

EDDY COUNTY – WE HAVE TO COME TOGETHER

- Together – we can make a difference
- Together – we can change the rates
- Together – we can get the students back in school
- Together – we can get everyone back to work
- Together – we can reduce the spread by getting tested

14.6% NMDOH – 10/13/2020 to 10/26/2020 **Eddy County COVID Test Positivity Rate**

State Sponsored, Federally Supported Testing Blitz for Southern New Mexico – 10 Counties, including Eddy

COVID has put us all in a tough spot, and we need to come together to make a change – **our children and livelihoods depend on it.** Getting tested means getting back to school and back to work, faster.
