

**MOHAVE VALLEY ELEMENTARY SCHOOL DISTRICT
DISTRICT- AND SCHOOL-LEVEL STUDENT/PARENT/TEACHER COMPACT**

We understand that parents, students, and teachers working together can enhance a child's education. By working together to accomplish State standards, we can achieve high academic, behavioral, and social goals for our students.

As a student I will: attend school regularly, respect and cooperate with others to do my best work, and make good decisions.

As a parent I will: provide a time for my child to do school work and review it with them, instill the importance of education in my child, ensure that my child attends school regularly and arrives at school on time, participate as often as is possible in the learning and social activities as well as the decision making of the school, and communicate with the teacher and school when problems arise.

As a teacher I will: form a community with families to support students' learning, continue to grow professionally, maintain high expectations for myself and the students, provide high quality instruction, and be available to communicate with parents through parent-teacher conferences and frequent written or verbal reports about progress and options.

As a principal I will: provide an environment by which positive communication between parents, teachers and students will occur, provide leadership for a community that supports student learning, and communicate options and opportunities for families to support student learning.

As a school we will: Provide a high quality curriculum aligned to the Arizona Academic Standards where required, and encourage parental participation in the decision-making process.
