## **SCHOOL HISTORY**

### **The History of Liberal High School**

Public education has long been considered important for the community of Liberal. The first recorded school was a one-room sod building opened in the fall of 1886. It stood a mile south of Second Street. The first high school was called Lincoln School and was built in 1890 at a cost of around \$12,000. The school was located immediately north of the Sixth and Lincoln location. Two rooms in the new building were designated as high school rooms. According to records, the students graduating from high school at that time were two-year graduates, with the first student graduating in 1903. Four young ladies graduated in 1904. In 1909, at a cost of approximately \$20,000, the community built Washington School; a four year accredited high school. It was located at the site of the present Washington Elementary School; one student graduated there in 1909. In the fall of 1922 another high school was built at Sixth and Lincoln at a cost of nearly \$18,000. It housed Liberal High School for sixty years. Several generations of students passed through the halls of the old building, with a total of 7,390 graduating since the first class in 1923.

The present school, located at Second and Western, was built for approximately ten and a half million dollars. It was designed to comfortably house 900 students, with the ability to expand to serve an enrollment of 1,200. When the complex opened its doors in August 1983, grades 9, 10, 11, and 12 attended the new school for the first time. The school has rooms that are large and redesigned for specific academic disciplines. Staff members from each department worked with the architects to develop the final plans for the building. Departments are generally grouped together for better sharing of ideas among teachers, which benefits student interests. The present facility is air-conditioned and climate controlled. The new school has adequate parking space in several lots, and a large seating capacity in both the main gymnasium and the auditorium.

In 1999-2000 USD 480 added an addition to the high school, which consisted of nine classrooms, expansion of the cafeteria seating, and a state of the art kitchen and serving area at a cost of \$3,267,638. In May, 2000 the Liberal High School Auditorium was renamed the "James W. Maskus

Auditorium” in honor of the longtime Liberal High School principal. In October, 2004, the library was named the Stafford-Fairchild Library, honoring two former students who are world renowned authors and poets.

In 2017, West Middle School became part of LHS and is called the East Campus of LHS. LHS was chosen as one of 7 redesign schools for Kansas and the planning began. It is an opportunity to provide a more college-like experience while making it more individualized for each student. The staff is looking at everything that we do and changing it to what is best for students and to give all students an advantage when they leave LHS.

Much credit must be given to the far-sighted citizens who through the years have helped Liberal High School to develop into a first-class educational institution with a reputation for excellence in academics and activities. LHS graduates have gone on to excel at major colleges and universities throughout the country, and may be found working and studying in countries around the world, daily paying tribute to the education they received at Liberal High School.

## **General Program of Study**

4 Units of English (regular or applied)  
3 Units of Math  
3 Units of Science (Earth/Space and Biology required)  
3 Units of Social Science  
1 Unit of Fine Arts  
1 Unit of Physical Education that includes health education

## **LHS Community Service Requirements**

Students are required to perform 20 hours of community service for graduation. To fulfill the requirement, a student must document 20 hours of volunteer work in service to the Liberal community, by 3:00 p.m. on the first Friday in May. They may choose any activity that meets the guidelines below and verify their service on the Certificate of Supervision available in the counselor's office. The recommended completion time is by the end of the first semester of the senior year. Completion of this requirement will be noted on the transcript. It is further recommended that students complete at least 5 hours of community service each year. Community service includes the following:

- Work completed for non-profit organizations within the community;
- Any service commencing after the successful completion of the eighth grade;
- Service that is completed outside of the student's regular school hours unless prior approval is gained from the principal;
- Service that meets the above guidelines and is provided under the direction of an approved sponsor;

Students will be required to obtain 5 hours of community service for each year they are LHS students, where a "year" of attendance is defined as enrollment from any point in the fall semester and through that spring. Community service will not be accepted for any service paid for, for credit, for disciplinary or adjudicated purposes, or as part of a regular class duty (such as prom, class floats, etc.) Community service hours will not be accepted if they are being credited for any other project or activity. Any service, other than what appears on the "Approved Sponsor List" must be pre-approved by a principal or assistant principal before completing it.

