action highlighted the year for the Hillsboro chapter of Kayettes (Kansas Association of Youth).

Various community projects included helping with the supper for the retarded children, painting the city bulletin board, collecting for the Red Cross drive, serving Tabor College's Valentines Banquet, and helping host the Arts and Crafts Fair.

As a moneymaking project, the Kayettes sold chocolate bars. Cookie sales at Homecoming and Valentines Day also helped the student body gain weight.

The Kayettes exhibited their football playing ability at one of the pep rallies.

By the end of the year, 1250 points had been earned toward their three-year goal of 3,000 points.

## James Wiebe New Chess Champion

This is the second year the Chess Club has been in existence. Membership has grown to about 16 members.

Club highlights were the fall and spring double elimination tournaments. In the fall tournament's championship game between James Wiebe and Robert Ens, over five hours and 90 moves were required to finish the game. The spring tournament was played stopwatch style limiting each player to three minutes per move. The game was between James and Robert, with James winning. James defeated Robert to be named the grand champion.

"We like it that Mr. Foyle (advisor) is put on the same level as we are," said Robert Ens, club president.

## Club's Purpose Remains Mystery

Key Club, an all-boys club sponsored by the Hillsboro Kiwanis Club, is both entertaining and functional. Supposedly entertaining to its members, it also serves to benefit the community. Meetings throughout the year consisted mostly of planning sessions.

A car wash was held to raise money.

Members of the club planned to attend the convention in Wichita, a weekend at the Regal Inn.

## Spirit Lifted By Many Activities

Sparked by sharp looking uniforms and twice as many members as last year, the Pep Club worked hard to support all sports in the high school.

The success of the basketball team helped create many highlights. Decorating the players' and coaches' cars for the sub-state tournament and painting the bus for the state game were just two. In connection with the state game, Pep Club sponsored a community wide pep rally.

Working in the concession stand and selling bulletin boards helped earn money for the club.

Pep Club joined H-Club for a roller skating party in Salina. Several poster parties were held throughout the year. "The Life and Times of Judge Roy Bean" was shown for the Basketball Sweetheart mixer.

## Camps, State Tourney Ignite Cheerleaders

Full of spirit and drive, the cheerleading squads constantly worked to improve school spirit during the year.

In July, the varsity cheerleaders attended a Dynamic Cheerleaders Association camp in Lindsborg. The junior varsity and freshmen cheerleaders went to a two-day clinic at Wichita State University. At the first of school, all the cheerleaders attended a DCA-sponsored clinic in Wellington. A bake sale helped fi-

nance these clinics and camps.

Hard work is a big part of being a cheerleader. Practices were held twice a week during the summer, and almost as frequently during the school year.

In connection with the state basketball game, the Cheerleaders organized a pep rally downtown.

Their biggest highlight of the year was spending the night in Topeka during the state basketball tournament.

# Girl Breaks Frick's Scoring Record

Girls BB proved to be an exciting sport for both the players and spectators.

Grace Jaworsky, junior, set a new school scoring record for the most points scored in a single game. Her high of 39 points broke the 37 point record established last year by Curt Frick.

The team also received the first girls sports trophy in many years. Their third place trophy was awarded at the regional tournament.

The Trojan basketball team fought all the way to state this year. The squad roared to a 12-2 league record, placing them in a tie for first with Council Grove.

Tournament action saw the Trojans defeat Hesston in the finals of the Adolph Rupp Tournament for the first place trophy. Revenge tasted sweet as the Trojans won their first game against Hesston since the controversial loss three years ago.

Hillsboro defeated Marion and SE of Saline in the first two rounds of regional play. The Trojans lost to Lindsborg by one point in the final seconds of the final game.

Tabor College gym was the scene for the sub-state tournament. The Trojans won both games, winning a trip to the state tournament.

The squad played hard and overcame an 18-point deficit in the final quarter to tie the score with 27 seconds left. Two free throws and several missed shots put the game out of reach.

