## Notes from the Nurse:

Our Annual Dental Sealant Program, for second and third graders, will be held on Monday and Tuesday, December 7th and 8th, 2020. Permission slips and informational packets have been sent home with all second graders and any third graders who missed the opportunity last year. Please check either "yes" or "no" and complete **ALL** areas highlighted in "yellow" on the permission slip. I would like to have all permission slips in by Friday, November 20th, at the very latest.

K-6 students who returned their permission forms for the fluoride varnish program, at the beginning of the school year will have the fluoride varnish applied on the 7th/8th, as well. Thanks so much for your time, participation and help! -- Kathy Chamberland, R.N., B.S.N., School Nurse

### **Veterans' Parade and Lunch**

Southern Aroostook Elementary School would like to invite all Veterans from the Southern Aroostook District to a parade and take-home lunch. Due to Covid-19, we have had to make some changes to this celebration.

Please arrive at 10:45 am to line up your car for the parade. Drive around the school clockwise to get in line for the parade. There will be cones set up on the road at the beginning of our playground area. Cars should line up bumper to bumper behind the cones. The parade will start at 11:00 am with the Veterans driving on the road that goes through our playground area. Students will be lined up on each side of the driveway (social distancing) with flags to wave to the Veterans as they drive through. Once the parade reaches the garage area, there will be staff members there to load take-home meals in each car. Each Veteran will receive two take-home meals. We hope that you will join us as we show our appreciation for your service.
