BACK TO SCHOOL "BASH"- FULNESS?

Clanging lockers, milling students, and smiling faces signal the beginning of a new and challenging school year.

Students had to re-adjust their free-style, summer schedules to make room for homework, football games, and dances.

StuCo sponsored a Burger Bash to welcome the Freshmen and get to know them better.

Because of reductions in staff from last years budget tightening, students were having to adjust to fewer course offerings, and larger classes. □

Staff & Academics

ADMIN. & FACULTY WORK TOGETHER

This year has been another year of reorganization for each of us. Rooms were moved around again so teachers and students both had to adjust. The teaching staff decreased and four new teachers were added. Each day teachers probed students' minds for new ideas and provided the stimulus the students needed to achieve their academic goals. □

STAFF KEEPS THINGS GOING

The staff was kept busy throughout the year with the moving of the business department, home economics department and art room to new locations. The cooks did an excellent job of preparing a variety of foods for the students. Various duties, such as accounting, typing, recording grades, and answering phones kept the secretarial staff active. □

ENTHUSIASM MOTIVATES CHORUS

Kent Latimer kept up the enthusiasm that he brought to the music department last year. Everyone was involved and very active in producing four major concerts. The school year began with the fall concert, "American Heritage," a patriotic tribute to our country. A special narration and slide presentation was used to depict the growth of America. A traditional Christmas concert was given in Mid December. One of the highlights of the year was the spring concert, entitled "The Witness." It's the story of Jesus, told and sung by Peter and other men and women who knew Jesus best. An orchestra was compiled by Mr. Latimer and added a special effect. The final concert, "Return to Music," consisted of popular Walt Disney production tunes, including selections from "Peter Pan," "Snow White," "Mary Poppins," and an assortment of other Disney hits. Staging and costuming of the many soloists and ensembles added to the effect. Mixed Ensemble, boys and girls glee, and the quartet brought special numbers throughout the year.

Everyone worked hard to get ready for league and state contest and all received "I" ratings. □

SMALL BAND; BIG SOUND

Even though small, the band did a fine job this year. They performed at halftime of all the home football games and the State playoff game at Ellinwood. They also attended K.U. band day. Superior ratings were received at the MKL League Festival. Three concerts were given throughout the year with stage band playing at two of them.

Roseann Penner was a member of State Honor Band I, District Honor Band I, and took a clarinet solo to the league and state contests. Michelle Thiessen and Kathy Neufeld were a part of the District Honor Band II and also took solos to contest. Karen Deckert also took a flute solo to contest.

At the State Band Contest Kathy Neufeld and Roseann Penner received I's on their clarinet solos, Karen Deckert received a I for a flute solo, and Michelle Thiessen received a II on her flute solo. □

PEP BAND AND PEP CLUB JOIN FORCES

This year the cheerleaders got a pep club going which joined its forces with the pep band to help create school spirit.

Although the pep band was somewhat smaller than last year's, it was successful in encouraging as much spirit. They played at home football and basketball games as well as traveling to Ellinwood for district play-offs, to Halstead for the Adolph Rupp tournament games and to S.E. of Saline for the basketball sub-state games.

The pep club was organized in time for the beginning of basketball season. The members started out full of enthusiasm for supporting our teams, but as the season progressed spirit dwindled as did membership attendance. But thanks to a few loyal supporters the crowd managed to maintain a fair amount of excitement. □

THREE FFA'ERS WIN TRIP TO HAWAII

Doug Loewen, Brad Bartel, and Gene Regier won an eight-day vacation in Hawaii for selling subscriptions to the "Kansas Farmer".

FFA members were kept busy through-out the year by doing more than just selling magazines.

At the beginning of the year they took their booth to the Hutchinson State Fair where they received the recognition of Grand Champion.

They also traveled to Great Bend where they participated in an Agricultural Mechanics Contest. Out of 15 teams, Hillsboro placed second over-all and Doug Loewen placed second high individual.

