

P-EBT cards are still in the process of being mailed out to our student's families. RFCSC does not have any role in the mailing out of the cards nor any additional information other than what is listed in this FAQ provided by Indiana's FSSA -

<https://www.in.gov/.../dfr-policy-changes.../pandemic-ebt/>.

The P-EBT cards should arrive at your home by the end of November. RF provided student addresses to the Indiana FSSA on September 22nd – if your child's address was not accurate in our system on this date the FSSA has created this form that you can fill out requesting an address change - <https://tinyurl.com/y68preox>. Please make sure that RF has your correct mailing address in our system – there is a chance another round of P-EBT could happen and we need to have your correct address in our system in order for you to get these benefits.

# WHAT YOU NEED TO KNOW ABOUT **PANDEMIC EBT** (P-EBT)
