If any provision of this Agreement or any application of the Agreement to any employee is held contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

This Agreement shall supersede any rules, regulations, or practices of the Board that are contrary or inconsistent with the terms of this Agreement.

Any individual contract between the Board and any individual teacher shall be expressly subject to the terms and conditions of this Agreement.

The parties shall give written notification by February 10, prior to the termination date of the Agreement as to the general areas to be negotiated.

The Board hereby recognizes the Association as the exclusive bargaining representative for all teachers in the school corporation.

RETIRED TEACHERS RETURNING TO THE CLASSROOM

- A. All retired teachers hired by the Board shall be included in the Association bargaining unit and shall be issued one year or less Temporary Contracts placing them on the Salary Schedule at Master's degree with ten (10) years experience. The provision on Temporary contracts is for informational purposes only, but was not bargained.

Adjustments to higher salary scales shall be presented to the board one (1) time per year. The open period to record credit shall extend ten (10) days beyond the beginning of the first school semester.

Association and shall remit quarterly such dues to the Association. Authorization cards must be received in the Payroll Department no later than September 10. Deductions shall be made in twelve (12) equal installments from twelve (12) alternated salary payments, with the first (1st) deduction being made from the second (2nd) September paycheck. The authorization for payroll deduction of Association membership dues shall be on a continuing basis unless revoked, in writing, by the employee to the Association and the Board. Upon termination of any employee, the Board shall deduct all unpaid Association dues from the final paycheck.

The school corporation shall pay the cost of expanded criminal history checks and expanded child protection index checks that are required by per IC 20-26-5-10.

PROFESSIONAL LEAVE

A teacher may be granted a professional leave by the administration for visitation to other schools or for attending meetings or conferences of an educational nature. The following steps shall be followed in the process:

- A. The teacher shall submit a written request on the proper form supplied by the building principal's office. Teacher requests shall be given to the building administrator for consideration.
- C. If the building administrator signs the request, the Superintendent shall make the final decision as to the approval or disapproval of a professional leave request within the state or within 100 miles.
- D. The Board of School Trustees shall make the final decision as to the approval or disapproval of a professional leave request outside of the state or beyond 100 miles.

BEREAVEMENT LEAVE

In case of death in the immediate family, leave without loss of compensation shall be granted to a teacher of the corporation not to exceed five (5) work days, which must be taken within 2 weeks of the death(s) or immediately in conjunction with the date of the funeral/memorial or the execution of the estate (when the employee is an executor). Immediate family for the purpose of bereavement leave shall mean father, mother, brother, sister, husband, wife, child, grandchild, grandparent and any other individual who at the time of his/her death is living as a member of the teacher's household.

In case of death of a grandparent-in-law, mother or father-in-law, stepfather or stepmother-in-law, brother or sister in-law, the teacher is entitled to be absent not more than two (2) school days during a period that extends no more than 2 weeks beyond such death(s) or is immediately in conjunction with the date of the funeral/memorial or the execution of the estate (when the employee is an executor). The teacher may use one (1) sick leave day if needed.

In case of death of an aunt, uncle, niece, nephew, or cousin, the teacher is entitled to be absent one (1) day without loss of compensation within 2 weeks of the death(s) or immediately in conjunction with the date of the funeral/memorial or the execution of the estate (when the employee is an executor). The teacher may use one (1) sick leave day if needed.

If there is a question as to the validity of the bereavement leave, the superintendent can request verification of death.

PAID LEAVE

Paid leave shall be credited annually to each teacher's account on the first day of school as follows:

- A. Thirteen (13) days for teachers in their first year of service in the corporation.
- B. Ten (10) days each year thereafter for each year of service, limited only by the maximum number indicated.
- C. Three (3) additional days shall be credited to the individual teacher's account each year thereafter for credit received from another corporation until such time as he/she has accumulated the maximum number

of sick leave days.

- D. The maximum number of leave days allowed to accumulate will be one hundred seventy (170) days.

Any leave taken that extends beyond five (5) consecutive days in any school year shall be verified by the teacher's physician, if the administration requests such verification, or will require the superintendent's prior approval. The superintendent may request verification for personal sick leave days taken the day before or the day after an extended weekend or vacation period or during parent/teacher conferences.

Paid leave should not be used to extend any school recognized vacation (i.e. not using the day before or the day after an extended weekend or vacation period or during parent/teacher conferences). The Association and School Board also discourages teachers from taking unnecessary paid leave days during the last three to four weeks of the school year due to a shortage of substitute teachers.