Along with entering in numerous other contests, the FFA'ers held their annual Parent-son Banquet in the Spring, at which Gary Christiansen was named Chapter Star Farmer. □

STUCO STRIVES FOR POSITIVE ATTITUDE

StuCo strived to have a positive attitude in whatever they did. Heading StuCo activities were Denise Funk, Doug Penner, Carolyn Heide, and Terry Pankratz. The first week of school StuCo had an "all-school picnic" to welcome everyone back. StuCo then proceeded to plan Football Homecoming in which they sponsored a dance. "The Creeping Flesh" was shown for a Halloween thriller. Spirit was sparked when the HHS student body entered a spirit signature contest sponsored by a radio station. Christmas time brought the decorating of a scotch pine and a Christmas Mixer. After vacation, StuCo plunged back into things with the plans of BB Homecoming after which they showed "The Love Bug." With red, white, and pink accents decorating the gym, "LMG Sound" provided music for the Valentine's dance. End of the year brought StuCo elections with the new officers taking over duties. It was found throughout the year that Student Council is a lot of fun, but involves hard work, dedication, and cooperation. □

KAYETTE INTEREST GROWS

This year there has been growing interest and enthusiasm in Kayettes. The membership went up to fifty-six girls with the Junior class having the largest representation.

The year got off to a good start with Marcia Reimer and Judy Upton going to Kayette camp where they got a lot of new ideas. By selling Worlds Finest Chocolate Bars the Kayettes donated over nine hundred dollars to the Kidney Foundation.

Some of the highlights of the year were Miss Kansas' visit to HHS, the skating party with FFA, carnation sales the week of Valentines Day, and the Freshman pajama party.

Kayettes did quite a few service projects this year. They made warm fuzzies for the Day Care Center and Easter favors for Parkside residents. They also decorated the lunchroom for the holidays. During National Kayette Week some of the members served as volunteers at the Red Cross Blood Mobile, along with making appreciation cards for teachers, washing car windows and putting "Let the Sun Shine In" stickers on the windows.

As a money raising project Kayettes sold stationery bringing in a welcome two hundred dollars. □

YEARBOOK LEARNS BY DOING

"Deadline"... The word that strikes fear in the hearts of a yearbook staff. "Deadline" means working many nights past 6:00 p.m. to paste up copy and pictures to meet the required page count.

The staff, including first time advisor Jim Vanek, entered the project with little or no experience. To aid in orientating yearbook personnel Josten's American Yearbook Company held a teach-in at Hutchinson High School.

Another useful learning experience was the tour of Josten's, in Topeka, which the staff took in the Spring. They saw the different steps involved in producing the printed page. The tour gave the staff a better understanding of color printing, screen tinting, photographic plate making.

The experiences, combined with the cooperation of the local professional photographer and town newspaper enabled the staff to create a book consistent in photography, layout design, and theme. □

DEBATE, FORENSICS TEAMS EXPAND

Adding debate and forensics to the daily curriculum paid off in increased participation and competitive success during the year. Since these were previously extra-curricular activities, students found more preparation time for competition and performances.

HHS fielded two novice teams and an experienced team during the fall season. The novice team of Todd Jost and Casey Hubble experienced the most success, compiling a 12-8 record.

In the spring, the nine-man squad was back in action competing in forensic tournaments. Dawn Abrahams and Mark Seibel capped successful seasons by earning I Division ratings at the State Festival. Judy Upton, Kris Janzen, and Todd Jost also earned the right to perform in the State Festival.

The new class also produced two drama events. They presented two children's plays for an elementary audience in November and aired two radio theatre dramas in May over KHHS. □

SENIORS LOOK TO FUTURE

Senior pictures, ACT tests, high school athletics, and many more activities are now behind the class of '80 seniors at HHS. The Seniors must look ahead to new decisions, which just months ago seemed farther off than they really were. The year flew by almost as fast as the homework was supposed to be done. It was aided by successful football and basketball seasons.

Facing seniors in the near future will be some of the most important decisions in their lives. Each will have to decide whether or not to further his or her education, and if so where. □

JUNIORS BREAK TRADITION

The Junior Class invaded the territory long held by the Seniors. Because of decreased enrollment and more locker space Juniors moved in with the Seniors. Both groups were hesitant at the start, but as the year progressed everything worked out fine.