St. John eventually went on to win the state title.

## Penner's Beanieboppers Nail First

The Beanieboppers came through with a great all-around season due to the fact that they had a great all-around team with a bunch of great all-around guys on the team. In other words, they were champs which might possibly give them an excuse for winning the intramural tournament.

**B. P. BEANIE-BOPPERS LEFT TO RIGHT:** G. Reiswig, C. Becker, B. Penner, L. Thurston, D. Winter. Not pictured: K. Jost, C. Wedel.

The Snipers were a bunch of regular guys due to the secret use of a seasoned mixture of laxatives which attributed to the fact that the team was on the go on and off the court. The cause for them coming in second was probably due to an overdose taken shortly before the final game.

**SUDERMAN'S SNIPERS LEFT TO RIGHT:** D. Joy, R. Schroeder, B. Suderman, J. Ens, L. Schmidt. Not pictured: G. Unruh, J. Epp.

The Danda-roos were a delightfully diligent deck of dangerous dribbling dudes. And besides that, they came up with third place at the end of the tournament, due to the dizzy, dazzling play exhibited by Dandy Don's Danda-roos.

**DANDY DON'S DANDA-ROOS LEFT TO RIGHT:** R. Abrahams, K. Schmidt, D. Ratzlaff, R. Ens, G. Wiens. Not pictured: M. Jost, J. Seibel, R. Knak.

Enns' Moondogs, because of their exceptional ability to have a good time, couldn't do any better than fourth because they would've had to work at it, therefore ruining all the fun.

**ENNS' MOONDOGS LEFT TO RIGHT:** W. Deckert, D. Hein, S. Freach, J. Enns. Not pictured: L. Harder, J. Pankrat, G. Krotz.

Probably the best way to sum up the fifth place final position for Reimer's Jocks was that they lacked support.

**REIMER'S JOCKS LEFT TO RIGHT:** M. Ens, K. Bartel, K. Hill, K. Funk, M. Reimer, G. Penner.

Kelly's Heroes stuck in there when the going was tough. They played good, sound heads-up ball. However, they might have done better if they hadn't rescued the opposing team from losing so often.

**KELLY'S HEROES LEFT TO RIGHT:** D. Klassen, B. Nuss, L. Frantz, M. Brennan, K. Unruh. Not pictured: K. Kaufman, J. Hefley.

Doug's Duds had trouble during the season, physical and possibly mental, which could possibly have lost it all for them had it not been for someone worse.

# Teresa Reigns Over Trojan Victory

With the theme of *On Top of the World*, the 1974 Basketball Sweet-heart game was held February 8. Queen Teresa Youk was crowned by escort, co-captain Tom Frantz. Her court included Becky Born, escorted by Ron Hiebert; Rene Feil, escorted by Roger Peters; Debi Suderman, escorted by Dave Loewen.

Jonathan Wieneke, son of the Richard Wienekes', was the Little King. Little Queen was Dawn Wiens, daughter of the Gary Wiens'.

The Pep Club sponsored a mixer after the game. The *Life and Times of Judge Roy Bean* was shown.

## Madrigal Brings Back Old English Customs

The Madrigal Dinners ushered in the Christmas season for the second year. The Mixed Ensemble performed in 16th century English style after the meal which included such fare as roast beef with Yorkshire pudding and plum pudding.

The evening began with the

Christmas toast and welcome. The boar's head processional followed. All during the meal the audience was entertained by two court jesters and several strolling minstrels.

As a final salute to the festive evening, everyone sang Silent Night. Approximately 450 attended.

## Talented Actors Produce 'Li'l Abner'

An 80-member cast helped make this year's musical, "Li'l Abner", one of the biggest productions ever. Over 600 people attended the play, given April 26 and 27.

When the citizens of Dogpatch learn their town has the honor of being selected the most unnecessary

spot in America, frantic efforts are made to find something necessary. Mammy Yokum saves the day by giving a scrawny government man some of her Yokumberry tonic.

With the help of Evil Eye Fleagle, General Bullmoose, Washington's other power, forms a devious plot to

get Abner's Yokumberry tonic. This plan involved Appassionata, Bullmoose's "confidential" secretary, and Evil-Eye's whammies.

In the end, Dogpatch is saved through Jubilation T. Cornpone, the man who single-handedly lost the Civil War.

## 'Country Road' Theme For Jr-Sr

A brown spider took the bite out of the Jr.-Sr. banquet, or to be more accurate, out of Chet Nichols, singer hired for the entertainment. The bite prohibited his performing.

"Country Roads", theme chosen by the juniors, was effectively

carried out thru the use of murals, weathered fences, and a homey corner complete with rocking chair and quilt. Kerosene lamps and daisies in straw baskets graced the tables.

The meal consisted of bacon-

wrapped chopped sirloin, twice-baked potatoes, corn, tossed salad, and a jello parfait. Approximately 20 sophomores served.

The lack of entertainment didn't prove too much of a problem, as most students found their own kind of entertainment.

# Band Students Display Determination This Year

Band for many students began in August. The 7 a.m. practices helped sharpen the rusty marchers for the Marion County Fair parade. Mr. Jensen, vocal instructor, directed the band during the summer months.

With the beginning of school, the students began adjusting to a new director, Mr. Jernstad, and his methods.

Football games had an added sparkle as the band marched in uniform to the football field from the high school.

Dissatisfaction with the band resulted in many students dropping out. Because of the internal turmoil, Mr. Jernstad was relieved of high school duties. During the time without a director, various members stepped in to direct at basketball games.

Mr. Garlett, instructor of instrumental music at Tabor, became the director for the last semester. His biggest job was keeping the band members together and starting the process of rebuilding.

At contest, the band received a II.

## Small Groups Sing

Girls' 12 and Girls' 16 shared many of the same experiences this year. Singing at local churches, concerts, and at contest involved the greatest amount of time. Made up only of sophomore girls, Girls' 12 received I at contest. Girls' 16, made up of junior and senior girls, also earned a I.

The 21 members of the Mixed Ensemble enjoyed a successful year. A I was received at contest.

The Mens' Ensemble performed at all the concerts during the year. They received a II at contest.

**ABOVE LEFT:** The Girls Chorus sang one Sunday night at the Alexanderwohl Church. **RIGHT:** Every Tuesday and Thursday, the girls would practice songs for their concerts and performances.

## Ladies' Chorus Is Successful

The ninety-two members of Girls' Glee sparked their way through all their concerts and performances during the year.

A new bit of color was added to the group this year. In addition to the blue, yellow, and pink dresses

already in use, mint green ones were added.

The Girls' Glee received a 1 at contest.

Mr. Jensen, vocal instructor, feels the group was successful. "We're accomplishing more every year."

## Chorus Size Increases

This year's Mens Chorus was made up of a lot of young singers, boys who had not been in the group before. By the end of the year, the chorus had matured greatly.

They participated in all the concerts, sang at both the Alexanderwohl and Straussburg churches, and performed for the Bethel College choir.

The chorus earned a 1 at contest.

The Mens Chorus performs well at the concerts given. The boys give a lot of vitality to their songs.

## Mixed Chorus Earns I At Contest

The Mixed Chorus began their busy year with a fall concert. A lot of time and effort went into this first presentation.

At the Christmas concert, the Mixed Chorus performed Daniel Pinkham's Christmas Cantata. A brass choir and an organ accompanied the chorus.

The musical "Li'l Abner" was presented in late April. The cast consisted mostly of chorus members.

A change in music contest rules required each chorus to have six songs for the judges to pick from. The three songs performed were "Sing to the Lord a Marvelous Song", "All My Trials", and "The Last Words of David". The judges awarded the chorus' efforts with all 1's.