SICK LEAVE BANK

PURPOSE:

The purpose of the sick leave bank is to relieve its members from undue financial burdens due to absence from work on a long-term basis due to illness, injury, or incapacitation sufficiently severe that it would make their presence in school inadvisable. The extended sick leave policy is not designed to give unlimited sick leave to all teachers. Its primary purpose is to give a teacher substantial income protection in the event of a medical catastrophe. It is also designed to provide a maximum benefit to teachers who have utilized the regular sick leave days and personal days in a professional manner.

ADMINISTRATION:

The Sick Leave Bank shall be administered by a Committee of five (5) members. One member of the Committee shall be a member of the Pioneer Regional School Corporation administration. Four (4) members of the Committee shall be appointed by the President of the Pioneer Classroom Teachers Association with two (2) members appointed from the elementary school building and two (2) members appointed from the junior-senior high school building.

- A. Two (2) of the building level Committee members, one (1) from each building, shall serve for a period of two (2) years. The remaining two (2) shall serve a one (1) year term during the initial year of the Sick Leave Bank. Thereafter all terms of service will be two (2) years. Length of service for the member of the administration shall be determined by the Pioneer Regional School Corporation administration.
- B. Vacancies on the Committee shall be filled before the next meeting.
- C. The entire membership of the Committee shall select one of their members to act as chairperson for the duration of the year.
- D. The Committee shall meet during the school year as needed. Special meetings may be called by the chairperson or at the request of the Committee members.
- E. In each case, a minimum of three (3) favorable votes by the Sick Leave Bank Committee is required to grant the use of days from the Sick Leave Bank.
- F. The Committee shall prepare an annual report in conjunction with the Corporation Payroll Secretary of days contributed by each teacher, days used, and days accumulated in the Sick Leave Bank, and distribute this report to the President of the Pioneer Classroom Teachers Association and the Superintendent. Requests for use of the Sick Leave Bank shall be made in writing to the Committee.
- H. Requests to donate days shall be made on the official forms provided by the Committee.
- I. The decision of the Sick Leave Bank Committee shall be final and may not be grieved.

CRITERIA FOR USE OF THE BANK:

The Committee shall use only the following criteria for granting use of the Sick Leave Bank.

- A. The applicant must be a current participant in the Sick Leave Bank.
- B. All paid leave and personal leave days previously accumulated by the individual must be exhausted.

- C. The applicant shall submit a certified review of his/her medical history and prognosis for returning to work by the appointed or attending physician.
- D. Illness must be of a serious nature; seriousness will be determined by the Committee with the recommendation of the appointed or attending physician.

ELIGIBILITY FOR USE OF THE BANK:

- A. Any Pioneer Regional School Corporation teacher or administrator who has contributed days is eligible to participate in the Sick Leave Bank.
- B. An eligible teacher, or member of said teacher's immediate family, or said teacher's authorized designee if said teacher has no immediate family, shall make written application to the Committee for leave under this provision. Said application shall be accompanied by a physician's certificate stating the nature, possible length of absence, and prognosis of the teacher's condition.
- C. Upon return to work, the teacher shall repay the Sick Leave Bank for days owed (number of days borrowed minus number of days contributed) at the rate of three (3) days per year. If a member retires, resigns, or for other reasons leaves the corporation before repaying the Sick Leave Bank, the debt shall be waived.

COMPOSITION OF THE SICK LEAVE BANK:

- A. The number of days contributed will continue to accumulate until approximately two hundred (250) days are credited to the Sick Leave Bank.
- B. The annual enrollment period for accepting voluntary membership in the Sick Leave Bank shall be the first thirty (30) days of the school year, or the first thirty (30) days following the ratification of this contract, whichever is later.
- C. A participant employed by the Pioneer Regional School Corporation after the annual enrollment period has passed shall have ten (10) days from the date of employment in which to enroll in the Sick Leave Bank.
- D. The Sick Leave Bank was initially formed through voluntary participation and by voluntary donations, with written authorization of two (2) full days by participating members. After the first year of membership in the Sick Leave Bank, a teacher need only contribute one (1) paid leave day (if contributions are required) to remain a participating member in the Bank. If a teacher desires to return to the status of a participating member after withdrawing from membership in the Sick Leave Bank, that teacher shall contribute two (2) days in the first year after returning to membership.
- E. Paid leave days donated to the Bank by a teacher are considered a permanent contribution to the Bank and may not be withdrawn or transferred to another school corporation.
- F. If, at the start of the school year, there are approximately two hundred (200) days in the Sick Leave Bank, there shall be no contribution except for the repayment of days, contributions by teachers returning to membership, and contributions by new members.
- G. If, at any time, a member of the Sick Leave Bank desires to withdraw from the Bank, he/she shall write a letter to the President of the PCTA requesting such withdrawal. Upon receipt of the letter, the President shall immediately notify the Superintendent's office of the withdrawal, which will then become effective immediately. The enrollment period at the beginning of the next school year would be the next opportunity for this teacher to rejoin the Bank.
- H. In the event that the total number of days in the Sick Leave Bank should drop below thirty (30) days, each member of the Bank shall be assessed an additional sick leave day in order to rebuild the Bank. If at that time a member has no remaining sick leave days, he/she shall be exempt from this assessment.
- I. Up to ten (10) sick leave days may be donated to the Sick Leave Bank by a retiring teacher.

