

This year we are working towards a goal of updating the lights and the sound upon our amazing stage space within the gym. To reach this goal, we have to work tirelessly in order to partially raise the funds needed. That is why this year we are instituting sponsorship with the Colmesneil Drama Club Stagehands! Each level of sponsorship carries with it some awesome perks ALONG WITH the satisfaction of knowing you are helping this growing program! We started out the year with 9 students in our theatre program and we have grown to almost 40 students! We have so many amazing new things that we are bringing in this year that we can't wait to share with the community! Step up and help these students build the funds they need to continue to flourish within this program!