The class captured second place in the basketball homecoming ball decorating contest; they received a disappointing fourth in the football parade float contest. The Juniors, having raised over \$2000 in their magazine sale, spent many hours planning and decorating for the Jr.-Sr. Banquet. □

FRESHMEN PROVE TO BE WINNERS

The year for the Freshman class started out with initiation. During the day they had to wear their pajamas. That night StuCo held an "all school picnic" welcoming the freshmen to Hillsboro High.

Their first boost came when they placed first with their "Broncos Smell De-feet" float, for the football homecoming parade. When basketball homecoming rolled around the Freshmen class won the hall decorating contest.

Included in winning the homecoming contests the freshmen somehow always placed in the top two of the pep rally contests.

"THIS DAY BELONGS TO ME"

Anticipation filled the air on October 5 at the football homecoming game against Remington. The queen candidates took their traditional drive around the track listening to the theme song, "This Day Belongs to Me", by Seals & Crofts. Then came the introductions and presentations of each attendant, candidate, and escort. Little King and Queen, David Wiens and Angie Peters waited to present the crown and flowers, while the envelope was torn and the results announced, revealing Beth Hiebert as the 1979-80 Football Homecoming Queen.

1980 AWARDS PRESENTED

This year the fifth annual awards night was held. Students received awards for academic, athletic, and musical achievements. Valedictorian, Bev Just, and Salutatorian, Leann Funk received trophies. Mr. Clark presented the citizenship awards which were well earned by Bev Just and Jerold Heide. Mr. Balzer announced scholarships which various seniors will be receiving next fall. Awards were also given in drama and FFA. The cheerleaders and drill team were recognized as well as students who have had perfect attendance throughout the 1979-80 school year. □

Although upper-classmen with drama experience carried some of the major roles, the large cast gave many HHS'ers the opportunity to express their

"YOU TAKE MY BREATH AWAY"

"You Take My Breath Away," this year's homecoming theme, floated through the crowd as Lynn Isaac was crowned 1980 Basketball Sweetheart by her escort Lonnie Funk. Lynn reigned over the January 18 Hillsboro-Hesston game.

Other candidates and their escorts were Tammy Flaming and John Steiner, Donna Funk and Brent Barkman, Debbie Miller and Kirk Thurston, Dawn Lohrenz and Dallas Jost. The little king and queen were Jeff Funk and Michelle Galle.

During the week, much spirit was generated by HHS students as they participated in a class competition hall decorating contest, which the Freshmen won.

The entertainment after the game was the movie "The Love Bug," sponsored by StuCo. □

"COME SAIL AWAY"

Sounds of the sea welcomed HHS Juniors and Seniors entering the gym on May 3, 1980 at 6:00 P.M. Upon reaching the edge of the pier they were greeted by a sophomore server dressed as a sailor who escorted them to their tables.

The theme "Come Sail Away" was carried through with decorations consisting mainly of a lighthouse, a pier, and a mural displaying the theme.

After the delicious meal, the Juniors invited the Seniors to an evening of dancing. Midway through the evening, confetti was dropped onto the dance floor, dividing the remainder of the evening between dancing and confetti fights.

The success of the banquet resulted from the many long hard hours of planning and preparation contributed by the Juniors.

60 GRADUATE IN CLASS OF '80

On May 20, 1980 at 7:30 P.M. Seniors graduated in commencement exercises held in the HHS gym. They marched in to the traditional "Pomp and Circumstance" played by Roseann Penner and Michelle Thiessen.

The invocation was given by Rev. Marvin Hein. Music was provided by the mixed chorus, the male quartet, and a piano solo by Lynn Isaac.

Four seniors gave speeches representing their class. They were Bev Just, Valedictorian, Leann Funk, Salutatorian, Denise Funk, and Jerold Heide.

Nine members of the class graduated with honors. Those receiving honors were Bev Just, Leann Funk, Jackie Janzen, Glenn Guhr, Jerold Heide, Loren Loewen, Denise Funk, Kathy Hamm, and Diedre Reusser. □

TROJANS GO TO STATE FOR FIRST TIME

The Trojans earned a spot in Hillsboro football history this year, being the first team ever to advance to state football play-offs. Finishing third in the MKL with a 6-3 record, the Trojans lost the first round game to Ellinwood, but brought home the 3A District Runner-up trophy.

Undefeated in the first five games the Trojan defense allowed only 14 points to be scored on them, while the offense tallied 119 points.

Inman and Sterling turned the tables and kept Hillsboro scoreless, but the Trojans were ready for Hesston, and romped them 25-0.

In the game to decide the league championship the Trojans couldn't get the ball across the goal line and lost to Halstead.

The team lost only one player to injury this year. Ryan Schroeder missed the last five games due to a fractured collarbone received in the Homecoming game against Remington.

Co-captains for the team were Jerold Heide, Sheldon Klassen, and Kirk Thurston.

Several players received special individual honors. Jerold Heide was elected Most Valuable Player by his teammates. All-League selections included: Kirk Thurston, Sr., 1st team defensive end, 2nd team offensive guard; Sheldon Klassen, Sr., 1st team center, 2nd team defensive end; Brent

J.V.s HAVE FIRST PERFECT SEASON

The Junior Varsity football team coached by Art Balzer posted a perfect season with seven wins. Jerry Jones and Don Penner assisted.

In their first match the Trojans proved to much for the Lindsborg Vikings to handle, as they kept the ball on the move to rack up 29 points to Lindsborg's 0. Peabody was also easy to overcome for the Trojan horses, as Hillsboro tacked up another win on their way to a perfect season. Moundridge gave the Trojans their closest match, putting them one point behind the Trojans because of a missed extra point. The Trojans kept that margin and won 7-6. Inman was forced to forfeit because of a lack of players due to injuries. Hillsboro wrapped up the season by defeating Hesston.

Terry Frantz, sophomore quarterback, led the offense in scoring with 42 points of the season total 107. Kent Jost sophomore halfback, rushed for 397 yards on 103 carries. David Penner averaged 31.4 yards punting, and 42.8 yards on kickoffs. Leading the defense in tackles was Mark Rooker, sophomore linebacker, with 21 tackles and 55 assists. □

FOOTBALL CHEER- LEADERS STIR SPIRIT

The enthusiasm of the football cheerleaders added an extra spark to school spirit this year. Some of the activities the cheerleaders did to create school spirit were: a bonfire pep rally, making a float for the homecoming parade with the theme "Tame the Broncos," selling plastic tumblers and using the funds to buy badly needed pom-poms, and attending National Cheerleaders Association camp at Rock Springs Ranch where they learned many new cheers and stunts. □

ATTITUDE HOLDS VOLLEYBALL TEAM TOGETHER

Although the volleyball team didn't finish the season with a fantastic record they played well as a team, and their attitude held up. The team worked hard in practice and entered the season with the hopes of finishing near the top, but their dreams were shattered. Despite the disappointing record, the girls never gave up and pushed themselves the entire season, said coach Jill Highberger.

Even though the team's record wasn't too good, everyone enjoyed playing and competing, which in the long run means more than scores. □

EMBARRASS- MENT STRIKES DRILL TEAM

Before the school year began, summer practice sessions and a five-day clinic prepared the 1979-80 Hillsboro High Drill Team for performances.

The first two public performances were marching in the Marion County Fair Parade and State Fair Parade.

Adding color to the band, the girls marched with them during half-time at home football games. Routines were performed to "Jive Talkin'," "The Fifth of Beethoven," "Pompon Chant," "Boosting the Old High School," "Zing it," "Our Boys Will Shine Tonight," and "American Composers Salute."

Basketball season started off in a very embarrassing way. The girls got out on the floor only to find that when the music started, it was the wrong tape; somebody had switched the tape. The Drill Team entertained the crowd throughout the season. The seven members performed to "Be True to Your School," "Good Times," "Don't Bring Me Down," "Born to Be Alive," "Instant Replay" and "Mountain Dew," a country-type routine. The group added formations to their routines to add excitement to their style. They also used new and different ways of entering to and exiting from the gym to make the routines more interesting. The use of gloves and pompons in the same routine created class. □

TROJANS TAKE SECOND AT SUB-STATE

The Trojan Varsity basketball team won the first nine games of their season before suffering a one point loss in the semi-finals, placing them third at the Adolph Rupp Tournament. Throughout the rest of the regular season they were beaten only three times by a total of four points, and were ranked third in 3A team ratings.