AMENDMENTS:

These rules shall be amended only by mutual consent of the Board of Trustees and the PCTA.

ILLNESS IN THE FAMILY

Teachers may use their accumulated paid leave for immediate family illnesses that involve minor, routine, or non-life-threatening situations.

The term immediate family for the purpose of family illness leave shall be construed to mean spouse, children, parents, stepparents, grandparents, grandchildren, mother-in-law, father-in-law, brother, sister, or others living in the home with the employee.

ASSOCIATION LEAVE

The Association President and/or his/her designee shall be permitted up to two (2) days total during the school year to conduct Association business. No partial days will be requested. Two (2) days notice will be given to the Superintendent of such a request. The Association shall reimburse the Board for the substitute pay associated with such leave, and said days shall not be subtracted from the teacher(s) accumulated leave days.

MATERNITY LEAVE

A pregnant teacher shall be entitled to one (1) year's leave of absence; a second year may be granted upon request by the teacher. If an extension is desired, written notification shall be given by May 1.

Upon verification of pregnancy, the teacher shall notify the Superintendent of her pregnancy and anticipated date of leave. A written request for maternity leave must be submitted to the Superintendent at least one (1) month prior to the anticipated leave, unless not possible for health reasons.

Upon return from maternity leave, the secondary teacher shall be assigned to a department in which she is certified. The elementary teacher shall be assigned to a primary grade if this is the area she taught in before, and to an intermediate grade if this is the area of her previous assignment. Primary grade means kindergarten through third grade, and intermediate means fourth through sixth. Deviation from this must be agreed to by the administrator and the returning teacher. Normally, the teacher shall be assigned to the same position she held previously.

Teachers shall not gain a step on the salary schedule while on leave.

Compensation and other benefits not mentioned shall not be available for teachers on maternity leave. The Corporation shall continue to pay their portion of the insurance provided for the employee for one hundred twenty (120) days following the last actual day of teaching. If the leave exceeds these one hundred twenty (120) days, that portion paid by the Corporation shall be discontinued. The teacher may exercise the option to keep said insurance in effect by paying the total cost herself after the one hundred twenty (120) days have elapsed.

ADOPTIVE LEAVE

A teacher adopting a child shall be entitled to a one (1) year's leave of absence. A second year may be granted upon request by the teacher. If an extension is desired, written notification shall be given thirty (30) days in advance of the start of the requested extension.

Upon notification of adoption, the teacher will notify the Superintendent of the anticipated date of leave. A written request for adoptive leave must be submitted to the Superintendent at least one (1) month prior to the anticipated leave, unless not possible. If both parents are teachers, only one (1) may request this adoptive leave.

Upon return from adoptive leave, the secondary teacher shall be assigned to a department in which he/she is certified. The elementary teacher shall be assigned to a primary grade if this is the area he/she taught in before and to an intermediate grade if this is the area of previous assignment. Primary grade means kindergarten through third grade, and intermediate means fourth through sixth grade. Deviation from this must be agreed to by the administrator and the returning teacher.

Normally, the teacher will be assigned to the same position he/she held previously. Teachers shall not gain a step on the salary schedule while on leave. Compensation and other benefits not mentioned shall not be available for teachers on adoptive leave. The Corporation shall continue to pay their portion of the insurance provided for the employee for one hundred twenty (120) days following the last actual day of teaching. If the leave exceeds these one hundred twenty (120) days, that portion paid by the Corporation shall be discontinued. The teacher may exercise the option to keep said insurance in effect by paying the total cost his/herself after the one hundred twenty (120) days have elapsed for a period not to exceed two (2) years from the start of the leave.

LEGAL LEAVE

If a teacher is summoned to appear in a Court of law or to serve on a jury in a Court of law on a day when school is in session, the Corporation shall pay the difference between the compensation received and the employee's daily rate of pay. The teacher shall continue to receive full pay with the amount of the Court reimbursement subtracted from the last paycheck of the school year.

