REMOTE LEARNING FIVE
(5) DAYS OFF CAMPUS

*GRADES K-5 ONLY
WV VIRTUAL SCHOOL

OPTION 1: Four (4) Days On Campus Learning

The four (4) days on campus and one (1) day off campus learning plan begins

- November 9, 2020, for elementary schools.
- November 16, 2020, for middle schools.
- November 30, 2020, for high schools.

Four (4) days in-person on campus learning defined

- Schoology is utilized for assignments, grades, conferencing, and attendance.
- Classes change classrooms with proper sanitization procedures followed.
- Masks worn when 6ft of social distancing cannot be maintained.
- Tutors permitted to work with students.
- Elementary gifted services grades 1 - 5 delivered remotely.

OPTION 2: Five (5) Days of Off Campus Learning

The five (5) days of off campus learning plan begins

- November 9, 2020, for elementary schools.
- November 16, 2020, for middle schools.
- November 30, 2020, for high schools.

Five (5) days of remote learning off campus defined

- Schoology utilized as the communication tool between students and teachers.
- Schoology utilized for assignments, grades, conferencing, and attendance.
- Students remain connected with their current teacher(s).
- Remote learners utilize current WCS curriculum (textbooks) and iPads issued by their home school.
- Students who need assistance can contact their teacher via email or Schoology (Monday-Friday).
- Assignments for students learning off campus should keep pace with the four (4) day on campus students' instruction.
- Assignment due dates for remote learners may be different from in-person on campus learners.
- Due dates set around dedicated office hours on Fridays so students can communicate with teacher(s) before an assignment is due.
- Set two (2) dedicated hours for remote learners.

How to Sign Up for Remote Learning

- Contact your child's school
- Make an appointment with an administrator or counselor
- Sign the "COVID-19 Learning Commitment Form"
- Students remain in Option 2 until January 22, 2021.

OPTION 3: WV Virtual School for Grades K - 5

- Elementary students in grades K – 5 can be enrolled in WV Virtual School.
- Assignments and instructions are accessed through the WV Learns portal using an internet connection.
- Virtual teachers have Microsoft Teams meetings once a week with WV Virtual School students.
- WV Virtual School utilizes Florida Virtual School curriculum.
- Printed materials are provided by the Board of Education.
- iPads are issued by the students' home school.
- Wood County Schools' textbooks are not utilized.
- Students are assigned one virtual school teacher for all subjects.

How to Sign Up for WV Virtual School

Contact your child's school to enroll.

This is an option for elementary students K – 5.
