From the Principal

Dear Parents,

As you read this, our school is in the second month of teaching and learning. I want to express my sincere gratitude for your partnership in this work. From meeting the teacher and learning about chrome books to sitting in class and uploading assignments, you have been amazing! Thank you for investing in your child and showing such dedication to education. In three decades of doing this work, I have never experienced such a start. Frankly, I hope I never do again, but maybe that's just me. As I consider all that is

happening in our world and all that we can learn from this experience, I truly feel that one of the biggest take-aways is to appreciate the things that we may have taken for granted. Without ever giving it a second thought, I have been preparing for the start of a traditional school year since I was a 5 year old kindergarten student. This year has been an anomaly and has caused me to reflect on the day-today things that I may have taken for granted. I am thankful for those things and I look forward to seeing them through in the Butler Acres Learning Community as we make the best of this year and hope for a return to more traditional learning.

I am happy to have returned to serve Butler Acres as the principal. It is a learning community that is full of dedicated and talented staff members. It serves a diverse and incredible population of students. Butler Acres is continuing to grow and improve as a school. Together, we can be a part of an amazing future for children as we work together in their service.

This year, we will be learning and teaching while our school is under construction. Next school year, it will look and feel like new. The work that is in place will expand and modernize our school. It is an exciting time for this community. Please go on the district website to learn about the details of this bond project. I'm excited to share the finished product with you next year!

We are working hard to keep kids safe and learning. We are capitalizing on some teachable moments around safety and appreciation. Our 3Rs of success are: "Respectful, Responsible, and Resilient", and we invite you to work those ideas into your conversations at home. We will be recognizing and celebrating those actions at our school throughout the year. We invite your partnership and your communication with us. Please engage with staff through email or phone call to get clarification, support, or ideas related to the education of your student(s). We are here to bring every child to the next level of learning and citizenship. We appreciate your partnership in this work.

One of the things that we will be doing this year is holding "career and college days". We will invite the students to join us in wearing shirts that show options in these two areas. If you happen to have a shirt from your place of business, we would be happy to wear it to show the importance of your work in our community. I love wearing shirts that highlight the important work of people in the trades and businesses of our community. The point of these days is to honor some options that kids will have as adults and to get them thinking about "what they want to be when they grow up". We will be tying that notion into our instruction to convey the connection between learning and working. We invite you to donate shirts, encourage your child to wear these things on the assigned day, or wear blue and gold to celebrate KHS as one of their educational destinations.

Thank you for your participation and support of Butler Acres. We are better with you and your support. Please call on me for anything that I can do in support of you or your child.

Sincerely,

Dr. Mark Connolly, Principal

From Our Health Specialist...

Our Health Specialist, Mrs. Dorcheus, would like to remind parents of the guidelines for medicine at school.

- Any medication, whether over-the-counter or prescription, to be given to a student at school **MUST** have a form signed by the parent **AND** doctor before we can store it in the Health Room.
- All medications must be transported to/from school by an adult, please do not send any medicine to school with your student!

Please contact Mrs. Dorcheus
at 501-1602 if you have any questions.

CONTACT INFORMATION

If there are any changes to address, phone number, work phone, cell phone, or emergency contact information for your student, please contact the office at 501-1600.

It is extremely important that we have the ability to contact parents/guardians for all students in our care.