If the grievance is not resolved in Step One, the grievant may, within ten (10) working days of receipt of the principal's answer, appeal to the Superintendent by filing at the office of the Superintendent a grievance, the principal's answer, and any written response of the grievant to the answer of the principal. The Superintendent shall receipt the items filed.
- B. The Superintendent, or his/her designee, shall give the grievant an answer in writing no later than ten (10) working days after receipt of any written grievance properly filed with the Superintendent's office.

Step Three:

Within ten (10) working days after receiving the decision of the Superintendent, an appeal from that decision may be made to the Board. The Board shall hold a hearing on the grievance at a regular or special meeting and render its decision in writing to the grievant within five (5) working days. But in no case shall the Board hearing be delayed or postponed beyond one (1) calendar month after receipt of the grievance.

Step Four:

TIME LIMITS:

- A. Time limits herein may be extended by mutual agreement in writing and signed by both parties.
- B. If there is a failure at any step to communicate the decision on a grievance within the specified time limit, it will be a sign that the grievance is settled in favor of the employee.
- C. Any grievance which arose prior to the effective date of the Agreement shall not be processed.

OTHER PROVISIONS RELATING TO THE GRIEVANCE PROCEDURE:

- A. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.
- B. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personal file of the participant and are not valid basis for evaluation or consideration or awarding any professional advantage to any teacher.
- C. The grievant may have a representative of his/her choice present at any and all steps of this procedure. If a representative is to be present, the supervisor shall not initiate any consultation with the grievant prior to any scheduled meeting.
- D. The grievance form is found in Appendix "G".

SUMMER SCHOOL

Teachers of summer school classes approved by the Department of Education and/or requiring instruction by certificated teachers shall be issued a supplemental service teacher's contract. These teachers shall be paid for each hour of instruction at the hourly rate based upon the regular Pioneer School Corporation teacher's contract for the preceding school year for said teacher if requirements are met for state reimbursement for teacher's salaries. Summer school teachers may use accumulated sick leave or personal leave. Proper notification shall be given the building administrator using the same guidelines required during the regular school year.

SALARY SCHEDULE

PREAMBLE:

This Salary Agreement between the Pioneer Classroom Teachers Association and the Pioneer Regional School Corporation is designed to be the basis for a renewed spirit of cooperation and common purpose. Both the contents of this agreement, and the atmosphere in which it was created, provide hope that our school system will continue to rise to new levels of achievement and professionalism.

SECTION A:

The PCTA and Corporation agree that the Teacher's Pool for the calendar year, 1993, was two million, five hundred six thousand, eight hundred thirty-one dollars and seventy cents (\$2,506,831.70). This figure includes the following:

1. Teacher Salary Cost

- a. Base Salary
 - b. Extended Contracts
 - c. Personal Days
 - d. College Credits
 - e. TRF (Teacher Retirement Fund)
 - f. Annuity
 - g. Social Security
 - h. Retirement
2. Insurance
- a. Health
 - b. Life
 - c. LTD
 - d. Vision

We are entering into this agreement with the understanding that the items to be paid from the Teacher's Pool (as listed above) are presently being paid from the Applicable Revenues (Appendix "C"). Any items from that list that are not being paid from the Applicable Revenues will continue to be the responsibility of the Corporation.

In addition to the above, the PCTA and Corporation agree that the percent listed in Section B below is also applied to the Corporation's General Fund balance as of January 1, 1993. This figure will be applied to the Teacher's Pool and is available to the PCTA, under the guidelines of Section M below.

SECTION B:

The PCTA and Corporation agree that sixty-four point seven percent (64.7%) is rightfully the Teacher's portion of the Applicable Revenues. This percent will be used to increase the Teacher's Pool each school year by applying that percent to all Applicable Incoming Revenue. The Teacher's Pool each calendar year will be applied to the school year beginning in August of that calendar year.

SECTION C:

This Teacher's Pool is established with a size of sixty-three (63) teachers. Should the Corporation wish to increase the size of the teaching staff, it must pay the cost of the increase from its portion of the budget for the first school year. Thereafter, it becomes a cost to the PCTA side of the budget.

SECTION D:

Applicable Revenues are listed in Appendix "C" along with Non-Applicable Revenues. Should any revenues begin to occur that are not listed in one of those groups and they are intended to help fund the General Fund of the Corporation, then that revenue shall be subject to the percent listed in Section B above. Any disputes regarding this will be subject to the Grievance Procedure in the Master Contract. Revenues from the sale of real property will be negotiated between the PCTA and the Corporation.

