BRES Picture Retake Day

I need YOU...

..... to help US!

~ BRES Families ~

I am writing this week to ask for your help. Many schools in our surrounding area have been affected by COVID19. There are cohorts who have quarantined and some schools who have had to shut down completely for in-person learning. Our staff have worked endlessly to readjust everything they do in the classroom and comply with every CDC and DOE directive to safely open our school. Keeping our school healthy and open is important to us and our community. I am asking you to please remain vigilant and safe. This pandemic is wearing on us all. We are tired of not being able to move on and live life in a carefree way. We need to remain steadfast in our efforts to keep our community safe and our school open! I am going to ask that, with the holiday season upon us, you think about where you are traveling, who is visiting, and the gatherings you and your family are attending. As we have seen, it only takes one person who doesn't know they are sick to be near you or your children and it can affect our community in a big way, including shutting down our school.

On behalf of the students and staff of BRES, I thank you for doing your part in keeping us safe and our school open! Let's keep up the GREAT work!!

From Mrs. Jones Third Grade Class

In honor of Halloween and our amazing skeletons, we made hand X-rays. We learned just how complex the hand is and why it has so many bones. Boo!

Girl Scouts offers the best leadership development experience for girls in the world—one that is designed with, by, and for girls.

Girl Scouts unleashes the G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™ in every girl, preparing her for a lifetime of leadership.

Our Girl Scout Leadership Experience is a one-of-a-kind leadership development program for girls, with proven results. It is based on time-tested methods and research-backed programming that help girls take the lead—in their own lives and in the world.

The inclusive, all-girl environment of a Girl Scout troop creates a safe space where girls can try new things, develop a range of skills, take on leadership roles, and just be themselves.

Our Program

Everything a Girl Scout does centers around STEM, the outdoors, development of life skills, and entrepreneurship, and is designed to meet her where she is now and to grow along with her.

STEM: Computer science, engineering, robotics, and more.

Life Skills: Civic engagement, healthy living, global citizenship, and communication skills.

Outdoors: Adventure and skill building, including camping experiences for all age levels, from the backyard to the backcountry.

Entrepreneurship: The Girl Scout Cookie Program - the largest girl-led business in the

world - teaches goal setting, decision making, money management, business ethics, and people skills.
