

MOHAVE VALLEY SCHOOL DISTRICT #16

'Student Focused! Future Driven.'

Our schools receive federal funds for Title I Programs that are part of the *No Child Left Behind Act of 2001/Elementary and Secondary Education Act*, as amended by the *Every Student Succeeds Act (ESEA)*. Throughout the school year, we will continue to provide you with important information about this law and your child's education. This information can also be found in your student's agenda.

You have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district will provide you with the following as soon as possible:

- If the teacher has met state licensing requirements for the grade level and subjects in which the teacher is providing instruction;
- If the teacher is teaching under an emergency status for which state licensing requirements have been waived;
- The type of college degree major of the teacher and the field of discipline for any graduate degree or certificate; and
- If your child is receiving Title I services from paraprofessionals, and, if so, his/her qualifications.

If you would like to request this information, please contact your child's school principal.

Thank you for your interest and involvement in your child's education.

For the kids,

Cole Young, Superintendent