SECTION E:

If the State of Indiana creates new school fund categories from the General Fund (such as an Energy or "Utility" Fund), the PCTA and Corporation agree that the Teacher's percent in Section B above will be re-negotiated.

SECTION F:

Either the PCTA or the Corporation may terminate this Agreement for the following school year by notifying the other by June 1.

SECTION G:

The Extra-Curricular Salary Schedule will increase at the same percent as the Teacher Salary Schedule. The creation of new positions or adjustment in pay (other than the increase described in sentence #1 of this section) are still subject to IC 20-29-6 and past procedure.

SECTION H:

The PCTA may authorize from its portion of the budget a one-time per year stipend based upon the financial

situation of its portion of the budget.

SECTION I:

The Corporation agrees to pursue other available sources of funding (excluding referendum, tax anticipation warrants, or loans of any nature unless mutually agreed upon) as allowed by the State of Indiana. This item was not bargained and is for informational purposes only.

SECTION J:

The Corporation will furnish the PCTA with timely and accurate financial reports throughout the year.

SECTION K:

The Corporation agrees to provide an increase in the salary schedule (Appendix "A") as proposed by the PCTA at the beginning of the school year. Salary schedule changes will reflect the same individual indices (Appendix "A") as the 1992-93 year unless mutually agreed to the contrary by the PCTA and the Corporation.

SECTION L:

Under this Salary Agreement, language items shall be negotiated during the statutory bargaining timeline.

SECTION M:

This Salary Agreement will terminate in at the conclusion of the agreement unless both the PCTA and the Corporation mutually agree that it should continue. Either party may initiate reopening of the contract with mutual agreement of the other party for modifications during the life of the agreement.

SECTION N:

In the case this Salary Agreement is terminated, all provisions in Sections A through M will be null and void. In the event that each party chooses the option to terminate the Agreement, the parties agree that the Base Salary in effect on the termination date will be maintained until negotiations for a successor contract are completed.

The applicable Salary Schedule is set forth in Appendix "A" of this Agreement.

The applicable Extra-Curricular Compensation Schedule is set forth in Appendix "B" of this Agreement. Extended contracts shall include compensation proportionate to the additional length of the contract involved. Summer school contracts shall include compensation based on the teacher's regular contract for the current school year. An individual teacher's hourly rate of pay is defined by the following formula: Individual Teacher's Base Salary from the prior school year (as per the Salary Schedule) / Number of Teacher Days / 6 hours.

PIONEER COMPENSATION MODEL SPECIFICATIONS

Compensation will be based upon the teacher pool formula. Any teacher rated ineffective or improvement necessary will have the raise s/he would have received returned to the pool for calculation of raises for those who meet the criteria.

The salary schedule in Appendix A will apply to teachers based upon the following specifications. The salary range for 2019-2020 was \$33,301-63,272. The salary range for 2020-2021 after increases was \$33,301-\$64,537.

Teachers may be eligible to make a row change or a column change if sufficient funds are available and the teacher meets the requirements set forth herein to earn the salary increase. In accordance with Indiana law, no teacher shall ever be eligible to earn a salary increase if the teacher receives an evaluation rating of needs improvement or ineffective during the preceding school year.

1. **Requirements to make a column change.** For a teacher to make a column change within the salary schedule, the teacher must have: (a) met the academic needs of students by having earned the additional degree/hours required to make the column change, and (b) performed at least one leadership activity from the list set forth below in paragraph 3 during the preceding school year, and (c) did not receive an evaluation rating of needs improvement or ineffective. A teacher who has met the requirements to make a column change may move to the next row down in the applicable column. For example, if a teacher is in Row 7 of the BS + 15 + Leadership column and the teacher earns a Master's degree or BS +30, meets the leadership requirement, and meets the evaluation requirement, then the teacher may move to Row 8 of the MA/BS+30 + Leadership column the following school year. The additional degree/hours attainment is defined as meeting the academic needs of students and will account for 25% of the teacher's salary increase and the remaining 75% of the teacher's salary increase shall be attributable to the teacher meeting the leadership and evaluation requirements.

2. **Requirements to move down one (1) row within the same column.** If the teacher is not eligible for a column change due to the lack of attaining an additional degree or education hours but the teacher meets all of the following criteria, then the teacher may move down one (1) row in his/her current column. The requirements to move down one row within the same column are as follows: (a) The teacher must perform at least one leadership activity from the list set forth in paragraph 3 below during the preceding school year, and (b) did not receive an evaluation rating of needs improvement or ineffective.