The season ended with a disappointing defeat in the sub-state finals by Sacred Heart, who went on to take first at the 3A state tournament.

The team goals were set high and all were not achieved. However, the season held many highlights, such as a tie for the Mid-Kansas League Championship, another year of remaining undefeated at all home games, three players on the all-conference team, three mentioned for all-area honors, and two as all-state; two seniors chosen for all-star games, five school records set plus an 18-4 season record which tied for the fourth best season in school history.

All in all the season was full of excitement for the players, coaches, and fans. □

Coach Jerry Jones is congratulated after another win.

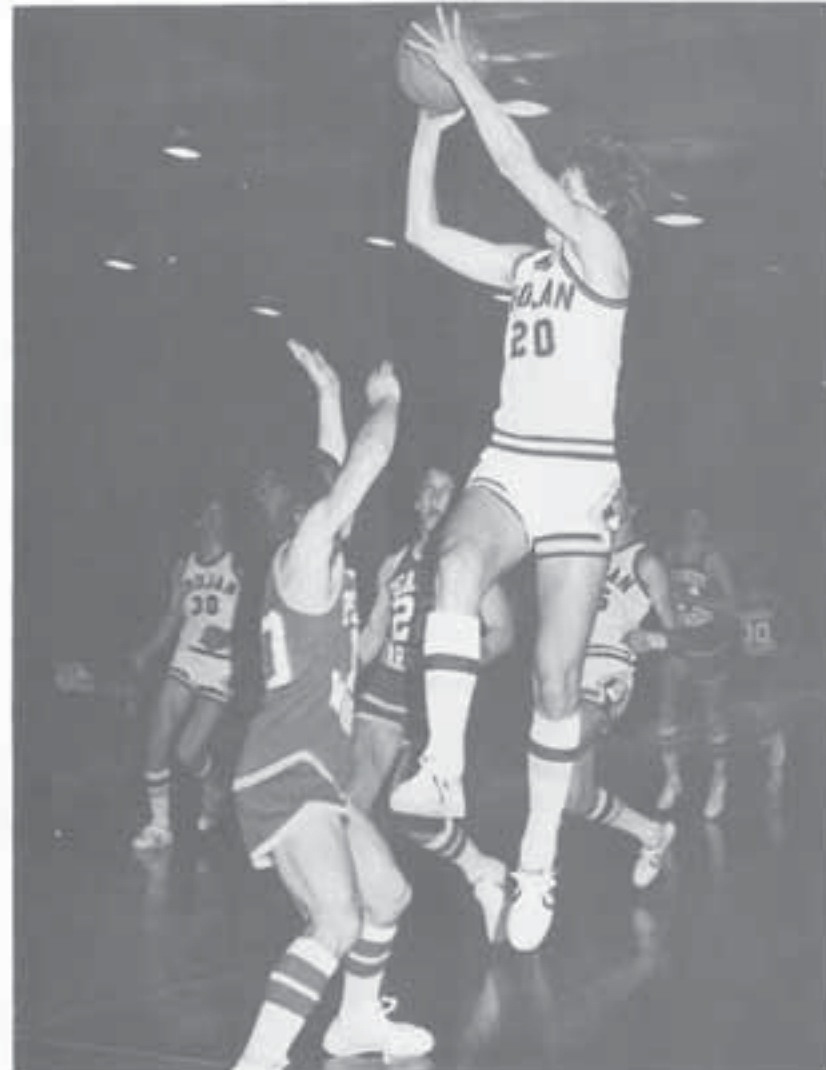

SPECIAL HONORS

Lawrence Brenneman was named to the 1st team all-state, 1st team all area, and all-league. He also set two new school records, for season assists, with 150, and for the number of field goals in a season with 176.