The Mixed Chorus sang at both the Baccalaureate and Commencement exercises.

Mixed Chorus officers were Cheryl Regier, Pres.; Jim Schmidt,

StuCo; Mark Jost, Treas.; and Laurel Bernhardt, Sec.;

## Forensics Team Has Good Year

Each forensics team is limited to participating in five meets. The HHS team attended the CVL meet, meets at Newton, Wichita Heights, Emporia, and the state meet held at WSU.

Four team members qualified for the state meet. They were Jim Schmidt, Gail Stotts, Carol Guhr, and Juli Penner.

Jim Schmidt received a I in Poetry Interpretation, and the duet act of Jim and Gail also received a I. Their duet was "The Crucible". Juli earned a II with her interpretation of "Pygmalion". A III was awarded Carol for her interpretation of the poem "Silence".

"The Search", a one-act play, was presented at several meets, and also at the Hillsboro M.B. Church in connection with their Youth Sunday.

## 'Athletic Abilities' Shown At Fling

May 17 was the date for the second annual Spring Fling.

The first event was the watermelon eating contest. James Ens won the contest with 6½ slices.

Eggtossing came next. The team of Robert Priebe and Steve Reimer out-tossed all others.

Lori Goertz won the hula hoop contest, a new event this year.

The seniors won the class inner tube contest, another new event this year.

Key Club successfully defended their Tug-of-War championship.

## Hardworking Staffs Achieve Much

Quality was the end product that both the ORACLE and TROJAN staff worked for. Each staff worked during different hours to get the most done. In some way this didn't work too well.

Several contests were entered throughout the year. In February, all members of both staffs entered the Kansas Scholastic Press Association contest. Laurel Bernhardt

received third place in sportswriting, Ricki Wiebe, second in editorial writing, Robert Ens, third in photography, Debra Penner, first in headline writing, and Ann Balzer, first in yearbook copywriting.

These winners competed in the state journalism contest at Kansas University. Debra Penner received a second place trophy, and Ann Balzer earned a third place award.

In other contests entered, Don Ratzlaff was awarded second place in the Kansas Press Womens editorial contest. Don and Jennifer Unruh received a second and third in editorials and advertising in the KSPA-sponsored newspaper contest.

This year's journalists knew what they were doing. The proof is in the pages of each ORACLE and TROJAN.

TROJAN STAFF, SECOND ROW: G. Lohrenz; R. Wiebe; G. Loewen; A. Balzer, co-editor; D. Loewen; S. Penner, co-editor; P. Wipf, sponsor. FIRST ROW: M. Wiens; C. Hagen; L. Goertz; B. Schneider.

## FCA New Club Formed This Year

Interested athletes joined together to form the Fellowship of Christian Athletes. Designed to help those involved function better as Christians in everyday life, the club promotes fellowship among Christian athletes.

Several coaches and area athletes talked to the club at their meetings. When speakers weren't available, tapes were listened to. Bible studies were held at different member's houses.

At various times during the year, FCA visited several churches.

The club organized a car wash to raise money.

Warren Deckert, senior, and Jerry Harms, freshman, are working on two of the forty vehicles FCA cleaned.

## Sports Banquet A 'Roasted' Delight

The second annual All-Sports Banquet, sponsored by the Lions clubs of both Hillsboro and Durham, was the highlight of H-Club's year. Almost 300 attended.

A panel of H-Club members roasted Mayor Wiebe as part of the

entertainment. Of course, in fairness, Mayor Wiebe had a chance to defend himself.

The speaker for the evening was Vance Carleson. Mr. Carleson officiates in the Big 8 football conference, and has officiated at several bowl games.

## New Records Set In Girl's Track

**GIRLS TRACK TEAM:** Manager Ruth Schultz, Rachel Schultz, G. Jaworsky, J. Miller, P. Freach J. Penner, B. Ediger.

The girls track team did fairly well as individuals. As a team they never scored too high, due to the fact only six girls were out.