## **Commencement Participation**

Students must complete all credit requirements not later than 3:00 p.m. on the Friday prior to graduation and community service requirements not later than 3:00 p.m. on the first Friday in May in order to be allowed to participate in LHS graduation ceremonies. All student obligations, such as fees and fines, must be paid before a diploma will be issued. Graduation ceremonies are scheduled to be held at Redskin Field with open seating. No one except the graduates and authorized personnel will be allowed within the fenced area. In case of inclement weather, ceremonies may be delayed, or be moved to the main gymnasium. Because gymnasium seating is limited, seniors will be issued tickets to distribute to guests for admission to the gymnasium if the ceremony has to move inside. The number of tickets issued to each student will be determined by the number of graduating seniors and the number of available seats. Seating for those guests who do not hold tickets will be available in

the Maskus auditorium. No one will be admitted to the gymnasium without a valid entry ticket. No one will be admitted to the gymnasium after the seniors enter the gymnasium.

### **Graduation Recognition**

Students must attend the 11th and 12th grades at Liberal High School to receive consideration for valedictorian and salutatorian honors and must complete the Kansas Board of Regents Scholars Curriculum.

- Due to the belief that these honors reflect integrity as well as academic excellence, the student must remain in “Good Standing” throughout the senior year to be considered for the valedictorian or salutatorian honor.
- The naming of valedictorian and salutatorian will be determined by the Kansas State Scholars criteria and index, as follows:
  - 1. Taking the ACT Assessment no later than December of the senior year;
  - 2. Completing the Kansas Scholars Curriculum;
  - 3. Having curriculum and 7th semester GPA certified on the official roster by the high school counselor, registrar, or similar official;
  - 4. Being a Kansas resident. The academic profile for the previous year scholars included an average ACT of 29 and average GPA of 3.89.
  - Students who meet minimum requirements comprise the applicant pool with designation of valedictorian and salutatorian based on ranking by descending index number, with valedictorian earning the highest index score, and salutatorian earning the second highest index score.
- GPA will be figured on a non-weighted system.
- In the event of a tie in index score, there will be no tiebreaker.

### **Early Graduation**

For guidelines on early graduation requirements contact your high school counselor for more information. Note: Students who pursue early graduation will forfeit the opportunity to receive senior class ranking and eligibility for valedictorian/salutatorian honors.

### **Special Services**

Modifications of graduation requirements for special services students will be reflected in the student’s Individual Education Plan (IEP). Starting at grade nine and each year thereafter until graduation, the special education IEP committee shall complete or update an alternative graduation plan for all exceptional children who will not be following the regular education graduation requirements. The alternative graduation requirements shall be specified in the student’s records during the school year in which the student is enrolled in the ninth grade or its equivalent. This plan shall be reviewed annually with the parents and student at the IEP conference. Upon completion of the units of study designated in the alternative graduation plan, the IEP committee shall recommend the student for graduation.

### **Senior High School Fees**

Liberal High School book or technology rental and fees are Board approved.

### **Release of Student projects**

Permission will NOT be granted to release any project with outstanding cost from the classroom until costs for materials used are paid in full.

### **LHS Enrollment Information**

Students enrolling for the 1<sup>st</sup> time at LHS must have complete records of required immunizations before being allowed to attend LHS. Students enrolling for the first time must do so at the USD 480 Newcomer's Center, and then partake in the New Student Orientation at LHS at the time designated at the Newcomer's Center.

### **Spring Pre-Enrollment**

Pre-enrollment will be conducted during the second semester. Parents and guardians are encouraged to contact the LHS counseling office to review or discuss their student's class schedule or enrollment at any time.