Gary Christiansen received honorable mention all-state, 2nd team all-area, and all-league. He was also picked to play in the Wichita All-Stars game. Gary set three new records this year. He broke the single home rebounding record with 22 rebounds, the field goal percentage record for a single game with 100 percent, shooting 7 for 7, and the career field goal percentage with 59 percent, shooting 141-241.

Sheldon Klassen received honorable mention all-area, all-league, and was also picked to play in the Wichita All-Stars game. □

JVs TALLY 12-5 SEASON

The Trojan Junior Varsity team had a fairly successful year. The highlight of the season was their capturing of first place in the B-team tournament at Moundridge. They accomplished this by defeating, first Moundridge, and then Halstead in the finals.

The team averaged 58 points per game, shooting 45 percent from the field and 47 percent at the free throw line. They also averaged 47 rebounds each game. □

FROSH RUN AND GUN TO WINNING SEASON

The 1979-80 freshman basketball team played quick, aggressive ball and tallied a record of 9 wins and only 2 losses for the season. On the average the team outscored their opponents, 57-40.

There was also a quality of loyalty among the boys which was revealed by their readiness to practice basketball at 6:30 A.M. every school day. Could this attendance also have been due to the firm, yet respected presence of Coach Vanek? □

BASKETBALL CHEER- LEADERS STRIVE FOR PERFECTION

This year there were ten devoted girls cheering for the girls' and boys' basketball teams. They practiced twice a week at 7:00 a.m. and any other time that was necessary to perfect their cheers and stunts. The girls sold pompon courages and shakers to high school students and community boosters. Scrapbooks were made for the seniors on both the boys' and girls' teams. The success of our fantastic HHS basketball teams made the year very exciting. □

GIRLS GRAB LEAGUE TITLE

The girls basketball team had another great year despite the fact that they didn't make it through sub-state. They shared the league title with Moundridge and also placed first in the Berean Invitational Tournament. Leann Funk, Gayle Klassen, and Bev Just made the All-Tournament team at the Berean Tournament. Leann Funk also made MKL All-League team, 1st team All-State in the Wichita Eagle, and received Honorable Mention from the Salina Journal. Gayle Klassen also made the All-League team, 2nd team All-State in the Salina Journal, and Honorable Mention in the Wichita Eagle. Sandy Funk received Honorable Mention on the MKL All-League team.

The team averaged 50.9 points per game. Some of the team leaders were: Bev Just with 77 assists, Lynn Isaac with a 50 percent free throw average, Gayle Klassen who had 211 rebounds and a 46 percent field goal average.

The Junior Varsity had only seven girls. They had an 8-7 record which is quite creditable considering they played four freshmen. There should be a lot of potential coming up for next year. The Junior Varsity girls did a super job of supporting the Varsity. All the girls Varsity and Junior Varsity showed great sportsmanship throughout the season. □

BOYS TENNIS GAINS EXPERIENCE

Mr. Thomas began his first year of coaching for the Hillsboro Team with three returning lettermen. The young players gained experience as the season moved along.

Finishing with a 16-5 record, Wendell Funk, senior, played number one singles. Loren Loewen, senior, played number two singles and compiled a 21-3 record. Loren qualified for the State tournament.

Playing number one doubles were Tim Walters and Jon Loewen who produced a 9-16 record. The number two doubles team was David Ediger and Kris Deckert with a record of 5-16. Tom Kaufman and Brian Wiens alternated throughout the season, each playing with different partners to gain experience. □

TENNIS TEAM SWINGS INTO ACTION

With only four returning lettermen, Coach Thomas produced a fairly competitive team, and Lynn Isaac, number-one singles player even made it to the second round of state competition. Nine girls practiced every day after school at the Hillsboro Elementary tennis courts. Coach Thomas had the girls challenge each other for their positions. In order to play at a meet the girls had to win at practice.

During the season Lynn Isaac, Sr., was the number-one singles player. Shelley Helmer, Jr., played number-two singles and was also quite successful. The other girls did not have quite as good a record to show for their efforts but they gained a lot of experience. Marcia Reimer and Joni Ensz were the number-one doubles team. Donna Funk, Denise Funk, and Melanie Kessler, who were fairly equal in ability took turns playing together as the number-two doubles team.