3. **Leadership.** To meet the leadership criteria to earn a salary increase under either paragraph 1 or paragraph 2 above, a teacher must participate in at least one of the following leadership activities during the preceding school year:

- At least 97% attendance for the school year. The days that will be counted against a teacher's attendance for purposes of this leadership criteria are days taken off by the teacher for personal reasons and days taken off by the teacher for personal illness (except FMLA designated days).
- National Board Certification.
- Unpaid building level committee participation that has been pre-approved by the teacher's building principal.*
- Unpaid Corporation level committee participation that has been pre-approved by the Superintendent.*
- Unpaid State level committee participation that has been pre-approved by the Superintendent.*
- Leadership work within School Corporation initiatives that has been pre-approved by both the Superintendent and the teacher's building principal.*
- 15 documented PGPs that are not tied to education degree or credit hours.
- Leadership through collaboration meetings with pre-approval of the teacher's building principal.*
- Teaching an Advanced Placement (AP) Course.
- Teaching a dual credit course.
- Serving as a new teacher mentor with pre-approval from the teacher's building principal.*
- Serving on a school improvement team committee.
- Membership in a professional association.
- The teacher is an unpaid club sponsor for a school club that has been pre-approved by the teacher's building principal.*
- Attend two (2) Parent Teacher Organization (PTO) meetings.
- Work unpaid at two (2) extra-curricular events.

- Supervise the Christmas Program or Spring Sing.
- Cover class at least two (2) times for another teacher during your preparation period.
- The teacher is a professional development trainer in a professional development activity that has been pre-approved by the teacher's building principal.*
- The teacher supervises student teacher(s) with pre-approval from the teacher's building principal.*
- The teacher gets an additional subject endorsement on his/her license.

*A teacher requesting pre-approval from the designated administrator will do so by sending an e-mail to the administrator. The administrator will then respond to the teacher's pre-approval request via e-mail.

4. Placement of New Teachers on the Salary Schedule. New teachers who are hired with no previous experience for the school year will be placed on the salary schedule in Row 0 and in their appropriate degree column. New teachers who are hired with previous teaching experience will be placed in the appropriate column that matches their current degree/education and on the row number that matches their current years of experience as verified through Indiana's TRF (INPRS). For initial placement purposes only, the row numbers will equate to years of teaching experience. The superintendent will have the flexibility to place a new hire up to two rows above or two rows below their experience level.

5. Redistribution of Forfeited Salary Increases During the School Year. Any salary increases that are required to be forfeited by a teacher during the school year due to the teacher being evaluated as needs improvement or ineffective will be redistributed to the Teacher's Pool.

6. Stipend. For the 2020-2021 school year, all teachers will receive a stipend of \$1,008 paid out in two installments. The first half will be paid out on the check preceding Winter Break. The second half will be paid on the check that precedes Spring Break.

APPENDIX “D”

INSURANCE BENEFITS

HEALTH INSURANCE:

The Board shall provide all full-time certificated teachers with all of the benefits below:

- A. All plan design benefits shall be determined by mutual consent agreement between the Board and PCTA.
- B. A teacher may select a single policy or family policy.

The Board will contribute toward health insurance:

Single Plan	\$5,000
Family Plan	\$10,000

The carrier of said policy shall be determined by mutual agreement between the Board and PCTA. Currently, The Board and the Association have agreed to be in the MASE Trust. One (1) teacher appointed by the president of the PCTA attends the Trust meetings on behalf of the Association.

The percentages to be paid each group may be changed prior to the start of each of the next two (2) school years, if by mutual consent of the Board and PCTA.

In the event of the death of a certified employee, the surviving dependents have the option of continuing the health insurance for a period of not more than three (3) years; as per law. These dependents shall pay full costs to the school corporation.

Beginning January, 1985, the Board and the Association agree to establish an insurance and fringe benefit committee. The purpose of the committee is stated below:

To investigate and to study health insurance carrier(s) which provide comprehensive coverage for the most competitive premium.

The committee shall be composed of three (3) teachers appointed by the president of the PCTA and three (3) representatives appointed by the Board.

GROUP INCOME PROTECTION PLAN:

The Board shall provide full-time certificated teachers an Income Protection Plan providing disability benefits as stated below:

- A. Accident and/or sickness income benefits. Benefits shall begin on the ninety-first (91st) day of total disability or illness and shall continue until the teacher reaches the age of sixty-five (65) for any one (1) continuous period of disability. Monthly benefits shall be sixty-six and two thirds percent (66 2/3 %) of the teachers' monthly salary from the Board. The maximum payable monthly benefit to the teacher shall be two thousand five hundred dollars (\$2,500.00).
- B. The Income Protection Plan shall be a standard program subject to the normal restrictions of the carrier.
- C. The Board shall pay all except one dollar (\$1.00) of the premium in the group income protection plan. The effective date will be determined by the parties and the insurance carrier.

