Dear Parent/Guardian,

Beginning November 9<sup>th</sup>, students in grades 7-12 will be required to make up absences if they exceed more than 24 unexcused period absences throughout the 20-21 school year.

Students will have the option to make up absences by attending noon detention or after-school tutoring. During these times, students will have the opportunity to complete missing assignments and/or communicate with teachers via email.

We are hopeful that our new policy will encourage regular classroom attendance, as it plays an important role in a student's success in school.

Thank you,

Dustin Flaten, Principal