Several records were set during the season. The 440 relay team-Rachel Schultz, Grace Jaworsky, Jennell Miller, Juli Penner-broke the old record of 56.9 by running it in 56.2. Rachel Schultz broke Grace Jaworsky's shot put record with a heave of 31'3 1/4".

The team was coached by Ms. Carolyn Wilhelm.

## Team Does Well In Tourney Action

The golf team played in five major meets during the season. According to Coach Stotts, the team improved tremendously in tournament play compared to last year.

The Halstead meet was the best effort of the season. The four-man team came in second, losing by only one stroke. Robert Prieb was third medalist at the same tournament.

The team placed fourth at the Moundridge tournament.

The four-man team placed sixth at the regional meet.

## Tennis Team Has A No. 1 Season

M. Reimer, G. Ollenberger, R. Schroeder, D. Joy, S. Reimer, E. Wiens.

The tennis team, under the direction of Superintendent Bray, brought home several medals during the season.

Their first place finish at the Hesston Quadrangular resulted from three individual firsts. Mark Reimer won first in the number one singles. Steve Reimer won first in the number two singles. The doubles team of Gerald Ollenberger and Danny Joy captured first in their division.

The Reimer brothers, Mark and Steve, both were defeated in regional play by players who qualified for state.

## Team Places Fifth In State Meet

Five new school records were set during the season. Tom Frantz jumped 6'5", and set a league meet record at 6'2½". Marv Schellenberg pole vaulted 12'11½". Roger Peters broke the school record of 51.5 by running it in 51.1, then tied his own record at the state meet. The Mile Relay team of Clyde Jost, Doug Penner, Brad Penner, and Dave Loewen, were clocked at 3.28 flat to

shave almost a second and a half off the record. Darrel Just broke the record he set last year by running the 2-mile in 10.21.

HHS qualified for the State meet in four events. Marv Schellenberg placed sixth in pole vault, Roger Peters second in the 440, Tom Frantz tied for fourth, and the Mile Relay team took first. As a team, the Trojans placed fifth with 11½ points.

**BOTTOM LEFT:** Clyde Jost finishes a 100-yard dash in the CVL meet. **BOTTOM RIGHT:** The Penner brothers show perfect form in a hand-off in the Medley Relay. **LOWER LEFT:** Darrel Just finishes a rough two-mile run that further sparked the track team on to win the CVL meet. **BELOW:** Kim Koop runs hard in an attempt to win the mile run.

## Seniors Shape Next Year's School

After twelve years of schooling, the senior year comes as a blessing. The year's preparation for the future, but it lets you cling to the past for just a little longer.

Seniors held many of the major

positions in the school. They shaped and molded the clubs and organizations the best way possible.

The backbone of all the sports squads were seniors. All their experience helped make for winning

seasons.

Planning for graduation occupied most seniors' minds the last nine weeks of school. For some seniors, graduation fever occupied the whole year.

## Graduation Follows Tradition

The 69th annual commencement activities began with Baccalaureate on May 19. Two musical selections were offered. Nadine Abrahams, Ricki Wiebe, and Lori Goertz performed "Trio pour Flutes", and the Mixed Chorus sang one of their contest numbers, "The Last Words of David". Rev. Henry Born of the

Parkview M.B. Church gave the Baccalaureate sermon. It was entitled "Give Me This Mountain."

Commencement was held May 23 in the high school gym. Over 1,100 were in attendance. Fortunately it was a cool evening. Rene Feil played a cello solo and Cyndy Simonson performed on her French horn. The

four seniors who presented the "Words From the Grads" were Karen Mohr, Don Ratzlaff, Deb Kreutziger, and Jim Schmidt. After the Mixed Chorus sang "He Ain't Heavy", Mr. Crum presented the class for the presentation of the diplomas.
