## '19-'20 School Calendar Superintendent Lambert

The '19-'20 school district calendar has been finalized and approved by the board of education. Please make sure you pay attention to August and November as those two months have 3 Fridays in there as school days (elementary does not attend on Fridays). This allowed us to get out of school earlier in May. As we can't please everyone and their schedules, we hope that having this out early will help you plan for your next year. You can find the color-coded version on the school website under district information.

## Business Classes in Cody - Kilgore

Have you ever wondered how much money you should have in an emergency fund? How about how much you can afford to spend on a vehicle? Should you borrow money for an education? What documents you need to start a business or get married? Is your credit rating important? Will you be able to retire?

There are as many questions in adult life as there are in the life timeframe of a young person. Many adults graduate from high school and then later wish they had taken this or that in school when they had the chance.

Cody-Kilgore High School has a very progressive class-offering list that includes many business classes. One such class is Personal Finance. This course not only helps students for adult life, but helps them prepare for college financial decision making as well. This class can fit into a Senior year schedule along with Careers, giving students an opportunity to explore different trains of thought in regard to handling finances and wealth management for their future.

Also, new to the class offering for the 2019-2020 school year, will be the class Introduction to Business. This course is a great hands-on experience that will provide underclassmen with the opportunity to explore multiple aspects of business. Wondering if business is for you? This is a great way to find out!

Many more courses are available in multiple interest areas for you as a student or your child. I encourage you to visit with Mrs. Fay or high school teachers in the area of interest when preparing to register for classes for the next school year. Do not let a fantastic opportunity to explore new things slip through your hands-it could just change your life!

## What's All the Buzz About?

“The thing I enjoy most about quiz bowl is that it is both a team and an individual competition. Even though you compete as a team, a whole game can change based on the random knowledge of one person.” Author unknown

Ten members of the Cody-Kilgore Junior High participated in quiz bowl this year. Our team competed at the MNAC tournament in Merna and the ESU 17 tournament in Ainsworth. Confidence, quick reflexes, and a lot of knowledge on every topic imaginable are the qualities quiz bowl students need to have. Our quiz bowl participants grew as competitors during each of the 15 different matches. “Each time we face our fear, we gain strength, courage, and confidence in the doing.”- Theodore Roosevelt

## Cody-Kilgore Finance Team

Cody-Kilgore Finance Team has earned a spot in the Finance Challenge Regional Competition in Kearney at the University of Nebraska Kearney April 26, 2019. The Nebraska Personal Finance Challenge is sponsored by the Nebraska Council on Economic Education. Students individually completed a 30-question, rapid-fire exam consisting of categories on Earning Income, Buying Goods and Services, Saving, Using Credit, Financial Investing, and Protecting and Insuring. Each student was given 35 minutes to complete the exam. Cody-Kilgore will proceed to the Regional Competition where each participating team will be given a hypothetical family scenario. They will have two hours to create a PowerPoint presentation on their financial recommendations for the family and present to the judges. Regional winners will proceed to the State Competition in May.

Cody-Kilgore uses YouTube to broadcast home games, concerts and graduation. You will find our broadcasts on YouTube Live. Go to [www.youtube.com](http://www.youtube.com) and search for Cody-Kilgore Schools.

# Graham Retires

Marilyn started out at the Highway School about 5 miles from Merriman then on to the Kennedy School South of Merritt for 2 years. She was at Sparks for 2 years and at German Settlement for 3 years. Marilyn started at Cody-Kilgore during the 1996-97 school year. She taught 3rd grade for 20 years, a combination class of 2nd/3rd for 2 years and one year of 5th grade. She took off 3 years while her children were little.

I have worked with Marilyn for twenty-three years. She and I started as co-workers but over the years have become good friends. I will miss her dry, witty humor and calm demeanor. She taught both of my daughters and has always been part of their lives from graduations to confirmations. She is a true, loyal friend and will be greatly missed next year and in the years to come. I wish her the very best! She deserves it! - Kendra Schneider

Marilyn was our cursive teacher for years, many of her students have won the award for best handwriting Zaner Bloser. She also tells of year that she had a group of boys “future sports stars” who practiced their “autographs” so when they became famous they would be ready!

A funny story she shared once was when she had a class that all decided to write “pseudo” names on their papers. And handed them in. - Marsha Osburn

The staff, students and patrons wish the best to Marilyn as she retires from Cody-Kilgore.
