November 5, 2020

Dear VFMS Parents,

This letter is to inform you that one of our middle school staff members has tested positive for Covid 19. At this time, it has been determined that due to proper social distancing and the wearing of a mask that no middle school students or additional staff members will be required to quarantine. We do encourage you to watch your child for any symptoms and please keep us updated. The most recent symptoms that are being reported to us are cold like, congestion, headaches, loss of taste and smell, and being overly tired. We are working to secure a substitute for the classroom and the teacher will be teaching remotely when possible zooming into the classroom.

Should you have any questions, please feel free to contact me at any time.

Sincerely,

Ms. Susan Grey
PK-8 Principal USD 338
