Greetings EGF ISD 595 Families and Staff Members!

The reason for this short letter is to notify families and staff members about positive COVID-19 cases reported to the school district on October 26 & 27. Individual notifications for each case have been sent out in the past, but the last two days were very busy and certain data needed to be confirmed before releasing the information. Please feel free to contact us if you have any questions or concerns.

The first two months of the 2020-21 school year have presented some significant challenges for everyone and I am very impressed with everyone’s willingness to adjust when needed, Quarantining classrooms and not running bus routes are major decisions that negatively impact many individuals. We greatly appreciate your patience and understanding!
