

MOHAVE VALLEY SCHOOL DISTRICT #16

'Student Focused! Future Driven.'

December 13, 2022

Dear Parents, Staff, and Community,

I received a call this morning regarding a narcotic discovered on campus at Fort Mojave Elementary School. The school immediately secured the narcotic, notified the Sheriff's Office, and turned the investigation over to the authorities. The front office found the narcotic in an envelope inadvertently dropped off at the school by an adult. Students and staff are safe and were never in danger.

We work closely with local law enforcement to prepare for such situations. Our schools and departments have detailed emergency plans. These practices and reviews allow us to monitor and adjust our safety procedures constantly.

Together, with your assistance, we can continue to provide the safe and secure learning environment that our students deserve.

Thank you for entrusting us with the education of your children. We will continue to educate them with excellence and keep them safe.

Thank you for your continued support.

Respectfully,

A handwritten signature in black ink, appearing to read "Cole Young".

Cole Young, MVESD Superintendent
