The Knightly News
October 30, 2020

DATES TO REMEMBER

November 3 - Election Day

November 11 - Veteran's Day - Program @1:00pm

Halloween Festivities

Huge thank you to the Lucas and Laura Stock family for donating pumpkins to the elementary students.

Huge thank you to all of the families who either had a trunk or brought their children for Trunk-or-Treat on Thursday evening.

REMOTE LEARNERS

Thank you to students, teachers, and parents for working together to keep remote learning going. If your child is remote learning, we have grown to two tubs outside the school building. One tub is for pick-up and one if or drop-off of materials. We have also gone to placing materials in a bag with the student's name on it. That is to help keep student materials together and prevent the wrong materials from going to the wrong location. If you could please help keep these processes going, that would be great!

BUS STUDENTS

This message was from Mr. Knippelmeyer regarding students riding the bus in his weekly COVID update.

"One area of concern from the school's standpoint that I would like to share with you at this time is mask wearing on our buses. Our bus drivers need to be focused on driving our students safely to and from school, and we can't expect them to constantly monitor students wearing masks. Please continue to have conversations with your child(ren) if they ride the bus, that wearing a mask is required. Transportation is an extension of the school day and the same protocols apply on our buses as they do in the classroom. Thank you for your support with this."

SOS NEWS

The SOS met Monday night and approved the purchase of new music risers! Thank you! Thank you! Thank you to all who helped raise funds to make this purchase.

Also, thank you again to the SOS and all who helped make Trunk-or-Treat a success.

Mr. Dlouhy's class in music with Mrs. Graff

NEWS FROM THE NURSE:

This first quarter has gone better than I could have ever imagined in light of all the constant changes surrounding COVID. We appreciate everyone's openness and honesty regarding COVID testing and exposure, and keeping your kids home when necessary. We encourage you to continue to do so as we enter second quarter, and influenza season. Now is a great time to get your flu shots!

If you have any questions about your child's illness and need guidance on whether or not they should attend school, please don't hesitate to email me. I frequently check my email, when I'm not working at school as well.