Coach Thomas, the new tennis instructor, added a lot of enthusiasm to the team and the girls really appreciated him. Although it was his first year, Coach Thomas said, "We did fairly well as a whole, but we could have done better." □

BOYS TRACK SHOWS PROMISE

The 1980 track team was larger than usual. There were twenty-six members. Several records were broken this year. David Penner broke the MKL discus record with a toss of 140 feet. The school record for the 440 yd. relay was also broken. The team consisting of Lonnie Funk, Elmer Mickey, Ryan Schroeder, and David Suderman. They set the new record at 46.54 seconds. At the regional meet David Penner took third in discus and Don Frantz placed 7th in high hurdles. Coach Penner says, "There are many promising young kids, so next year should be even better." □

GOLF SENDS MAN TO STATE

For the sixth year in a row, the 1980 Hillsboro golf team qualified at least one team member for the state tournament. Jeff Stotts, Junior, qualified individually for State by placing seventh at the Regional Tournament in Burlington. Stott's shot an 80.

Overall, the team experienced success in the two-man competition and was competitive in the four-man competition. Stotts teamed with Junior, Brad Abrahams, bringing home the gold medal from the Marion Invitational, the silver medal from the Hillsboro Invitational, and the bronze medal from the Mid-Kansas League Tournament.

The four-man team, usually comprised of Jay Schroeder, Greg Fiechtner, Craig Ratzlaff, and Brian Weinbrenner, had their best showing of the year in a fourth place finish in the Mid-Kansas League Tournament. □

HHS "VANDALIZED"

Starting in January Monday nights were soon classified as "the night for intramurals" or as some called it "a night for a good laugh."

The season was a little drawn out due to a few postponements, but for the players the games went by very fast.

First place went to the "Vandals", who beat out Brent Barkman's team in the tournaments.

Eight teams participated in the program, of which three were girls teams. Although the girls knew they didn't have a chance against the guys, they had a "wild and crazy" time. □

Barkman-Funk, First row: Bryan Weinbrenner, Mark Penner. Second row: Kevin Winter, Brent Barkman, Lonnie Funk, Alan Weinbrenner. **Not Pictured:** Monte Wedel.

Wiens-Jantzen, left to right: Mark Rooker, Mark Jantzen, Greg Wiens, Gail Funk. **Not Pictured:** Lonnie Bartel, Troy Wiebert, Dale Mayfield.

Schale-McGillivray, First row: Elmer Mickey, Kevin Blackwell, Larry McGillivray, Todd Jost. Second row: Dallas Jost, Ricky Schale, Keith Jost.

Rempel-Laewen, left to right: Phillip Martin, Ryan Schroeder, Doug Laewen, James Schroeder. **Not Pictured:** Mike Rempel, Dan Frantz, Chris Barkman.

Mr. Sextro has second thoughts about being in charge of intramurals after a long night.

Referee Elmer Mickey gets ready to toss up the ball for a jump ball.

David Herbel raises the score two points.

David Herbel takes shooting tips from Kirk Thurston.

Vandals, left to right: Royce Penner, Matt Hiebert, Kirk Thurston, Alan Slater, David Herbel, Joe Legg.

GIRLS PROVE TO BE "NOT JUST ANOTHER PRETTY FACE"

Jost-Klassen. First row: Marla Jost, Amy Dirks. Second row: Paula Klassen, Diane Hein, Jani Ensz. Not Pictured: Debbie McMinn, Karla Thomas.

Reusser-Hiebert, left to right: Diane Penner, Kris Jantzen, Jan Wiebe, Denise Funk, Beth Hiebert, Donna Funk, Diedre Reusser.

Franz-Schmidt. First row: Shelley Friesen, Kim Franz, Carolyn Heide. Second row: Melanie Kessler, Marcia Reimer. Third row: Carmen Schmidt.

Student Life

TROJAN PEOPLE SAY GOODBYE

The Jr.-Sr. Prom, All Sports Banquet, Awards Night and Graduation brought the school year to a close. After serving as principal for five years, Mr. James Clark resigned to become the superintendent at Jefferson County. Following these events teachers and students looked with anticipation toward the coming summer vacation. □
