School Site Council We are looking for 3 community

member/parent volunteers to serve on the Butteville School Site Council. Each year the School Site Council works to identify and implement ways to develop and promote student achievement. - Three Parents or Community Members

The School Site Council works to meet the goals specified in the District Local Control Accountability Plan (LCAP). Specific areas reflect a dedication to eight general goals.

2. Review and revise the Safety Plan.
3. Review, revise, and evaluate Single School District Plan for Student Achievement (SSDP SA)
4. Review and revise the Parent/Student Compact
5. Provide input on the LCAP
6. To enhance and support a positive school climate and culture for all members of Butteville Elementary School
7. To ensure that all students are fully challenged in appropriate ways and able to work in environments of high standards and strong work ethic.
8. To continue effective school and community communications regarding school achievement and programs

If you are interested in helping us meet our educational goals, please contact Eric Bragg or Len Foreman at 938-2255 or send an email to eric.bragg@butteville.k12.ca.us

School Pictures:

It's official, November 17 is picture day. We will be sending order forms home to parents on Monday (11/9) and Tuesday (11/10). For distance learners, your teachers will send order forms home with your homework packets. The photo agency will be on campus to take pictures during the day. You will be able to drive your child to school that date during school hours. **More details will be coming as we work out the process.**

Ski Club is on if the snow flies!

2020 has been pretty crazy so far, to say the least. But, skiing & snowboarding are still a possibility. Let's hope for snow & an opportunity to enjoy it. The ski park is still planning to run the school ski club program, unless there are dramatic changes with the current Covid 19 situation in Northern California.

They plan to proceed with social distancing measures in place and will continuously review the situation to determine if additional policies are needed. New school limitations will be in place, and your reply determines if we participate.

Please email buttevilleskiclub@gmail.com if you & your child(ren) would like to participate in ski club this year. Pending responses, we will move forward & plan accordingly. Thanks!
