Is your child a different learner?

Do they have an IEP, a 504, or receive other services through the special education department?

Then you need to be at the next SEPAG meeting

AGENDA

- Learn tips for your IEP meeting to help you get what your child needs.
- Discuss areas of input for the SEPAG to share with the school district.
- Prepare for the Board of Education meeting

We are looking for ways to involve parents in the life of the school and provide input. So, we invite you to join our Special Education Parent Advisory Group (SEPAG) which gives parents the opportunity to provide input and advice to the school in regard to matters pertaining to the education and socialization of All students.
