Dear Middle School Marauder Families:

We recently became aware of a person at Ovid-Elsie Middle School that was diagnosed with COVID-19. After an investigation by the Mid-Michigan District Health Department (MMDHD), the individual attended school during the time they were contagious. Therefore, there is **risk of exposure at school**. The protocols that have been put into place at the Middle School (i.e., cohorting, social distancing, mask wearing, etc.) helped to limit the possibility of further exposure to staff and students.

If you are required to quarantine because of an exposure, the Health Department will contact you directly. If you or your student does not qualify as a close contact, you will not hear from the health department.

Further, we want to protect the confidentiality of this person. At this time, it is my role to tell all the families at Ovid-Elsie Middle School that we are moving forward under the guidance of the MMDHD and that all measures have been taken to protect the wellbeing of your child(ren) for a safe return to school on Thursday, November 5, 2020.

Again, we ask that all families please monitor for the onset of symptoms related to COVID-19, including fever, cough, difficulty breathing, headache, or new fatigue. If you note any change in the health of your child, please call your regular medical provider.

If you have further questions, you may contact Becky Stoddard, RN, MMDHD Public Health Nurse at 616-302-6435. You may also find more information at:
