Linton Public School E-Learning

	Grade Level Expectations	
	Preschool-5th Grade	Grades 6-12
Teacher Expectations	Teachers will have each student take a packet home to use in anticipation of an e-learning day. (packets will be sent home every 2 weeks for parents to have on hand if needed) Teachers may also utilize Chromebooks when appropriate. PK-K: Packets 1st – 5th: Packets and/or Chromebooks Learning will be a review of standards and no new concepts will be presented. Each teacher will communicate about what is sent home and what to complete **via Remind App**. Assignments will be posted by 9 AM. Teachers are available to students and parents from 9:00 – 3:00 to answer questions and assist with work.	Teachers will post lessons in Google Classroom. Learning will be a review of standards and no new concepts will be presented. Each teacher will communicate about what is sent home. Assignments will be posted by 9 AM. Teachers are available to students and parents from 9:00– 3:00 to answer questions and assist with work.
Student Expectations	Students will work to complete packets and/or Chromebook work assigned on the e-learning day. If a student doesn't engage, they will be marked absent. Engage means any of the following activities: complete work, attempt work, or correspond with their teacher.	Students will log onto Google Classroom and begin working on posted assignments. Students will complete assignments during an e-learning period of time. If a student doesn't engage, they will be marked absent. Engage means any of the following activities: complete work, attempt work, or correspond with their teacher.
Parent Expectations	Parents will make sure students return their devices and packets/assignments when e-learning ends.	Parents will make sure students return their devices and assignments when e-learning ends.
Attendance	Attendance will be taken as assignment(s) are marked complete. Assignments are due by the end of the day on the first day students are back in school.
