

## Insure your valuable electronic devices today!

The Trust has partnered with Worth Ave. Group, an industry leader in protecting electronic devices for K12 Schools. Protection for your device will be worldwide, meaning your device will be covered on and off school grounds. Devices such as the Chromebook are all vulnerable to cracked screen, liquid damage, theft and more. Make sure your school-issued device is protected today.

Let us provide you with peace of mind coverage, so you can focus on what's *most important*, the student's education.