TERM LIFE INSURANCE PROGRAM:

The Board shall provide each full-time certificated teacher with a Term Life Insurance policy according to the following terms:

- A. A minimum death benefit of thirty thousand dollars (\$30,000), double for accidental death.
- B. The Board shall pay all but twelve cents (\$0.12) of the premium.

C. The carrier of said policy shall be determined by the Board.

VISION PLAN:

The Board shall provide each full-time certificated teacher with a vision plan for a period of up to four (4) years according to the following:

- A. Benefits of a PLAN "A" \$10/\$15 DEDUCTIBLE PLAN.
- B. The Board shall pay all but twelve cents (\$0.12) of the premium.
- C. The carrier for said policy shall be VISION CARE PLAN OF INDIANA.

A committee will be established to study vision insurance premiums versus benefits. The committee will be composed of two (2) people appointed by the PCTA and two (2) members appointed by the Board. If, after consideration of the committee, it is determined that this vision insurance is not beneficial in accordance with the premiums, the plan shall be dropped and another plan shall be recommended to the Board for replacement. The Committee shall convene every two (2) years to evaluate the plan in place and make its recommendation to the Board for continuation, deletion, or change of plan on or before November 1.

DENTAL PLAN:

The Board shall provide access to the MASE Trust Dental Plan at the employee's cost.

SECTION 125 FRINGE BENEFITS:

The benefits provided to employees by Section 125 of the Revenue Act of 1978 shall be made available to any bargaining unit member so requesting. The salary schedule shall include a set aside for Section 125 benefits which includes nontaxable benefits of major medical, long-term disability, short-term disability, Section 79 Life, non-reimbursed medical and dependent care. See Appendix "J" for sample plan document.

Payroll deduction shall be made available to the administrator of the plan for voluntary Universal Life Annuities and Disability coverage when applicable.

The Corporation shall provide the above Section 125 Fringe Benefit Plan to all teachers by January 1, 1990. The Board will select the carrier for said plan.

Any teacher on sabbatical shall have the option of continuing any or all of the above insurance programs subject to any restrictions or limitations imposed by the carrier. The teachers shall pay the full premium cost of each and all insurance programs continued.

Part-time teachers shall receive all benefits listed above on the pro-rated basis.

- A. Part-time teachers may select which benefits they wish to receive.
- B. Proration shall be based on the percentage of full-time employment.

Example: A one-half (1/2) time teacher shall receive one-half (1/2) of the Board contribution that a full-time teacher receives for the same benefit plan. This probation would apply to one-quarter (1/4) time, three-quarter (3/4) time, etc.

The method of purchase currently in existence at the time of the signing of the 1987-88 agreement (direct purchase from the carrier rather than working through a consultant) shall not be changed without mutual consent. This is not meant to refer to the insurance carrier. (Became current language in 1987 as per memo of understanding.)

APPENDIX “E”
SEA 199 BUYOUT AGREEMENT
(buyout of prior retirement benefits)

Effective Date: The following amendments are made to the Master Contract between the Pioneer School Corporation and the Pioneer Classroom Teachers Association, hereinafter the “Board” and the “PCTA” respectively, and signed the fourth day of April, 2006. These amendments shall be effective with respect to any teacher retiring on or after July 1, 2006.

