## VETERAN'S DAY

For many years CISD has taken great pride in providing a wonderful, student led celebration for Veterans Day. However, due to the various safety precautions and restrictions with Covid-19, this year's recognition programs will look a little different.

This year we will celebrate Veterans Day Friday, November 6th in a number of ways:

During pregame, which will start roughly at 6:25pm, the Senior members of football, band, and cheerleading will be recognized. Directly following these activities, the Veterans Day recognition will begin. The Jr. High and High School English classes held an essay contest to honor Veterans Day and the winning submissions will be read. Also, we invite ALL veterans to attend because we will be recognizing them within the stands as we show our appreciation and patriotism. Throughout the night Student Council will have a table set up with Christmas cards for the community to sign that will be sent to the VA hospital during the holidays.

We know the community will miss the usual Veterans Day program and lunch, but we are hoping this is merely a one year deviation from our long-running tradition. We look forward to seeing all of our veterans out at the pregame on Friday and know that we are so appreciative and grateful for all that you have given!

Please join us in honoring and celebrating our veterans!

Respectfully,

Walter N. Mc Alpin  
Principal CHS
