## TURKEY FEATHER COUNTING BOOK

Directions: Print all pages in the download. Stack the first seven pages in order and bind the book with staples or tape. You may wish to laminate the pages before binding.

You will also need 10 feathers to use with this book. You may use the ones in the download on page 8 or use craft feathers.

The child will work on reading number words six through ten and practice counting. After reading each page, have the child place the correct number of feathers on each turkey. On page 7, the child should count the feathers in each row for extra practice.