### **Schedule Changes (Drop/Add)**

Students are responsible for requesting schedule changes prior to the published deadlines established by LHS Student Services. These deadlines will be communicated with students and parents via email and in other avenues that information is often shared. Students who are permitted to change classes, whether subjects or sections, will carry the current grade earned to the new course or section. Schedule changes after the Drop/Add deadlines will be considered only for the following reasons:

1. A new student enrolls.
2. A student qualifies for special services, E.S.L., or a 504 plan placement.
3. A student is identified by a teacher as being incorrectly enrolled in a class due to academic ability (i.e. placed in honors, but should be in the non-honors version).
4. The changes have been approved by a building administrator following a conference that includes the student, parents, teachers affected by the possible change, counselor, and administrator.
5. The building administrator deems the class change appropriate based on extenuating circumstances. (No conference would be necessary.)

### **Transfer Students & Correspondence Coursework**

Online courses, correspondence courses, virtual schooling, private schooling, and any other credits not earned at LHS must be from an accredited institution and are subject to approval from the building principal. For credit recovery purposes, prior approval must be received.

### **Virtual, Remote, or Homeschooling as a LHS Student**

LHS does not offer a virtual, remote, or homeschool option for students. Students interested in these options must transfer to institutions not currently associated with USD 480.

### **Guidelines and Opportunity for Course Test Out: Eligibility, Procedures, Examination Design, and Performance Criteria**

A list of "test out" classes is available in the counselors' office. Guidelines for any course test out are set by the Department and building principal. This includes test format (design and procedures), dates of testing, performance criteria for students to obtain credit, and any initial eligibility for students to take a test out examination. All credit will be recorded on the transcript at the grade level in which the student is enrolled. The

transcript will reflect the name of the course, amount of credit and “Test Out” designation. No grade will be issued for G.P.A. points; only pass credit will be given. No entry will be made on the official transcript if the student does not obtain the performance criteria necessary to earn the credit.

### **Summer School**

Liberal High School will offer summer school courses. Counselors will advise the students of guidelines and procedures for summer school enrollment. Information regarding summer school will be shared with parents by LHS Student Services through email and other means of communication.

### **“Incomplete” Course Work**

Grades of “0” will occur as a result of students missing a final examination or regular course work. Make-up privileges listed under the attendance section will apply.

### **Testing Programs**

Each school year, students at Liberal High School will be involved in a considerable amount of testing. In some cases the testing is required and in some cases the testing is optional.

- 1) Students are expected to take classroom tests, district benchmarks, nine-week and semester exams, except when exempt according to policy. These tests serve to help determine the level of student performance and progress achieved in enrolled coursework.
- 2) In addition, students are required to participate in state and national testing as part of the school accreditation process. Class placement may be based on scores.
- 3) For purposes of college or military entrance, as well as scholarship application, many students aspiring to attend college or the military upon their graduation from LHS, will elect to take the PSAT, SAT, ASVAB and/or ACT.

\*All final exams must be completed within five school days of the final testing day. Consideration for this opportunity will not be allowed for students who had an unexcused absence on the final examination day. Upon request, the building principal may extend the deadline due to extraordinary circumstances.

### **Semester Test Exemptions**

 Final Exemption Policy 2023 - 2024

If at the end of the probationary period the student is not passing 5 classes, he/she will be ineligible for one week or until the grades meet the eligibility requirement, whichever occurs last. ### **Activity Fee**

The Student ID Badge *is considered an activity pass and cost is included in enrollment fees (\$25.00)* and entitles the owner to attend all regular season home athletic events. Lost or stolen cards may be replaced at an added cost of \$10.00.

Student ID Badges DO NOT provide entry to KSHSAA-sponsored events.

### **Transportation**

It is the philosophy of Liberal High School and USD 480 that all activity participants ride the activity bus to and from the activity. This ensures the safety and well-being of our students while they are representing Liberal High School. This also promotes a sense of unity and team building. We do realize that in some cases it is necessary for parents to have their child accompany them home. In these cases, the parent must notify the activities director or head coach in writing before the student will be released. Please consider that the more notice we have of your intentions the more efficient the process will be. Request forms may be picked up in the athletic office. (NOTE: Students will only be released to their parent or legal guardian.)

## **GENERAL GUIDELINES AND PROCEDURES**

### **Accidents**

All accidents in the school building, on the school grounds, at athletic practice sessions, or at any school sponsored event either at school or away must be reported immediately to school personnel sponsoring the activity. All accidents must be reported to the athletic trainer and/or Administration.

### **Insurance**

While participating in KSHSAA sanctioned activities students are insured for accidents or injuries, but only to the extent that no other insurance applies. The school does not provide insurance for accidents or injuries to students, or for theft or damage to student possessions. If you do not have some form of hospitalization

insurance, we strongly recommend that you purchase a plan. For your convenience, USD 480 furnishes a simple form, supplied by a reputable company, offering inexpensive coverage.

**School Assemblies**

Periodic school assemblies will be held to inform students, promote educational messages, or simply to offer entertainment. Students and staff will be informed when to dismiss. Assemblies will usually be held in the gymnasium or the auditorium.

*Seating in the gymnasium is as follows*

Seniors: Lower south-west level	Sophomores: Lower north-east level
Juniors: Lower north-west level	Freshmen: Lower south-east level

Seating areas will be monitored by LHS staff assigned to designated areas.

## **STUDENT BEHAVIOR GUIDELINES**

### **Liberal High School "Good Standing" Guidelines**

Good Standing is a level of student privilege. Students in good standing exemplify acceptable behavior, academic progress, and good attendance; they are a positive representative to our community.

<b>Definition of Student IN GOOD STANDING</b>		
<b>Attendance</b>	<b>Behavior</b>	<b>Academics</b>
Student is NOT defined as "truant"*	Student has not been placed on a Special Discipline Plan*	Failing NO MORE THAN two classes, while passing at least 5 classes
*A student with more than 85 missed mods is considered truant	*Appeal procedure for SDP at discretion of the Principal	-Seniors- Passing classes required for graduation

### **Student Behavior, Fighting, & Discipline Referrals**

We, at LHS, believe all students can behave appropriately at all times, but sometimes misbehavior is a part of a student's maturation process. Consequences for student misbehavior are determined on an individual but consistent basis according to the referral process set forth by LHS administration and USD 480 policy.

**Fighting will not be tolerated at LHS; it could be considered a criminal offense.** Any persons participating in a fight during school or on school grounds, or at school activities, will be suspended from school according to the

referral process and USD 480 or LHS guidelines. A fight may result in police notification and charges being filed, if warranted by the situation and police discretion. Fighting is defined at the end of this handbook in the LHS Student Misbehavior and Consequence Matrix.

### **Referral and Documentation**

Referrals are documentations of student misbehavior by teachers or administrators. These violations can occur in the classroom, in the halls, or on school grounds, during school hours, or after school hours at school activities. Teachers will follow this process when addressing misbehavior that occurs with students during a class period(s) or time frame where the teacher is supervising.

Any student misbehavior will be addressed by the teacher with three interventions prior to the written referral as listed here (unless the misbehavior qualifies as severe clause). These interventions can occur over the course of multiple periods or days, when the misbehavior is a consistent disruption to the class. These interventions will be documented by the teacher and included in the referral form.

#### **Teacher Misbehavior Interventions**

1st Warning  
2nd Warning  
3rd Warning  
15-30 Minute Detention  
Consult with Student's Counselor  
Consult with Student's Homeroom Mentor  
Parent Phone Call  
Reminder of Expectations  
Seating Change  
Student Conference  
Other Interventions Not Listed

***Severe Clause: student who totally disrupts, uses vulgarity, is a physical threat to others, or is willfully disobedient, openly defiant, or flagrantly disrespectful will lose the right to "three prior interventions" and immediately receive an office referral. This student may be removed from the current setting and brought to the office.***

### **In School Suspension**

**In School Suspension (ISS)** is an alternative placement apart from the regular classroom which may be assigned by an administrator or by an administrator designee.

**ISS Student Role:** Complete assignments as determined by the classroom teachers and/or the ISS supervisor.

#### **ISS Assignments**

1. Consider day/s in ISS same as excused absence.
2. Students are expected to complete assignments in a designated number of days.
3. Teachers may choose:
  - a. To give assignments all other students receive that day for credit.

b. To give alternate assignments that are content related.

(This would be in situations where it is impossible to do regular assignments in ISS, such as PE, Art, Metals, etc.)

**IT IS THE STUDENT'S RESPONSIBILITY TO COMPLETE ASSIGNMENTS AND/OR DISCUSS WITH THE INDIVIDUAL TEACHERS THE FOLLOWING:**

- grade assigned;
- assignment completion;
- make-up needed.

**Consequences for non-compliance in In School Suspension:**

Failure to abide by the rules and procedures for ISS will result in out-of-school suspension (OSS).

**Student Social Media Usage, Discipline, In-and-Out of School**

Students and parents need to be aware that derogatory or threatening social media posts or messaging that take place outside of the school day, or off-site from the school grounds, can be addressed through school consequences. This happens when these posts or messages endangers the safety of others or which substantially impinges upon or invades the rights of others at school, on school property, or at a school supervised activity. Consequences for these actions will follow from the LHS Student Misbehavior and Consequences matrix, USD 480 Policy, and state statutes.

#### **Philosophy**

It is the philosophy of Unified School District No. 480, Board of Education that all students have the right to attend schools and work in environments that are conducive to learning and to take advantage of a public education. The use, possession, or distribution of alcohol, and illegal drugs and/or controlled substances or the improper use of legal drugs is recognized to be very harmful to individuals who use and to those around them.\* It is recognized that students have the right to be educated in a drug-free environment.

Therefore the following acts, conduct and activities are strictly prohibited and forbidden at school, on school property, at school-supervised activities or on school transportation:

- Use and/or possession of tobacco;
- Distribution of tobacco;
- Use and/or possession and/or distribution of prescription/over-the-counter medications, or being impaired by, or under the influence of, such substances;
- Use and/or possession of alcohol, illicit drugs, controlled substances, illegal paraphernalia or other illegal or harmful substances or being impaired by, or under the influence of, alcohol, illicit drugs, controlled substances, or other illegal or harmful substances;
- The distribution of alcohol, illicit drugs, controlled substances, illegal paraphernalia or other illegal or harmful substances.

At any time there is reasonable suspicion that a student has violated the foregoing policy disciplinary consequences will be issued.

*\*Improper use of legal drugs is defined as the use of prescription drugs by someone other than the person for whom the prescription was written, the use of prescription drugs in a dosage other than the dosage written on the prescription label, the use or possession of over-the-counter medications not in compliance with the district's policy regarding self-medication.*

**Prevention Curriculum**

Unified School District 480 has adopted a comprehensive drug and alcohol abuse and prevention program as part of the district's curriculum. The curriculum is age-appropriate and developmentally based to reach students at all ages and levels of education within the district.

**Student Conduct**

As a condition of continued enrollment in any school of Unified School District 480, all students shall abide by the terms of this policy as follows.

**Notice**

Students who are suspended or expelled under the terms of this policy will be afforded the due process rights contained in [USD 480 Board Policies](#) and Kansas Statutes, [K.S.A. 72-6114](#), et. seq. Nothing in board policy is intended to diminish the ability of the district to take other disciplinary action against the student in accordance with other policies governing student discipline. In the event it is agreed that the student will enter into and successfully complete a drug education or rehabilitation program, the cost of such a program will be the full responsibility of the student and his/her parents or legal guardians. Parents or students should contact the directors of the programs to determine the cost and length of the program.