1. Buyout of Retirement Benefits

1. Elimination of Prior Agreement’s Retirement Benefits - The Board and the Association specifically reserved the authority to revise or terminate the retirement benefits contained in earlier Master Contracts. Exercising this authority, the Board and the Association now confirm that Section “E” entitled “Retirement Benefits”, contained in the Master Contract immediately before this amendment’s effective date are terminated and shall not apply to any teacher retiring from this school corporation on or after July 1, 2006.
2. Vesting Requirements – A teacher shall be fully vested in the retirement benefits described in this Section if the retiring teacher has satisfied the following requirements:
 - a. Has fifteen (15) years of teaching service with Pioneer School Corporation, and is at least fifty-eight (58) years of age during the calendar year of retirement.
 - b. If a teacher’s fifty-eighth (58th) birthday falls during the school year, that teacher may elect to retire at the beginning of that school year.
3. Actuarial Determination of Value of the Current Retirement Benefits- The Educational Services Company has been selected to determine the present value of the unfunded retirement benefits described in the prior Master Contract. In making this present value determination, the Educational Services Company shall use the following assumptions:
 - a. Interest Rate. The assumed interest rate for the purpose of determining the present value is four percent (4%) in the first two (2) years of the plan, and seven and one-quarter (7.25%) each year thereafter. However, for post-retirement cash flow purposes, a four percent (4%) interest rate shall be used.
 - b. Retirement Age. It is assumed that an employee terminates employment at the end of the school year in which the employee attains age fifty-nine (59), or at the end of the current school year, if the individual is already age fifty-nine (59) or older. If an employee does continue employment after the attainment of age fifty-nine (59), the employee does continue to receive all ongoing Board contributions to the annuity to which the employee is entitled.
 - c. Termination Assumption. The Termination Assumption shall be calculated using the Sarinson T3 Actuarial Table agreed to on the Buyout summary sheet.
 - d. Mortality. A mortality discount using the Uninsured Pensioners 1994 Table shall be applied as agreed to on the Buyout summary sheet.
 - e. FICA. The present value of future retirement benefits will be reduced by the Social Security and Medicare taxes (FICA) that would have been payable by the teacher if the benefits would have been paid directly.
 - f. Exclusion of Employees. Teachers hired after July 1, 2006 shall not be entitled to any payment for retirement benefits. In other words, no contribution shall be made for individuals whose first contractual day is after the effective date of this Master Contract.
 - g. Using the above assumptions and the other assumptions contained on the buyout spreadsheet, the Educational Services Company shall prepare the present value calculations for each teacher and the contributions described herein shall be made into each teacher’s VEBA account. Said VEBA accounts

shall be administered by a vendor mutually agreed upon by the Board and PCTA.

- h. **Retiree Health Insurance.** For purposes of calculating the value of the retirement health insurance found in Section "E", Social Security Bridge Benefit of the 2002-2005 Master Contract, the parties agree to use an assumed annual post-retirement group health insurance cost of three thousand seven hundred and fifty-five dollars (\$3,755.00) for the single premium, with an assumed annual inflation rate of zero percent (0). The parties assumed that the retiree received this benefit from the time of retirement until the date the retiree becomes eligible for full Social Security benefits. The present value of the retiree health insurance benefit was calculated assuming that teachers do not retire until the teacher has met the requirements outlined in Section 2, Vesting Requirements, above.
 - i. **Rehired Employees.** Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or re-employed by the School Corporation after July 1, 2006. However, if the Board shall have approved a leave of absence of not more than one (1) fiscal year for an employee, such period of leave shall not result in forfeiture provided the employee shall promptly return to employment following the expiration of the period of leave.
 - j. **Calculation Date.** The present value of the retirement severance benefits contained in the Prior Agreement shall be calculated as of June 30, 2005.
 - k. **Deposit Date.** Buyout amounts shall be deposited into the teacher's individual accounts on or before July 1, 2006.
4. **Group Health Insurance - Immediately following retirement, the teacher, and his/her spouse, shall have the option of remaining in the Board's current group health insurance plan if all of the following conditions are met as of the date of retirement and thereafter:**
- a. While the retired teacher, spouse and eligible dependents, if any, remain enrolled in the health insurance plan, the retired teacher and spouse shall pay the entire insurance premium applicable to the insurance coverage.
 - b. Within ninety (90) days of the retirement date, the teacher has provided a written request to the Board for insurance coverage for the teacher, spouse and eligible dependents, if any.
 - c. When a retired teacher first becomes eligible for full Social Security, the teacher's eligibility to continue to participate in the Board's group health insurance plan shall terminate, if not earlier terminated according to applicable law. This same termination of eligibility shall also apply when a retired teacher's spouse first becomes eligible for full Social Security. It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible teacher's right to health insurance for the teacher and spouse, including if otherwise applicable, Indiana Code 5-10-8-2.6. Therefore, this right to extended coverage shall not override any rights to continuing health care coverage as required by COBRA.
 - d. Teachers may also elect to continue in the term insurance program and the vision insurance package, until the age of full Social Security, but they will be responsible for 100% of the premiums. Payment must be submitted to the Superintendent's Office by September 1 of each school year. Once one or both of these options are dropped the participant will no longer be eligible to participate in the program.

B. Buyout Contributions VEBA (Voluntary Employee's Beneficiary Association)

1. The school corporation shall contribute to a voluntary employee's beneficiary association ("VEBA") as described in section 501(c)(9) of the Code, that amount representing the present value of the following benefits:
