Building Administrators will notify RISE staff of a potential future placement, sharing any measures used for the student that have or have not worked.
Step 4 - At Step 5 of the discipline plan, all staff from step 1 are again notified of continued behaviors. An IEP team meeting is set up for possible change of placement. Manifestation Determination may be held. The program owner of Edgenuity and RISE Coordinator will be notified of possible placement into RISE to allow for enough time to set the student up in the program.
